46. (17-0668) Recommendation to conduct a Budget Hearing to receive and discuss an overview of the Proposed Fiscal Year 2018 Budget for the following Departments: Police and Fire.	GLENNIS DOLCE	glennisd@mac.com			Long Beach	CA	90807	Regarding the public safety portion of the 2018 budget, I would like to know why you are counting 28 officers ads "new or additional" into your figures when these officers will be devoted to Metroline? Is the City not being compensated for the costs associated to this contracting? How can you in all good conscience call these officers an "addition"? Please, someone behind the rail speak to this! Also, count me as one more who does not appreciate your new accounting system of revenue figuring!	8/8/2017
