<p>26. (17-0506) Recommendation to request City Attorney to draft an ordinance to regulate elevator repairs related to equipment failure. This ordinance should include verbiage that requires repairs due to equipment failure be completed within 7 days for residential and commercial buildings that house or serve seniors, people living with disabilities, and/or people with health conditions that make it difficult to navigate stairwells, and 14 days for all additional residential and commercial buildings;</p> <p>Request City Manager, or designee, to report within 120 days:</p> <p>a. A report of current elevator code enforcement procedures, number of violations for elevator failures due to faulty equipment, the initial number of days granted to repair and any extensions granted.</p> <p>b. Incentives for property owners with elevators to modernize equipment.</p> <p>c. Policy recommendations for hardship reimbursements to disabled persons who spend money on medical and quality of life services during the time an elevator is out of service.</p>	Deaka McClain	dpolitician@yahoo.com			Long Beach	CA	90815	<p>Hello my name is Deaka McClain I am a resident of the wonderful City of Long Beach, even though I live in District 5 I wanted to speak on this issue because this affects all people with disabilities and seniors that live in Long Beach no matter what district they live in I also am honored to sit on the Citizens Advisory Commission on Disabilities. I would like to thank Councilwoman Lena Gonzalez for bringing this issue forward, due to the Reliable Elevator Ordinance our voices are alive.</p>	6/20/2017
