10. (18-0328) Recommendation to approve the destruction of records for the Long Beach Police Department, Internal Affairs Division; and adopt resolution.	Long Beach	longbeach@google.com						The Long Beach residents deserve access to these records under the freedom of information act. By destroying them the city appears to be hiding something. Recommend that the council preserve these records too avoid the impression of guilt.	4/17/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Jennifer Earlywine	jbearlywine@gmail.com						I strongly oppose the installation of parking meters in this proposed location. I do not understand the purpose of this other than to profit off of the success of Olympix. Clearly demand for parking has increased in this area due to the club, but parking enforcement already patrols the block full-time. The prospect of receiving a \$49 fine is more than enough incentive to not park beyond 2 hours. Seems like nothing but greediness...taking advantage of Olympix patrons to add to the City's fund.	4/17/2018
32. (District 3)	Dina Azzam	dina.doun@gmail.com						This is a terrible idea. I live in Belmont on Ocean and Price promised that there won't be metered parking following the restructuring of parking spots in Belmont on Ocean. WHY ARE YOU CHARGING FOR EVERYTHING? Its tough enough to find open parking. Please do not do this. Leave the Belmont parking alone. Isnt it enough you added all the meters to the beach parking? Long Beach DOES NOT NEED THIS MONEY. These solutions are not only inconvenient or costly, but they're wrong and just money-hungry.	4/17/2018

32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Heather Richard	heatherdrichard@hotmail.com						Please do not adopt this resolution. I am a resident of the neighborhood (on Ocean) without a parking garage and it would be an extreme inconvenience to have to pay for parking on Ocean, especially on the weekends. The apartment complex does not have enough garages to accommodate all of the units. People live here, not just visit the beach. Please do not adopt this measure!	4/17/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	ADRIENNE NEWELL	adrienne.newell3@gmail.com						As a resident who lives off of Ocean and a member of Olympix, I strongly oppose this measure to put in parking meters surrounding the gym on Ocean. Our city should be supporting its residents as well as local businesses which are slowly dwindling to Belmont Shore's sky high rent. Charging residents to park their cars near their homes at an hourly rate as well as charging members to park their cars in front of their gym is ludicrous.	4/17/2018

32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Devon Beebe	devonbeebe@gmail.com						I think that this recommendation is not conducive to the neighborhood it is in due to the amount of housing and local businesses. Long beach already makes enough off of parking tickets and I think this is ridiculous to implement meters. no thank you!	4/17/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Joel White	joelwhitephotos@gmail.com						I do NOT support this act.	4/16/2018

32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Lucy Johnson	lucyjohson1@gmail.com						Please vote NO on this item. This area has never been subject to paid parking. The supposed reason for adding the meters is to encourage turnover of the spaces to "help" the business owners. However, the area is currently posted for parking up to 2 hours. Adding meters will not change the time limit - it will simply provide for the possibility of adding about \$75,000 per year to the city's income from the meter fees. It will also push parkers into the residential areas that are not metered.	4/16/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Rodney Bowles	rodneybowles@gmail.com						I heard about this measure proposed for metered parking around the gym. I'd like to formally say I think that I don't agree with that proposition. Parking in Long Beach is already hard enough, and all this metered parking just makes it harder. I already have a hard enough time finding parking in downtown. Now, every time I want to go to the gym I have to have a hard time too. I filled a parking survey for LB where I thought the city was trying to find solutions for parking not make it harder?	4/16/2018

32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Sayla Calderon	saylalde@gmail.com						Please do not add metered zones on Ocean Blvd.	4/16/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Nicoleta Simionescu	nicoletasemai@gmail.com						I live between Roswell and Bennett St on the N side of Ocean Bl and I believe that installing parking meters across the street is a bad idea. Patrons of the Olympix Gym and the adjoining businesses will look for a more economical option to parking in the vicinity of the place they frequent and further reduce our limited parking spaces on our side of the street. This resolution was drafted without any public discussion with the neighbors that will be affected by it.	4/16/2018

32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Kayla Healy	klabear1@yahoo.com						This seems pretty unnecessary and unfair. The beach parking lots are located directly next to this area at \$1 an hour. Why can't we have free two hour parking?! Give the locals and businesses a break!	4/16/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Chris Cooper	chriskcooper82@gmail.com						As an active member of the community, this metered parking would be an immense insult to everyone who pays to live in this area. We strive to create a family-based and friendly environment for our residents, and by enforcing these meters, when we already have such enforcement all along 2nd street, would only be a detriment to the community, and simply come across as the city trying to make a quick buck off of its loyal residents.	4/16/2018

(District 3)	Jowel Ochoa	jowel.ochoa@yahoo.com						I personally disagree with this accordance because of the amount of inconvenience that it provides as well as making it more difficult for people that are working within the vicinity. It is unfair due to the fact that it can make it more difficult for people who live there.	4/16/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Hayley Cooper	coop.hlc@gmail.com						As both a contributing resident and employee within the community, the metered parking regulation would not only affect my own financials, having to pay for parking 7 days a week while working, but would affect my cleints' ability to come see me and receive the type of service and standard of care my facility of employment likes to provide. While the city would make a small amount of money on this meter regulation, the negative effects on the community would immensely outweigh any benefits.	4/16/2018

(District 3)	Adam Armbrust	adam@olym pixfitness.co m						We get enough tickets dues to the two hour time limit and street sweeping. This just going to increase the amount of tickets issued and frustrate all the patrons for any business in that vicinity. I am a fan of the angled spots but not the meters. It will frustrate all the residents as well because people will filter into the neighborhoods instead of parking at the meters. I am not a fan of this initiative.	4/16/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Stephanie Sills	stephanie_sil ls@yahoo.co m						This is how you want to penalize residents of this area when using their gym? Pull money from somewhere else and not from locals who are doing something to better themselves and their health. Parking has always been free on this street and it needs to remain free. This type of gauging we do as a city will only drive business owners to open locations elsewhere. Shame on whoever made this recommendation.	4/16/2018

(District 3)	Leah O'Brien	leah.obrien94@gmail.com						I Leah O'Brien have lived and worked in the Belmont area my entire life. I don't appreciate and agree in paying for parking everytime I come and make my way around the area. I am sure there are other ways for the city to make money and this action only angers not only residents but as well as visitors that make their way here in Long Beach. Please reconsider this action. Please and Thank you.	4/16/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Chelsea Chow	chelsea34chow@yahoo.com						I Chelsea Chow, attesting this recommendation to place parking meters in Zone 31 and 32. As someone who is frequently in the Belmont area to use the free open parking spaces for daily activities such as usage of the Belmont Pool, Olympix Fitness Club, the beach and running path. As a past resident of the general area I know the headache it will cause- it will push everyone who is looking for parking into residential area making it difficult for those who do live there.	4/16/2018

(18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Grant Higgins	higgins.grant33@gmail.com						I, Grant Higgins, resident of Long Beach and frequent visitor of Belmont Shore would strongly oppose the installation of pay to park meters. I would be much less inclined to come visit the area if I were to have to pay to park every time. I speak on behalf of myself as well as my like minded peers. Being a 21 year old college student, money is tight and adding this expense to a free day at the beach would make me think twice to using the public space.	4/16/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Forrest Wiggins	woody.wiggins@yahoo.com						With all of the pressure of the day to day it seems like an awful idea to penalize the patrons of this area with fees for additional parking when it's already an issue. Thank you for adding all of the additional diagonal parking, let's do it on the other side to offset all of the impact to the residence and create a community supporting growth and fostering health. Is the rent we pay not enough? WOW	4/16/2018

(District 3)	Jarrett Tooley	jarrett.tooley@yahoo.com						There is no parking issue in the area and this is basically an attack to the local businesses. Adding parking meters will drive our traffic across the street which will HIGHLY impact the residents parking. This is an active community and they will all park across the street and create more cars circling small streets. This will be a bunch of empty parking spots and a waste of space. Sounds like a nice thank you from the city to a small business trying to clean up the community.	4/16/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Laura Hathaway	lrhathaway13@gmail.com						Olympix is one of the greatest assets to our community. People come to the gym to release stress, do something productive, and do something that has them leave the facility better than they walked in. Why would you want to punish/discourage people for trying to make a positive change in their lives.	4/16/2018

(District 3)	Maribel Mullery	grnibel417@msn.com						The addition of parking meters surrounding Olympix™s and Chuck™s will affect only those citizens that patronize the two surrounding businesses. As a member of the gym, I will now have to pay \$1+ per visit. I feel this is unfair to the citizens of Long Beach, as we already are paying some of the highest taxes in the country. It feels like you are targeting only those citizens that patronize the two businesses. Please consider not adding meters to the specific block as you are proposing.	4/16/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	John Andrews	yourpal32@hotmail.com						Interesting how folks start charging people more to live after the elections are over.. How will this benefit the area? How will the City attract further investment in the area by making it harder to draw anyone other than Drug addicts and Prostitutes?	4/16/2018

eComments Report for City Council Meeting Agenda of April 17, 2018

(District 3)	Eden Paul	edenpaulfitness@aol.com						Please do not discourage business, residents and patrons by implementing additional fees for parking. We want to encourage our community to embrace small businesses and strategies to service our community. Implementing metered parking in a congested area will only discourage use. We have 2 hours in place now for free! It's patrolled by the City already. Bummer that this has made it to the table. Way to take something positive and create a detractor.	4/16/2018
32. (18-0349) Recommendation to adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zones 31 and 32 to Monday through Sunday, excluding holidays, during the hours of 10:00 a.m. to 7:00 p.m., for a maximum of 2 hours and at a rate of \$0.75 per hour. (District 3)	Kurt Schneiter	kurt@maverickinvestments.com						No public meetings or public notice. Just found out Sunday@3pm. Public Works is trying to fix something that is not broken. Installing parking meters on Ocean Blvd only on the South Side of and Olympic Plaza targets local businesses' customers and will no doubt have unintended consequences such as: Frequent users of these targeted spaces will now look for a more affordable alternative which might be on residential side streets as well as further down Ocean Blvd towards the peninsula.	4/16/2018
