THIS CONTRACT is made and entered, in duplicate, as of October 8, 2013 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting held on October 1, 2013, by and between NOBEST INCORPORATED, a California corporation ("Contractor"), whose address is 7600 Acacia Avenue, Garden Grove, California 92841, and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, pursuant to a "Notice Inviting Bids for Improvements on Long Beach Boulevard between Hill Street and Willow Street in the City of Long Beach, California," dated August 8, 2013, and published by City, bids were received, publicly opened and declared on the date specified in said Notice; and

WHEREAS, the City Manager accepted the bid of Contractor; and

WHEREAS, the City Council authorized the City Manager to enter a contract with Contractor for the work described in Project Plans and Specifications No. R-6769;

NOW, THEREFORE, in consideration of the mutual terms and conditions herein, the parties agree as follows:

1. SCOPE OF WORK. Contractor shall furnish all necessary labor, supervision, tools, materials, supplies, appliances, equipment and transportation for the work described in "Project Plans and Specifications No. R-6769 for Improvements on Long Beach Boulevard between Hill Street and Willow Street in the City of Long Beach, California," said work to be performed according to the Contract Documents identified below. However, this Contract is intended to provide to City complete and finished work and, to that end, Contractor shall do everything necessary to complete the work, whether or not specifically described in the Contract Documents.

2. PRICE AND PAYMENT.

A. City shall pay to Contractor the amount(s) for materials and

1 work identified in Contractor's "Bid for Improvements on Long Beach Boulevard
2 between Hill Street and Willow Street in the City of Long Beach, California,"
3 attached hereto as Exhibit "A".

4 B. Contractor shall submit requests for progress payments and
5 City will make payments in due course of payments in accordance with Section 9
6 of the Standard Specifications for Public Works Construction (latest edition).

7 3. CONTRACT DOCUMENTS.

8 A. The Contract Documents include: The Notice Inviting Bids,
9 Project Specifications No. R-6769 (which may include by reference the Standard
10 Specifications for Public Works Construction, latest edition, and any supplements
11 thereto, collectively the "Standard Specifications"); the City of Long Beach
12 Standard Plans; the California Code of Regulations; the various Uniform Codes
13 applicable to trades; the prevailing wage rates; Instructions to Bidders; the Bid; the
14 bid security; the City of Long Beach Disadvantaged, Minority and Women-Owned
15 Business Enterprise Program; this Contract and all documents attached hereto or
16 referenced herein including but not limited to insurance; Bond for Faithful
17 Performance; Payment Bond; Notice to Proceed; Notice of Completion; any
18 addenda or change orders issued in accordance with the Standard Specifications;
19 any permits required and issued for the work; approved final design drawings and
20 documents; and the Information Sheet. These Contract Documents are
21 incorporated herein by the above reference and form a part of this Contract.

22 B. Notwithstanding Section 2-5.2 of the Standard Specifications,
23 if any conflict or inconsistency exists or develops among or between Contract
24 Documents, the following priority shall govern: 1) Permit(s) from other public
25 agencies; 2) Change Orders; 3) this Contract (including any and all amendments
26 hereto); 4) Addenda (which shall include written clarifications, corrections and
27 changes to the bid documents and other types of written notices issued prior to bid
28 opening; 5) Project Specifications; 6) Project Plans (including drawings); 7) the

1 City of Long Beach Standard Plans; 8) Standard Specifications (as identified in
2 Section 3.A. hereof, the "Greenbook"); 9) other reference specifications; 10)
3 other reference plans; 11) the bid; and 12) the Notice Inviting Bids.

4 4. TIME FOR CONTRACT. Contractor shall commence work on a date
5 to be specified in a written "Notice to Proceed" from City and shall complete all work
6 within sixty (60) working days thereafter, subject to strikes, lockouts and events beyond
7 the control of Contractor. Time is of the essence hereunder. City will suffer damage if
8 the work is not completed within the time stated, but those damages would be difficult or
9 impractical to determine. So, Contractor shall pay to City, as liquidated damages, the
10 amount stated in the Contract Documents.

11 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
12 acceptance of any work or the payment of any money by City shall not operate as a
13 waiver of any provision of any Contract Document, of any power reserved to City, or of
14 any right to damages or indemnity hereunder. The waiver of any breach or any default
15 hereunder shall not be deemed a waiver of any other or subsequent breach or default.

16 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently
17 herewith, Contractor shall submit certification of Workers' Compensation coverage in
18 accordance with California Labor Code Sections 1860 and 3700, a copy of which is
19 attached hereto as Exhibit "B".

20 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time
21 upon City by Contractor for and on account of any extra or additional work performed or
22 materials furnished, unless such extra or additional work or materials shall have been
23 expressly required by the City Manager and the quantities and price thereof shall have
24 been first agreed upon, in writing, by the parties hereto.

25 8. CLAIMS. Contractor shall, upon completion of the work, deliver
26 possession thereof to City ready for use and free and discharged from all claims for labor
27 and materials in doing the work and shall assume and be responsible for, and shall
28 protect, defend, indemnify and hold harmless City from and against any and all claims,

1 demands, causes of action, liability, loss, costs or expenses for injuries to or death of
2 persons, or damages to property, including property of City, which arises from or is
3 connected with the performance of the work.

4 9. INSURANCE. Prior to commencement of work, and as a condition
5 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence
6 of all insurance required in the Contract Documents.

7 In addition, Contractor shall complete and deliver to City the form
8 (“Information Sheet”) attached as Exhibit “C” and incorporated by reference, to comply
9 with Labor Code Section 2810.

10 10. WORK DAY. Contractor shall comply with Sections 1810 through
11 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a
12 penalty to City, the sum of Twenty-Five Dollars (\$25) for each worker employed by
13 Contractor or any subcontractor for each calendar day such worker is required or
14 permitted to work more than eight (8) hours unless that worker receives compensation in
15 accordance with Section 1815.

16 11. PREVAILING WAGE RATES. Contractor is directed to the
17 prevailing wage rates. Contractor shall forfeit, as a penalty to the City, Two Hundred
18 Dollars (\$200) for each laborer, worker or mechanic employed for each calendar day, or
19 portion thereof, that such laborer, worker or mechanic is paid less than the prevailing
20 wage rates for any work done by Contractor, or any subcontractor, under this Contract.

21 12. COORDINATION WITH GOVERNMENTAL REGULATIONS.

22 A. If the work is terminated pursuant to an order of any Federal
23 or State authority, Contractor shall accept as full and complete compensation
24 under this Contract such amount of money as will equal the product of multiplying
25 the Contract price stated herein by the percentage of work completed by
26 Contractor as of the date of such termination, and for which Contractor has not
27 been paid. If the work is so terminated, the City Engineer, after consultation with
28 Contractor, shall determine the percentage of work completed and the

B. If Contractor is prevented, in any manner, from strict compliance with the Plans and Specifications due to any Federal or State law, rule or regulation, in addition to all other rights and remedies reserved to the parties City may by resolution of the City Council suspend performance hereunder until the cause of disability is removed, extend the time for performance, make changes in the character of the work or materials, or terminate this Contract without liability to either party.

13. NOTICES.

A. Any notice required hereunder shall be in writing and personally delivered or deposited in the U.S. Postal Service, first class, postage prepaid, to Contractor at the address first stated herein, and to the City at 333 West Ocean Boulevard, Long Beach, California 90802, Attn: City Manager. Notice of change of address shall be given in the same manner as stated herein for other notices. Notice shall be deemed given on the date deposited in the mail or on the date personal delivery is made, whichever first occurs.

B. Except for stop notices and claims made under the Labor Code, City will notify Contractor when City receives any third party claims relating to this Contract in accordance with Section 9201 of the Public Contract Code.

14. BONDS. Contractor shall, simultaneously with the execution of this Contract, execute and deliver to City a good and sufficient corporate surety bond, in the form attached hereto and in the amount specified therein, conditioned upon the faithful performance of this Contract by Contractor, and a good and sufficient corporate surety bond, in the form attached hereto and in the amount specified therein, conditioned upon the payment of all labor and material claims incurred in connection with this Contract.

15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor any of the moneys that may become due Contractor hereunder may be assigned by Contractor without the written consent of City first had and obtained, nor will City

1 recognize any subcontractor as such, and all persons engaged in the work of
2 construction will be considered as independent contractors or agents of Contractor and
3 will be held directly responsible to Contractor.

4 16. CERTIFIED PAYROLL RECORDS.

5 A. Contractor shall keep and shall cause each subcontractor
6 performing any portion of the work under this Contract to keep an accurate payroll
7 record, showing the name, address, social security number, work classification,
8 straight time and overtime hours worked each day and week, and the actual per
9 diem wages paid to each journeyman, apprentice, worker, or other employee
10 employed by Contractor or subcontractor in connection with the work, all in
11 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such
12 payroll records for Contractor and all subcontractors shall be certified and shall be
13 available for inspection at all reasonable hours at the principal office of Contractor
14 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure
15 to furnish such records to City in the manner provided herein for notices shall
16 entitle City to withhold the penalty prescribed by law from progress payments due
17 to Contractor.

18 B. Upon completion of the work, Contractor shall submit to the
19 City certified payroll records for Contractor and all subcontractors performing any
20 portion of the work under this Contract. Certified payroll records for Contractor
21 and all subcontractors shall be maintained during the course of the work and shall
22 be kept by Contractor for up to three (3) years after completion of the work.

23 C. The foregoing is in addition to, and not in lieu of, any other
24 requirements or obligations established and imposed by any department of the
25 City with regard to submission and retention of certified payroll records for
26 Contractor and subcontractors.

27 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to
28 the contrary in the Standard Specifications, Contractor shall have the responsibility, care

1 and custody of the work. If any loss or damage occurs to the work that is not covered by
2 collectible commercial insurance, excluding loss or damage caused by earthquake or
3 flood or the negligence or willful misconduct of City, then Contractor shall immediately
4 make the City whole for any such loss or pay for any damage. If Contractor fails or
5 refuses to make the City whole or pay, then City may do so and the cost and expense of
6 doing so shall be deducted from the amount due Contractor from City hereunder.

7 18. CONTINUATION. Termination or expiration of this Contract shall not
8 terminate the rights or liabilities of either party which rights or liabilities accrued or existed
9 prior to termination or expiration of this Contract.

10 19. TAXES AND TAX REPORTING.

11 A. As required by federal and state law, City is obligated to and
12 will report the payment of compensation to Contractor on Form 1099-Misc.

14 resulting from payments under this Contract. Contractor shall submit Contractor's
15 Employer Identification Number (EIN), or Contractor's Social Security Number if
16 Contractor does not have an EIN, in writing to City's Accounts Payable,

3 C. Contractor shall create and operate a buying company, as
4 defined in State of California Board of Equalization Regulation 1699, subpart (h),
5 in City if Contractor will purchase over \$10,000 in tangible personal property
6 subject to California sales and use tax.

9 address for its mailing address. Copies of the form and permit(s) shall also be
10 delivered to the City Engineer. The form must be submitted and the permit(s)
11 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not
12 order any materials or equipment over \$100,000 from vendors outside California
13 until the form is submitted and the permit(s) obtained and, if Contractor does so, it
14 shall be a material breach of this Contract. In addition, Contractor shall make all

16 Long Beach office and all purchases made by Contractor under this Contract
17 which are subject to use tax of \$500,000 or more shall be allocated to the City of

13 that is not a party to this Contract.

14 24. SUBCONTRACTORS. Contractor agrees to and shall bind every
15 subcontractor to the terms of this Contract; provided, however, that nothing herein shall

2 California law pertaining to conflicts of laws).

5 and supersedes all other agreements, oral or written, with respect to the subject matter
6 herein.

USE TAX DIRECT PAYMENT PERMIT
(General Information and Filing Instructions)

Revenue and Taxation Code section 7051.3 authorizes the State Board of Equalization to issue a *Use Tax Direct Payment Permit* to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of section 7205.4 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a *Use Tax Direct Payment Exemption Certificate* which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties, assessments in addition to their tax liability.

To qualify for a *Use Tax Direct Payment Permit*, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:

(A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or

(B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed *Application for Use Tax Direct Payment Permit*, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a *Use Tax Direct Payment Permit* and a *Use Tax Direct Payment Exemption Certificate* will be mailed to the applicant.

If you would like additional information regarding the *Use Tax Direct Payment Permit* or need assistance in completing this application, you can call 916-445-5167, or write to the Board of Equalization, Compliance Policy Unit, P.O. Box 942879, Sacramento, CA 94279-0040.
