

Date: October 18, 2022
To: Honorable Mayor Garcia and Members of the City Council
From: Daryl Supernaw, Councilmember, Fourth District
Subject: **Transfer of Funds: Mothers Against Drunk Driving (MADD)**

RECOMMENDATION:

Increase appropriations in the General Fund Group in the City Manager Department by \$1,000, offset by the Fourth Council District One-time District Priority Funds transferred from the Citywide Activities Department to provide a contribution to Mothers Against Drunk Driving (MADD) for their annual Teen Influencer Summit; and,

Decrease appropriations in the General Fund Group in the Citywide Activities Department by \$1,000 to offset a transfer to the City Manager Department.

DISCUSSION:

MADD's mission is to end drunk driving, help fight drugged driving, support the victims of these violent crimes, and prevent underage drinking. On Saturday, October 29, 2022, MADD will be hosting its annual Teen Influencer Summit- a free educational event with youth-led workshops and community resources for parents and teens. This contribution will assist the organization in securing venue space accessible to Long Beach residents.

This matter has been reviewed by Budget Manager Grace H. Yoon on October 10, 2022.

FISCAL IMPACT:

This recommendation requests the City Manager to provide a contribution to Mothers Against Drunk Driving (MADD) for their annual Teen Influencer Summit. The total appropriation increase of \$1,000 in the General Fund Group in the City Manager Department will be offset by a decrease in appropriation of the Fourth Council District One-time District Priority Funds in the General Fund in the Citywide Activities Department. This recommendation is anticipated to require a minimal level of staff time beyond normal budgeted scope of duties and is expected to have minimal impact on existing City Council priorities.
