

1 RESOLUTION NO. RES-07-0083

2
3 A RESOLUTION OF THE CITY COUNCIL OF THE
4 CITY OF LONG BEACH ADOPTING MITIGATED NEGATIVE
5 DECLARATION ND-11-06 FOR THE BELMONT PIER BOAT
6 MOORING PROJECT
7

8 WHEREAS, the City prepared a Draft Initial Study/Mitigated Negative
9 Declaration dated October 16, 2006, which reflected the independent judgment of the
10 City as to the potential environmental impacts of the Project. The Draft Initial
11 Study/Mitigated Negative Declaration was circulated for the required 30 days for public
12 review and comment from October 25, 2006 to November 24, 2006, and thereafter the
13 Mitigated Negative Declaration was circulated for a thirty day comment period from
14 October 25, 2006 to November 24, 2006, and further re-circulated between March 23,
15 2007 and April 11, 2007; and

16 WHEREAS, on May 3, 2007, the Planning Commission held a properly
17 noticed public hearing on the Belmont Pier Boat Mooring Project at which time all
18 interested parties had the opportunity to present evidence and be heard. Thereafter, the
19 Planning Commission certified the Negative Declaration as being compliant with the
20 California Environmental Quality Act (CEQA) and the matter was subsequently appealed
21 to the City Council for its review and determination.

22 WHEREAS, on June 19, 2007, the City Council held a properly noticed
23 public hearing on the Belmont Pier Boat Mooring Project at which time all interested
24 parties had the opportunity to present evidence and be heard; and

25 WHEREAS, the City has incorporated public comments and revisions, if
26 any, to the Initial Study/Mitigated Negative Declaration; and

27 NOW, THEREFORE, the City Council of the City of Long Beach does
28 hereby find, determine and resolve:

1 Section 1. The City Council has reviewed and considered the Negative
2 Declaration on the Project, together with any comments received during the public review
3 process, prior to acting on the Project.

4 Section 2. The City Council finds that, based on the whole record before
5 it, including the Negative Declaration and any comments received, there is no substantial
6 evidence that the Project will have a significant effect on the environment, and that the
7 Negative Declaration reflects the City's independent judgment and analysis. Therefore,
8 the City Council hereby approves the Negative Declaration.

9 Section 3. Consistent with Public Resources Code Section
10 21081.6(a)(2), the documents which constitute the record of proceedings for approving
11 this project are located in the Planning and Building Department. Planning Bureau,
12 Advance Planning Division, 333 W. Ocean Blvd., 5th Floor, Long Beach, CA 90802. The
13 custodian of these records is Angela Reynolds, Advance Planning Officer, in the Advance
14 Planning Division of the Planning and Building Department.

15 Section 4. This resolution shall take effect immediately upon its adoption
16 by the City Council, and the City Clerk shall certify the vote adopting this resolution.
