Parks, Recreation and Marine

CORE SERVICES

- Providing safe and clean parks, facilities, marinas, and beaches
- Recreation and enrichment programs that promote public safety and healthy communities
- Identifying new and sustainable models for service delivery
- Developing recreational space and providing access for recreational opportunities

Parks, Recreation and Marine

Approach to Budget Reductions:

- Target free recreational programs to at-risk populations in high-need areas using available statistics
- Make strategic reductions in parks where other options are available to the public
- Partner more with community organizations to provide fee-based and self-service programs

Parks, Recreation and Marine

COMMUNITY DATA

- Crime Statistics
- Proximity to Other Parks and Services
- Accessibility
- Geographic Location
- Demographics
- Participant Information
