HONORABLE MAYOR AND CITY COUNCIL  
City of Long Beach  
California

## RECOMMENDATION:

Receive supporting documentation into the record, conclude the public hearing, and adopt a Resolution continuing the East Anaheim Street Parking and Business Improvement Area assessment for the period of October 1, 2017 through September 30, 2018; and, authorize the City Manager, or designee, to extend the agreement with the East Anaheim Street Business Alliance for a one-year term. (Districts 3, 4)

## DISCUSSION

The East Anaheim Street Business Alliance (EASBA) promotes and markets the commercial area along East Anaheim Street using funds generated through the assessment of businesses located in the East Anaheim Street Parking and Business Improvement Area (EASPBIA). The EASBA governs the assessment to be collected. To continue the assessment levy, State law requires that a public hearing be held on the proposed program and assessment. A copy of the Annual Report describing proposed assessments, activities and allocations is attached to the Resolution as Exhibit A.

The Annual Report describes boundaries, proposed activities and budgetary information, as well as the method and basis for continuation of the assessment. The Annual Report proposes no significant change in the boundaries, basis and method of levying the assessment, and no significant change in proposed activities.

At its September 19, 2017 meeting, the City Council approved Resolution No. RES-17-0097, granting approval of the Annual Report, declaring the intention of the City Council to levy the assessment, and set October 10, 2017 as the date of the public hearing. A hearing notice, including a copy of the Resolution, was published in local media.

State law provides that the City Council shall hear and consider all protests against the assessment, program, boundaries of the area, and/or any benefit zone as proposed in the Annual Report. State law further provides that protests may be made orally or in writing. Protests regarding the regularity or sufficiency of the proceedings shall be in writing. If written protests are received from area business owners representing greater than 50 percent of the proposed assessments, the City Council shall not levy the assessment. If protests in such quantity are directed against a specific portion of the program, the City Council shall eliminate that portion.

The Annual Report, transmitting the recommendations of the EASPBA Advisory Board, proposes the following assessment rates:

### **Method of Assessment**

Special benefit assessment of businesses operating within the area. The estimated 2017-2018 fiscal year revenue from business assessments is \$140,000. Assessments are calculated as follows:

- Type 1 Businesses: Retail, recreation and entertainment, and unique businesses shall pay annual assessment fees of:
  - Base Fee: \$300 per year, except that secondary licensees in these classes are exempt; and,
  - Employee Fee: \$15 per employee up to \$300 maximum.
- Type 2 Businesses: Service, vending, professional, wholesale, contractor, manufacturing and miscellaneous mobile businesses shall pay annual assessment fees of:
  - Base Fee: \$200 per year, except that secondary licensees in these classes shall pay a base fee of \$120; and,
  - Employee Fee: \$15 per employee up to \$300 maximum.
- Type 3 Businesses: Non-residential space rental businesses shall pay annual assessment fees of:
  - Base Fee: \$120 per year; and,
  - Employee Fee: not applicable.

Residential property rental is exempt from the assessment.

This matter was reviewed by Deputy City Attorney Amy R. Webber on September 27, 2017 and by Budget Analysis Officer Julissa José-Murray on September 14, 2017.

### TIMING CONSIDERATIONS

City Council action is requested on October 10, 2017, to allow purchase order and contract modifications to be completed so that FY 18 assessment transfers may be made as required by the Agreement of Funding with the EASBA.

### FISCAL IMPACT

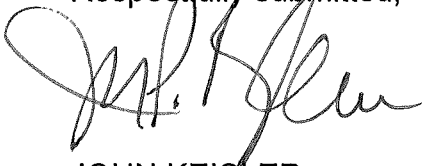

It is estimated that the EASPBA will generate \$140,000 in FY 18 through the proposed continuation of the assessment. Assessment funds are collected through additional fees attached to EASPBA business licenses. All revenues are passed directly through to the EASBA for implementation of annual programs. There is no local job impact associated with this recommendation.

**3. SERVICE PLAN AND BUDGET**

**a. The Year in Review**

On October 25, 2016, the membership voted to adopt amendments to the *Bylaws of East Anaheim Street Business Alliance* (see attached). The following is a summary of the amendments:

- Clarification of district boundary
- Clarification of purpose
- Clarification of General and Voluntary membership
- Annual Meeting of the Members to be held during first quarter of the fiscal year rather than in October

- Clarification of Board of Director terms
- Refinement of duties of the Officers
- Addition of Executive Director and their duties
- Clarification of Annual Election timeline
- Specification of either President, Treasurer, or Executive Director as the two signers on all checks

The organization participated in *Beach Streets*, a City of Long Beach event facilitated by the Special Events and Filming Department. EASBA received a \$5,000 grant and a committee made up of members was formed who disbursed the funding to member participants who offered a family-friendly activity. Twenty-one EASBA members participated in some fashion on this day in November. Leading up to the event a beach cruiser raffle was launched utilizing an online platform, marketed through social media, that helped grow the email distribution list to almost 3,000.

A small contingent of members participated in the Belmont Shore Christmas Parade, providing local exposure to the Zaferia area.

The Board of Directors undertook the lengthy process of reviewing and discussing the organization's mission statement and past marketing efforts and activities of the organization. This resulted in a succinct mission statement and established clear goals and objectives to reach those goals that will be reviewed on a regular basis:

*The mission of the East Anaheim Street Business Alliance is to promote, enhance, and represent the business members of the Zaferia district.*

**Goals:**

- Increase customers for members
- Improve cleanliness and enhance visual appeal of the district
- Create community and communication within the membership
- Increase the visibility of Zaferia with City of Long Beach business community

**Objectives:**

- Promote Zaferia / business recruitment
- Welcoming committee
- Lunch/breakfast program
- Shakespeare
- Involvement with City Hall
- Mixers
- Education resource
- Parade
- Sidewalk cleaning
- Committees:
  - Urban Design
  - Business Recruitment
  - Welcoming Committee

During fiscal year 2016-2017 the Board of Directors continued with its rebranding efforts that began the previous fiscal year with the approval of a new logo using the historical name of Zaferia. To aid in public awareness of the district, a social media marketing firm has been contracted to provide expertise with the online platforms of Facebook, Twitter, Pinterest, and Instagram. (See *Social Media Summary November 2016 – June 2017*, attached.)

Power washing of the E. Anaheim St. sidewalks has been increased. The two-times per year contract that was in place for several years was terminated and the Conservation Corps of Long Beach was hired to perform this task on a weekly basis. The Conservation Corps of Long Beach also continues to perform trash and debris cleanup weekly and flyer distribution as needed. (See *CCLB Yearly Stats November 2016 – June 2017*, attached.)

The Board also approved for funds not expended on a winter or spring event to help to underwrite district/group advertising in the *Travel Host Beach Cities* quarterly magazine (see attached), as well as the *Grunion Gazette* (currently in process).

The lunch program and quarterly breakfast program continued. Both are open to members and the public free of charge. We had speakers from various City of Long Beach Departments, the East Division of the Police Department, 3<sup>rd</sup> and 4<sup>th</sup> District Councilmembers Suzy Price and Daryl Supernaw, The Port of Long Beach, small business lenders, and a training on social media to help your business grow. Mayor Robert Garcia was the guest speaker at the July 25 Quarterly Breakfast along with Craig Beck of the Public Works Department to present information on the Pedestrian Safety Grant obtained for improvements to public safety on the Anaheim corridor.

On July 15, EASBA contracted with the non-profit Long Beach Playhouse and provided a free and open to the public *Shakespeare in the Park Festival* (see attached) at the Recreation Park Band Shell stage. Some members participated either by selling food or retail items. A coupon page for summertime deals offered by business members was distributed to all in attendance, along with Zaferia business information.

#### b. The Year Ahead

EASBA will continue with providing cleaning services to the common areas of the District with sidewalk cleaning and litter/debris removal. EASBA intends to focus much of its efforts in 2017 – 2018 on marketing the vast variety of services, restaurants, bars, and retail, to the Long Beach residents, particularly those in the immediate neighborhoods. EASBA will continue to make improvements to the website [www.Zaferia.org](http://www.Zaferia.org) with the goal of increasing visitors to learn more about our area. The Board of Directors will take under consideration the changing the name of the organization to include “Zaferia” to better represent all of its members. The Urban Design Committee will participate to the greatest extent possible in the discussions surrounding the Pedestrian Safety Grant secured by the City for the E. Anaheim corridor. We hope to have greater participation in the Belmont Shore Christmas Parade, and aim to refresh the District-wide pole light banners.

#### c. Budget

Based on the information provided by the City of Long Beach, the annual revenue for the EASBA assessment is \$168,000, of which \$28,000 is uncollectable. The following are the major budgeted

expense categories for the 2017-2018 fiscal year (see complete budget details, attached):

All businesses in the District will benefit from these improvements and will be assessed according to the fee schedule as outlined above under Section 1, Subsection c.

##### b. CPI Adjustments

The assessment may be increased each year to reflect the annual change in the Consumer Price Index for All Urban Consumers in Los Angeles-Riverside-Orange County. The annual increase shall not exceed three percent (3%) of the previous year's assessment. The Annual Consumer Price Index variance will be calculated in March and applied in July of each year. # DESTINATION ZAFERIA

*In the heart of Long Beach.*

Zaferia is a vibrant area with a unique personality and a degree of edginess that sets it apart from other business districts in Long Beach. Zaferia has a history of attracting entrepreneurial risk-takers, going back to its original business inhabitants of the early and mid-1900's. Established by visionaries, Zaferia still consists of eclectic business owners who want the freedom to succeed.

The East Anaheim corridor serves as the main artery of Long Beach and Zaferia is located in the heart of the City. Zaferia offers lively bars—pub style, college style, sports bars, beer, wine, cocktails and live music; distinct restaurants—serving up Thai, Italian, Irish, American, Mexican, Cuban, Caribbean, Middle Eastern, seafood, baked goods, burgers and fast food; and celebrates the human experience with dramatic and comedic performances Fridays, Saturdays and Sundays in our landmark theater, the Long Beach Playhouse, since 1929. Zaferia retailers provide diverse offerings, such as antiques, art, clothing, textiles, glass and crafts, and notable design services in the only 'design district' in Long Beach.

In the heart of Long Beach, Zaferia is close to all points north, south, east and west, and close to you!
