

CONTRACT

30126

THIS CONTRACT is made and entered, in duplicate, as of May 7, 2007 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting held on April 3, 2007 by and between SILVIA CONSTRUCTION, INC., a California corporation, whose address is 9007 Center Avenue, Rancho Cucamonga, California 91730-5311 ("Contractor"), and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, pursuant to a "Notice Inviting Bids for the Improvement of Walnut Avenue Between 10th Street and Pacific Coast Highway in the City of Long Beach, California," dated March 7, 2007, and published by City, bids were received, publicly opened and declared on the date specified in said Notice; and

WHEREAS, the City Manager accepted the bid of Contractor; and

WHEREAS, the City Council authorized the City Manager to enter a contract with Contractor for the work described in Plans & Specifications No. R-6709;

NOW, THEREFORE, in consideration of the mutual terms and conditions herein, the parties agree as follows:

1. SCOPE OF WORK. Contractor shall furnish all necessary labor, supervision, tools, materials, supplies, appliances, equipment and transportation for the work described in "Plans & Specifications No. R-6709 for the Improvement of Walnut Avenue Between 10th Street and Pacific Coast Highway in the City of Long Beach, California," said work to be performed according to the Contract Documents identified below. However, this Contract is intended to provide to City complete and finished work and, to that end, Contractor shall do everything necessary to complete the work, whether or not specifically described in the Contract Documents.

2. PRICE AND PAYMENT. City shall pay to Contractor the amount(s) for materials and work identified in Contractor's "Bid for the Improvement of Walnut Avenue Between 10th Street and Pacific Coast Highway in the City of Long Beach,

OFFICE OF THE CITY ATTORNEY
ROBERT E. SHANNON, City Attorney
333 West Ocean Boulevard, 11th Floor
Long Beach, CA 90802-4664

1 California," attached hereto as Exhibit "A".

2 Contractor shall submit requests for progress payments and City will make
3 payments in due course of payments in accordance with Section 9 of the Standard
4 Specifications for Public Works Construction (latest edition).

5 3. CONTRACT DOCUMENTS. The Contract Documents include: The
6 Notice Inviting Bids, Plans & Specifications No. R-6709 (which may include by reference
7 the Standard Specifications for Public Works Construction, latest edition, and any
8 supplements thereto, collectively the "Standard Specifications"); the City of Long Beach
9 Standard Plans; Plans and Drawings No. C-5675 for this work; the California Code of
10 Regulations; the various Uniform Codes applicable to trades; the prevailing wage rates;
11 Instructions to Bidders; the Bid; the bid security; the City of Long Beach Disadvantaged,
12 Minority and Women-Owned Business Enterprise Program; this Contract and all
13 documents attached hereto or referenced herein including but not limited to insurance;
14 Bond for Faithful Performance; Payment Bond; Notice to Proceed; Notice of Completion;
15 any addenda or change orders issued in accordance with the Standard Specifications;
16 any permits required and issued for the work; approved final design drawings and
17 documents; and the Information Sheet. These Contract Documents are incorporated
18 herein by the above reference and form a part of this Contract.

19 Notwithstanding Section 2-5.2 of the Standard Specifications, if any conflict
20 or inconsistency exists or develops among or between Contract Documents, the following
21 priority shall govern: 1) Change Orders; 2) this Contract; 3) Permit(s) from other public
22 agencies; 4) Plans & Specifications No. R-6709; 5) Addenda; 6) Plans and Drawings No.
23 C-5675; 7) the City of Long Beach Standard Plans; 8) Standard Specifications; 9) other
24 reference specifications; 10) other reference plans; 11) the bid; and 12) the Notice
25 Inviting Bids.

26 4. TIME FOR CONTRACT. Contractor shall commence work on a date
27 to be specified in a written "Notice to Proceed" from City and shall complete all work
28 within forty-five (45) working days thereafter, subject to strikes, lockouts and events

1 beyond the control of Contractor. Time is of the essence hereunder. City will suffer
2 damage if the work is not completed within the time stated, but those damages would be
3 difficult or impractical to determine. So, Contractor shall pay to City, as liquidated
4 damages, the amount stated in the Contract Documents.

5 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
6 acceptance of any work or the payment of any money by City shall not operate as a
7 waiver of any provision of any Contract Document, of any power reserved to City, or of
8 any right to damages or indemnity hereunder. The waiver of any breach or any default
9 hereunder shall not be deemed a waiver of any other or subsequent breach or default.

10 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently
11 herewith, Contractor shall submit certification of Workers' Compensation coverage in
12 accordance with California Labor Code Sections 1860 and 3700, a copy of which is
13 attached hereto as Exhibit "B".

14 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time
15 upon City by Contractor for and on account of any extra or additional work performed or
16 materials furnished, unless such extra or additional work or materials shall have been
17 expressly required by the City Manager and the quantities and price thereof shall have
18 been first agreed upon, in writing, by the parties hereto.

19 8. CLAIMS. Contractor shall, upon completion of the work, deliver
20 possession thereof to City ready for use and free and discharged from all claims for labor
21 and materials in doing the work and shall assume and be responsible for, and shall
22 protect, defend, indemnify and hold harmless City from and against any and all claims,
23 demands, causes of action, liability, loss, costs or expenses for injuries to or death of
24 persons, or damages to property, including property of City, which arises from or is
25 connected with the performance of the work.

26 9. INSURANCE. Prior to commencement of work, and as a condition
27 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence
28 of all insurance required in the Contract Documents.

1 In addition, Contractor shall complete and deliver to City the form
2 ("Information Sheet") attached as Exhibit "C" and incorporated by reference, to comply
3 with Labor Code Section 2810.

4 10. WORK DAY. Contractor shall comply with Sections 1810 through
5 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a
6 penalty to City, the sum of Twenty-five Dollars (\$25) for each worker employed by
7 Contractor or any subcontractor for each calendar day such worker is required or
8 permitted to work more than eight (8) hours unless that worker receives compensation in
9 accordance with Section 1815.

10 11. PREVAILING WAGE RATES. Contractor is directed to the
11 prevailing wage rates. Contractor shall forfeit, as a penalty to the City, Fifty Dollars (\$50)
12 for each laborer, worker or mechanic employed for each calendar day, or portion thereof,
13 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any
14 work done by Contractor, or any subcontractor, under this Contract.

15 12. COORDINATION WITH GOVERNMENTAL REGULATIONS. If the
16 work is terminated pursuant to an order of any Federal or State authority, Contractor shall
17 accept as full and complete compensation under this Contract such amount of money as
18 will equal the product of multiplying the Contract price stated herein by the percentage of
19 work completed by Contractor as of the date of such termination, and for which
20 Contractor has not been paid. If the work is so terminated, the City Engineer, after
21 consultation with Contractor, shall determine the percentage of work completed and the
22 determination of the City Engineer shall be final.

23 If Contractor is prevented, in any manner, from strict compliance with the
24 Plans and Specifications due to any Federal or State law, rule or regulation, in addition to
25 all other rights and remedies reserved to the parties City may by resolution of the City
26 Council suspend performance hereunder until the cause of disability is removed, extend
27 the time for performance, make changes in the character of the work or materials, or
28 terminate this Contract without liability to either party.

1 13. NOTICES. A. Any notice required hereunder shall be in writing and
2 personally delivered or deposited in the U.S. Postal Service, first class, postage prepaid,
3 to Contractor at the address first stated herein, and to the City at 333 West Ocean
4 Boulevard, Long Beach, California 90802, Attn: City Manager. Notice of change of
5 address shall be given in the same manner as stated herein for other notices. Notice
6 shall be deemed given on the date deposited in the mail or on the date personal delivery
7 is made, whichever first occurs.

8 B. Except for stop notices and claims made under the Labor Code, City will
9 notify Contractor when City receives any third party claims relating to this Contract in
10 accordance with Section 9201 of the Public Contract Code.

11 14. BONDS. Contractor shall, simultaneously with the execution of this
12 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the
13 form attached hereto and in the amount specified therein, conditioned upon the faithful
14 performance of this Contract by Contractor, and a good and sufficient corporate surety
15 bond, in the form attached hereto and in the amount specified therein, conditioned upon
16 the payment of all labor and material claims incurred in connection with this Contract.

17 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor
18 any of the moneys that may become due Contractor hereunder may be assigned by
19 Contractor without the written consent of City first had and obtained, nor will City
20 recognize any subcontractor as such, and all persons engaged in the work of
21 construction will be considered as independent contractors or agents of Contractor and
22 will be held directly responsible to Contractor.

23 16. CERTIFIED PAYROLL RECORDS. Contractor shall keep and
24 cause each subcontractor to keep an accurate payroll record in accordance with Division
25 2, Part 7, Article 2 of the California Labor Code. Contractor's failure to furnish such
26 record to City in the manner provided herein for notices shall entitle City to withhold the
27 penalty prescribed by law from progress payments due to Contractor.

28 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to

1 the contrary in the Standard Specifications, Contractor shall have the responsibility, care
2 and custody of the work. If any loss or damage occurs to the work that is not covered by
3 collectible commercial insurance, excluding loss or damage caused by earthquake or
4 flood or the negligence or willful misconduct of City, then Contractor shall immediately
5 make the City whole for any such loss or pay for any damage. If Contractor fails or
6 refuses to make the City whole or pay, then City may do so and the cost and expense of
7 doing so shall be deducted from the amount due Contractor from City hereunder.

8 18. CONTINUATION. Termination or expiration of this Contract shall not
9 terminate the rights or liabilities of either party which rights or liabilities accrued or existed
10 prior to termination or expiration of this Contract.

11 19. TAXES AND TAX REPORTING. A. As required by federal and
12 state law, City is obligated to report the payment of compensation to Contractor on Form
13 1099-Misc. and Contractor acknowledges that Contractor is not entitled to payment under
14 this Contract until it has provided its Employer Identification Number to City. Contractor
15 shall be solely responsible for payment of all federal and state taxes resulting from
16 payments under this Contract.

17 B. Contractor shall cooperate with City in all matters relating to taxation
18 and the collection of taxes, particularly with respect to the self-accrual of use tax.
19 Contractor shall cooperate as follows: (i) for all leases and purchases of materials,
20 equipment, supplies, or other tangible personal property totaling over \$100,000 shipped
21 from outside California, a qualified Contractor shall complete and submit to the
22 appropriate governmental entity the form in Appendix "A" attached hereto; and (ii) for
23 construction contracts and subcontracts totaling \$5,000,000 or more, Contractor shall
24 obtain a sub-permit from the California Board of Equalization for the Work site.
25 "Qualified" means that the Contractor purchased at least \$500,000 in tangible personal
26 property that was subject to sales or use tax in the previous calendar year.

27 In completing the form and obtaining the permit(s), Contractor shall use the
28 address of the Work site as its business address and may use any address for its mailing

1 address. Copies of the form and permit(s) shall also be delivered to the City Engineer.
2 The form must be submitted and the permit(s) obtained as soon as Contractor receives a
3 Notice to Proceed. Contractor shall not order any materials or equipment over \$100,000
4 from vendors outside California until the form is submitted and the permit(s) obtained
5 and, if Contractor does so, it shall be a material breach of this Contract. In addition,
6 Contractor shall make all purchases from the Long Beach sales office of its vendors if
7 those vendors have a Long Beach office and all purchases made by Contractor under
8 this Contract which are subject to use tax of \$500,000 or more shall be allocated to the
9 City of Long Beach. Contractor shall require the same form and permit(s) from its
10 subcontractors.

11 Contractor shall not be entitled to and by signing this Contract waives any
12 claim or damages for delay against City if Contractor does not timely submit these forms
13 to the appropriate governmental entity. Contractor may contact the City Controller at
14 (562) 570-6450 for assistance with the form.

15 20. ADVERTISING. Contractor shall not use the name of City, its
16 officials or employees in any advertising or solicitation for business, nor as a reference,
17 without the prior approval of the City Manager, City Engineer or designee.

18 21. AUDIT. If payment of any part of the consideration for this Contract
19 is made with federal, state or county funds and a condition to the use of those funds by
20 City is a requirement that City render an accounting or otherwise account for said funds,
21 then City shall have the right at all reasonable times to examine, audit, inspect, review,
22 extract information from, and copy all books, records, accounts and other information
23 relating to this Contract.

24 22. NO PECULIAR RISK. Contractor acknowledges and agrees that the
25 work to be performed hereunder does not constitute a peculiar risk of bodily harm and
26 that no special precautions are required to perform said work.

27 23. THIRD PARTY BENEFICIARY. This Contract is intended by the
28 parties to benefit themselves only and is not in any way intended or designed to or

1 entered for the purpose of creating any benefit or right of any kind for any person or entity
2 that is not a party to this Contract.

3 24. SUBCONTRACTORS. Contractor agrees to and shall bind every
4 subcontractor to the terms of this Contract; provided, however, that nothing herein shall
5 create any obligation on the part of City to pay any subcontractor except in accordance
6 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply
7 with this Section shall be deemed a material breach of this Contract. A list of
8 subcontractor(s) submitted by Contractor in compliance with Public Contract Code
9 Sections 4100 et seq. is attached hereto as Exhibit "D" and incorporated herein by this
10 reference.

11 25. NO DUTY TO INSPECT. No language in this Contract shall create
12 and City shall not have any duty to inspect, correct, warn of or investigate any condition
13 arising from Contractor's work hereunder, or to insure compliance with laws, rules or
14 regulations relating to said work. If City does inspect or investigate, the results thereof
15 shall not be deemed compliance with or a waiver of any requirements of the Contract
16 Documents.

17 26. GOVERNING LAW. This Contract shall be governed by and
18 construed pursuant to the laws of the State of California (except those provisions of
19 California law pertaining to conflicts of laws).

20 27. INTEGRATION. This Contract, including the Contract Documents
21 identified in Section 3 hereof, constitutes the entire understanding between the parties
22 and supersedes all other agreements, oral or written, with respect to the subject matter
23 herein.

24 28. COSTS. If there is any legal proceeding between the parties to
25 enforce or interpret this Contract or to protect or establish any rights or remedies
26 hereunder, the prevailing party shall be entitled to its costs, including reasonable
27 attorney's fees.

28 29. NONDISCRIMINATION. In connection with performance of this

1 Contract and subject to federal laws, rules and regulations, Contractor shall not
2 discriminate in employment or in the performance of this Contract on the basis of race,
3 religion, national origin, color, age, sex, sexual orientation, AIDS, HIV status, handicap or
4 disability. It is the policy of the City to encourage the participation of Disadvantaged,
5 Minority and Women-Owned Business Enterprises, and the City encourages Contractor
6 to use its best efforts to carry out this policy in the award of all subcontracts.

7 30. DEFAULT. Default shall include but not be limited to Contractor's
8 failure to perform in accordance with the Plans and Specifications, failure to comply with
9 any Contract Document, failure to pay any penalties, fines or charges assessed against
10 Contractor by any public agency, failure to pay any charges or fees for services
11 performed by the City, and if Contractor has substituted any security in lieu of retention,
12 then default shall also include City's receipt of a stop notice. If default occurs and
13 Contractor has substituted any security in lieu of retention, then in addition to City's other
14 legal remedies, City shall have the right to draw on the security in accordance with Public
15 Contract Code Section 22300 and without further notice to Contractor. If default occurs
16 and Contractor has not substituted any security in lieu of retention, then City shall have
17 all legal remedies available to it.

**USE TAX DIRECT PAYMENT PERMIT
(General Information and Filing Instructions)**

Revenue and Taxation Code Section 7051.3 authorizes the State Board of Equalization to issue a "Use Tax Direct Payment Permit" to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of Section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a use tax direct payment exemption certificate which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a use tax direct payment permit, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:

Use Tax Direct Payment Exemption Certificate

I hereby certify that I hold use tax direct payment permit No. _____ issued pursuant to California Sales and Use Tax Law Section 7051.3 and that I am authorized to report and pay directly to the State the applicable use tax with respect to the property described herein which I shall purchase from:

(Name of Vendor)

(Address of Vendor)

In the event that I fail to timely report and pay the applicable tax to the State, I understand and agree that in addition to the tax liability, I will be liable for applicable interest and the amount due may be subject to penalties.

Description of property to be purchased:

Purchaser: _____ Date certificate given: _____

Signature and Title of Purchaser or Authorized Agent: _____

IMPORTANT NOTICE TO VENDORS

This exemption certificate when timely taken in good faith from a person who holds a use tax direct payment permit relieves a vendor from the requirement to collect and remit USE TAX on sales or leases of tangible personal property (other than leases of motor vehicles subject to the terms of Section 7205.1 of the Sales and Use Tax Law) to the person who issued the certificate. It does NOT relieve a vendor of any SALES TAX obligations. Generally, this certificate should be accepted only by out-of-state vendors or by lessors of tangible personal property other than motor vehicle lessors. Sellers can claim a deduction on their sales and use tax returns for any sales made under this certificate.

Vendors must retain a completed copy of this certificate in their files for a period of not less than four years to substantiate the exempt status of sales made under its authority.

This Exemption Certificate has been approved by the California State Board of Equalization.
