2 to be specified in a written "Notice to Proceed" from City and shall complete all work
3 within sixty (60) working days thereafter, subject to strikes, lockouts and events beyond
4 the control of Contractor. Time is of the essence hereunder. City will suffer damage if
5 the work is not completed within the time stated, but those damages would be difficult or
6 impractical to determine. So, Contractor shall pay to City, as liquidated damages, the
7 amount stated in the Contract Documents.

8 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
9 acceptance of any work or the payment of any money by City shall not operate as a
10 waiver of any provision of any Contract Document, of any power reserved to City, or of
11 any right to damages or indemnity hereunder. The waiver of any breach or any default
12 hereunder shall not be deemed a waiver of any other or subsequent breach or default.

13 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently
14 herewith, Contractor shall submit certification of Workers' Compensation coverage in
15 accordance with California Labor Code Sections 1860 and 3700, a copy of which is

18 upon City by Contractor for and on account of any extra or additional work performed or
19 materials furnished, unless such extra or additional work or materials shall have been
20 expressly required by the City Manager and the quantities and price thereof shall have
21 been first agreed upon, in writing, by the parties hereto.

22 8. CLAIMS. Contractor shall, upon completion of the work, deliver
23 possession thereof to City ready for use and free and discharged from all claims for labor
24 and materials in doing the work and shall assume and be responsible for, and shall
25 protect, defend, indemnify and hold harmless City from and against any and all claims,
26 demands, causes of action, liability, loss, costs or expenses for injuries to or death of
27 persons, or damages to property, including property of City, which arises from or is
28 connected with the performance of the work.

2 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence
3 of all insurance required in the Contract Documents.

4 In addition, Contractor shall complete and deliver to City the form
5 (“Information Sheet”) attached as Exhibit “C” and incorporated by reference, to comply
6 with Labor Code Section 2810.

8 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a
9 penalty to City, the sum of Twenty-five Dollars (\$25) for each worker employed by
10 Contractor or any subcontractor for each calendar day such worker is required or
11 permitted to work more than eight (8) hours unless that worker receives compensation in
12 accordance with Section 1815.

13 11. PREVAILING WAGE RATES. Contractor is directed to the
14 prevailing wage rates. Contractor shall forfeit, as a penalty to the City, Fifty Dollars (\$50)
15 for each laborer, worker or mechanic employed for each calendar day, or portion thereof,
16 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any
17 work done by Contractor, or any subcontractor, under this Contract.

18 12. COORDINATION WITH GOVERNMENTAL REGULATIONS.

19 A. If the work is terminated pursuant to an order of any Federal
20 or State authority, Contractor shall accept as full and complete compensation
21 under this Contract such amount of money as will equal the product of multiplying
22 the Contract price stated herein by the percentage of work completed by
23 Contractor as of the date of such termination, and for which Contractor has not
24 been paid. If the work is so terminated, the City Engineer, after consultation with
25 Contractor, shall determine the percentage of work completed and the
26 determination of the City Engineer shall be final.

27 B. If Contractor is prevented, in any manner, from strict
28 compliance with the Plans and Specifications due to any Federal or State law, rule

1 or regulation, in addition to all other rights and remedies reserved to the parties
2 City may by resolution of the City Council suspend performance hereunder until
3 the cause of disability is removed, extend the time for performance, make changes
4 in the character of the work or materials, or terminate this Contract without liability
5 to either party.

6 13. NOTICES.

15 Code, City will notify Contractor when City receives any third party claims relating
16 to this Contract in accordance with Section 9201 of the Public Contract Code.

17 14. BONDS. Contractor shall, simultaneously with the execution of this
18 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the
19 form attached hereto and in the amount specified therein, conditioned upon the faithful
20 performance of this Contract by Contractor, and a good and sufficient corporate surety
21 bond, in the form attached hereto and in the amount specified therein, conditioned upon
22 the payment of all labor and material claims incurred in connection with this Contract.

23 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor
24 any of the moneys that may become due Contractor hereunder may be assigned by
25 Contractor without the written consent of City first had and obtained, nor will City
26 recognize any subcontractor as such, and all persons engaged in the work of
27 construction will be considered as independent contractors or agents of Contractor and
28 will be held directly responsible to Contractor.

1 16. CERTIFIED PAYROLL RECORDS. Contractor shall keep and
2 cause each subcontractor to keep an accurate payroll record in accordance with Division
3 2, Part 7, Article 2 of the California Labor Code. Contractor's failure to furnish such
4 record to City in the manner provided herein for notices shall entitle City to withhold the
5 penalty prescribed by law from progress payments due to Contractor.

6 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to
7 the contrary in the Standard Specifications, Contractor shall have the responsibility, care
8 and custody of the work. If any loss or damage occurs to the work that is not covered by
9 collectible commercial insurance, excluding loss or damage caused by earthquake or
10 flood or the negligence or willful misconduct of City, then Contractor shall immediately
11 make the City whole for any such loss or pay for any damage. If Contractor fails or
12 refuses to make the City whole or pay, then City may do so and the cost and expense of
13 doing so shall be deducted from the amount due Contractor from City hereunder.

15 terminate the rights or liabilities of either party which rights or liabilities accrued or existed
16 prior to termination or expiration of this Contract.

19 the payment of compensation to Contractor on Form 1099-Misc. and Contractor
20 acknowledges that Contractor is not entitled to payment under this Contract until it
21 has provided its Employer Identification Number to City. Contractor shall be solely
22 responsible for payment of all federal and state taxes resulting from payments

9 address for its mailing address. Copies of the form and permit(s) shall also be
10 delivered to the City Engineer. The form must be submitted and the permit(s)
11 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not
12 order any materials or equipment over \$100,000 from vendors outside California
13 until the form is submitted and the permit(s) obtained and, if Contractor does so, it
14 shall be a material breach of this Contract. In addition, Contractor shall make all

16 Long Beach office and all purchases made by Contractor under this Contract
17 which are subject to use tax of \$500,000 or more shall be allocated to the City of

11 that is not a party to this Contract.

12 24. SUBCONTRACTORS. Contractor agrees to and shall bind every
13 subcontractor to the terms of this Contract; provided, however, that nothing herein shall
14 create any obligation on the part of City to pay any subcontractor except in accordance
15 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply
16 with this Section shall be deemed a material breach of this Contract. A list of
17 subcontractor(s) submitted by Contractor in compliance with Public Contract Code
18 Sections 4100 et seq. is attached hereto as Exhibit "D" and incorporated herein by this
19 reference.

3 and supersedes all other agreements, oral or written, with respect to the subject matter

**USE TAX DIRECT PAYMENT PERMIT
(General Information and Filing Instructions)**

Revenue and Taxation Code Section 7051.3 authorizes the State Board of Equalization to issue a "Use Tax Direct Payment Permit" to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of Section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a use tax direct payment exemption certificate which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a use tax direct payment permit, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
 - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
 - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a use tax direct payment permit, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed use tax direct payment application, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a use tax direct payment permit and exemption certificate will be mailed to the applicant.

If you would like additional information regarding the use tax direct payment permit or need assistance in completing this application, you can call (916) 324-2883, or write to the Board of Equalization, Public Information and Administration Section, MIC-44, PO Box 942879, Sacramento, CA 94279-0044.

Use Tax Direct Payment Exemption Certificate

I hereby certify that I hold use tax direct payment permit No. _____ issued pursuant to California Sales and Use Tax Law Section 7051.3 and that I am authorized to report and pay directly to the State the applicable use tax with respect to the property described herein which I shall purchase from:

(Name of Vendor)

(Address of Vendor)

In the event that I fail to timely report and pay the applicable tax to the State, I understand and agree that in addition to the tax liability, I will be liable for applicable interest and the amount due may be subject to penalties.

Description of property to be purchased:

Purchaser: _____ Date certificate given: _____

Signature and Title of Purchaser or Authorized Agent: _____

IMPORTANT NOTICE TO VENDORS

This exemption certificate when timely taken in good faith from a person who holds a use tax direct payment permit relieves a vendor from the requirement to collect and remit USE TAX on sales or leases of tangible personal property (other than leases of motor vehicles subject to the terms of Section 7205.1 of the Sales and Use Tax Law) to the person who issued the certificate. It does NOT relieve a vendor of any SALES TAX obligations. Generally, this certificate should be accepted only by out-of-state vendors or by lessors of tangible personal property other than motor vehicle lessors. Sellers can claim a deduction on their sales and use tax returns for any sales made under this certificate.

Vendors must retain a completed copy of this certificate in their files for a period of not less than four years to substantiate the exempt status of sales made under its authority.

This Exemption Certificate has been approved by the California State Board of Equalization.
