CONTRACT

36664

THIS CONTRACT is made and entered, as of July 13, 2023 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting held on July 11, 2023, by and between GRIFFITH COMPANY, a California corporation ("Contractor"), whose address is 12200 Bloomfield Ave, Santa Fe Springs, California 90670., and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, pursuant to a Notice Inviting Bids for Taxilane K Reconstruction and Construct Taxilane U Projects at the Long Beach Airport in the City of Long Beach, California, dated March 27, 2023, and published by City, bids were received, publicly opened and declared on the date specified in said Notice; and

WHEREAS, the City Manager accepted the bid of Contractor; and

WHEREAS, the City Council authorized the City Manager to enter a contract with Contractor for the work described in Project Plans and Specifications Nos. R-7211 and R-7212;

NOW, THEREFORE, in consideration of the mutual terms and conditions herein, the parties agree as follows:

1. SCOPE OF WORK. Contractor shall furnish all necessary labor, supervision, tools, materials, supplies, appliances, equipment and transportation for the work described in Project Plans and Specifications Nos. R-7211 and R-7212 for Taxilane K Reconstruction and Construct Taxilane U Projects at the Long Beach Airport in the City of Long Beach, California, said work to be performed according to the Contract Documents identified below. However, this Contract is intended to provide to City complete and finished work and, to that end, Contractor shall do everything necessary to complete the work, whether or not specifically described in the Contract Documents.

2. PRICE AND PAYMENT.

A. City shall pay to Contractor the amount(s) for materials and

1 work identified in Contractor's Bid for Taxilane K Reconstruction and Construct
2 Taxilane U Projects at the Long Beach Airport in the City of Long Beach, California,
3 attached hereto as Exhibit "A"; provided, however, that the total compensation to
4 Contractor shall not exceed the maximum cumulative amount of Seven Million Two
5 Hundred Seventy-Two Thousand Three Hundred Seventeen Dollars (\$7,272,317)
6 for the estimated quantities established in the Bid, subject to additions or deductions
7 as provided in the Contract Documents.

8 B. Contractor shall submit requests for progress payments and
9 City will make payments in due course of payments in accordance with Section 9 of
10 the Standard Specifications for Public Works Construction (latest edition) (the
11 "Greenbook").

12 3. CONTRACT DOCUMENTS.

13 A. The Contract Documents include: The Notice Inviting Bids,
14 Project Specifications Nos. R-7211 and R-7212 (which may include by reference
15 the Standard Specifications for Public Works Construction, latest edition, and any
16 supplements thereto, collectively the "Standard Specifications"); the City of Long
17 Beach Standard Plans; Project Drawing No. B-4801 for this work; the California
18 Code of Regulations; the various Uniform Codes applicable to trades; the prevailing
19 wage rates; Instructions to Bidders; the Bid; the bid security; the City of Long Beach
20 Disadvantaged, Minority and Women-Owned Business Enterprise Program; this
21 Contract and all documents attached hereto or referenced herein including but not
22 limited to insurance; Bond for Faithful Performance; Payment Bond; Notice to
23 Proceed; Notice of Completion; any addenda or change orders issued in
24 accordance with the Standard Specifications; any permits required and issued for
25 the work; approved final design drawings and documents; and the Information
26 Sheet ("Contract Documents"). These Contract Documents are incorporated herein
27 by the above reference and form a part of this Contract.

28 B. Notwithstanding Section 2-5.2 of the Standard Specifications,

1 if any conflict or inconsistency exists or develops among or between Contract
2 Documents, the following priority shall govern: 1) Permit(s) from other public
3 agencies; 2) Change Orders; 3) this Contract (including any and all amendments
4 hereto); 4) Addenda (which shall include written clarifications, corrections and
5 changes to the bid documents and other types of written notices issued prior to bid
6 opening; 5) Project Specifications; 6) Project Plans (including drawings); 7) the City
7 of Long Beach Standard Plans; 8) Standard Specifications (as identified in Section
8 3.A. of the Greenbook); 9) other reference specifications; 10) other reference
9 plans; 11) the Bid; and 12) the Notice Inviting Bids.

10 4. TIME FOR CONTRACT. Contractor shall commence work on a date
11 to be specified in a written Notice to Proceed from City and shall complete all work within
12 two hundred fifty-two (252) calendar days thereafter, subject to strikes, lockouts and events
13 beyond the control of Contractor. Time is of the essence hereunder. City will suffer
14 damage if the work is not completed within the time stated, but those damages would be
15 difficult or impractical to determine. So, Contractor shall pay to City, as liquidated
16 damages, the amount stated in the Contract Documents.

17 5. FORCE MAJEURE. If any party fails to perform its obligations
18 because of strikes, lockouts, labor disputes, embargoes, acts of God, inability to obtain
19 labor or materials or reasonable substitutes for labor materials, governmental restrictions,
20 governmental regulations, governmental controls, judicial orders, enemy or hostile
21 governmental action, pandemic, civil commotion, fire or other casualty, or other causes
22 beyond the reasonable control of the party obligated to perform, then that party's
23 performance will be excused for a period equal to the period of such cause for failure to
24 perform.

25 6. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
26 acceptance of any work or the payment of any money by City shall not operate as a waiver
27 of any provision of any Contract Document, of any power reserved to City, or of any right
28 to damages or indemnity hereunder. The waiver of any breach or any default hereunder

1 shall not be deemed a waiver of any other or subsequent breach or default.

2 7. WORKERS' COMPENSATION CERTIFICATION. Concurrently
3 herewith, Contractor shall submit certification of Workers' Compensation coverage in
4 accordance with California Labor Code Sections 1860 and 3700, a copy of which is
5 attached hereto as Exhibit "B".

6 8. CLAIMS FOR EXTRA WORK. No claim shall be made at any time
7 upon City by Contractor for and on account of any extra or additional work performed or
8 materials furnished, unless such extra or additional work or materials shall have been
9 expressly required by the City Manager and the quantities and price thereof shall have
10 been first agreed upon, in writing, by the parties hereto.

11 9. CLAIMS. Contractor shall, upon completion of the work, deliver
12 possession thereof to City ready for use and free and discharged from all claims for labor
13 and materials in doing the work and shall assume and be responsible for, and shall protect,
14 defend, indemnify and hold harmless City from and against any and all claims, demands,
15 causes of action, liability, loss, costs or expenses for injuries to or death of persons, or
16 damages to property, including property of City, which arises from or is connected with the
17 performance of the work.

18 10. INSURANCE. Prior to commencement of work, and as a condition
19 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence of
20 all insurance required in the Contract Documents.

21 In addition, Contractor shall complete and deliver to City the form
22 ("Information Sheet") attached as Exhibit "C" and incorporated by reference, to comply with
23 Labor Code Section 2810.

24 11. WORK DAY. Contractor shall comply with Sections 1810 through
25 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a
26 penalty to City, the sum of Twenty-Five Dollars (\$25.00) for each worker employed by
27 Contractor or any subcontractor for each calendar day such worker is required or permitted
28 to work more than eight (8) hours unless that worker receives compensation in accordance

1 with Section 1815.

2 12. PREVAILING WAGE RATES. Contractor is directed to pay the
3 general rate of per diem wages for each craft, classification, or type of worker needed to
4 execute the contract (prevailing wage rates). Copies of the current prevailing rate of per
5 diem wages are on file at its principal office (Labor Compliance Division, 411 W. Ocean
6 Boulevard, 6th Floor, Long Beach, California, 90802), and shall be made available to any
7 interested party upon request. Contractor is required to post a copy of the determination of
8 the director of the prevailing rate of per diem wages at each job site. Pursuant to Section
9 1775, Contractor shall forfeit, as a penalty to the City, up to Two Hundred Dollars (\$200)
10 for each laborer, worker or mechanic employed for each calendar day, or portion thereof,
11 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any
12 work done by Contractor, or any subcontractor, under this Contract. The difference
13 between the prevailing wage rates and the amount paid to each worker for each calendar
14 day or portion thereof for which each worker was paid less than the prevailing wage rate
15 shall be paid to each worker by the Contractor or subcontractor.

16 13. DEPARTMENT OF INDUSTRIAL RELATIONS COMPLIANCE.
17 Contractor is advised that this work constitutes a public work of improvement subject to
18 California Labor Code Division 2, Part 7, Chapter 1, Articles 1-5, §§1720-1861. Pursuant
19 to Labor Code Section 1771.1, Contractor or subcontractors shall not be qualified to bid
20 on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public
21 contract Code, or engage in the performance of any contract for public work, as defined in
22 the California Labor Code, unless currently registered and qualified to perform public work
23 pursuant to Section 1725.5. A Contract (or associated subcontracts) shall not be entered
24 into without proof of the Contractor's (or subcontractor's) current registration to perform
25 public work pursuant to Section 1725.5. All work conducted in support of this public work
26 of improvement is subject to compliance monitoring and enforcement by the Department
27 of Industrial Relations. Contractor will abide by all applicable apprenticeship requirements
28 in the California Labor Code Section 1777.5 and will be responsible for subcontractor

1 apprenticeship compliance to the same.

2 14. CERTIFIED PAYROLL RECORDS.

3 A. Pursuant to the provisions of Labor Code Section 1776,
4 Contractor shall keep and shall cause each subcontractor performing any portion of
5 the work under this Contract to keep an accurate payroll record, showing the name,
6 address, social security number, work classification, straight time and overtime
7 hours worked each day and week, and the actual per diem wages paid to each
8 journeyman, apprentice, worker, or other employee employed by Contractor or
9 subcontractor in connection with the work. Such payroll records for Contractor and
10 all subcontractors shall be certified and shall be available for inspection at all
11 reasonable hours at the principal office of Contractor pursuant to the provisions of
12 Section 1776 of the Labor Code. Contractor's failure to furnish such records to City
13 or City's authorized Labor Compliance representative in the manner provided herein
14 for notices shall entitle City to withhold the penalty prescribed by law from progress
15 payments due to Contractor.

16 B. Contractor shall submit to the City certified payroll records for
17 Contractor and all subcontractors performing any portion of the work under this
18 Contract on a monthly basis. Certified payroll records for Contractor and all
19 subcontractors shall be maintained during the course of the work and shall be kept
20 by Contractor for at least three (3) years after completion of the work.

21 C. The foregoing is in addition to, and not in lieu of, any other
22 requirements or obligations established and imposed by any department of the City
23 with regard to submission and retention of certified payroll records for Contractor
24 and subcontractors.

25 15. COORDINATION WITH GOVERNMENTAL REGULATIONS.

26 A. If the work is terminated pursuant to an order of any Federal or
27 State authority, Contractor shall accept as full and complete compensation under
28 this Contract such amount of money as will equal the product of multiplying the

1 Contract price stated herein by the percentage of work completed by Contractor as
2 of the date of such termination, and for which Contractor has not been paid. If the
3 work is so terminated, the City Engineer, after consultation with Contractor, shall
4 determine the percentage of work completed and the determination of the City
5 Engineer shall be final.

6 B. If Contractor is prevented, in any manner, from strict
7 compliance with the Plans and Specifications due to any Federal or State law, rule
8 or regulation, in addition to all other rights and remedies reserved to the parties City
9 may by resolution of the City Council suspend performance hereunder until the
10 cause of disability is removed, extend the time for performance, make changes in
11 the character of the work or materials, or terminate this Contract without liability to
12 either party.

13 16. NOTICES.

14 A. Any notice required hereunder shall be in writing and personally
15 delivered or deposited in the U.S. Postal Service, first class, postage prepaid, to
16 Contractor at the address first stated herein, and to the City at 411 West Ocean
17 Boulevard, Long Beach, California 90802, Attn: City Manager. Notice of change of
18 address shall be given in the same manner as stated herein for other notices. Notice
19 shall be deemed given on the date deposited in the mail or on the date personal
20 delivery is made, whichever first occurs.

21 B. Except for stop notices and claims made under the Labor Code,
22 City will notify Contractor when City receives any third party claims relating to this
23 Contract in accordance with Section 9201 of the Public Contract Code.

24 17. BONDS. Contractor shall, simultaneously with the execution of this
25 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the
26 form attached hereto and in the amount specified therein, conditioned upon the faithful
27 performance of this Contract by Contractor, and a good and sufficient corporate surety
28 bond, in the form attached hereto and in the amount specified therein, conditioned upon

1 the payment of all labor and material claims incurred in connection with this Contract.

2 18. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor any
3 of the moneys that may become due Contractor hereunder may be assigned by Contractor
4 without the written consent of City first had and obtained, nor will City recognize any
5 subcontractor as such, and all persons engaged in the work of construction will be
6 considered as independent contractors or agents of Contractor and will be held directly
7 responsible to Contractor.

8 19. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to
9 the contrary in the Standard Specifications, Contractor shall have the responsibility, care
10 and custody of the work. If any loss or damage occurs to the work that is not covered by
11 collectible commercial insurance, excluding loss or damage caused by earthquake or flood
12 or the negligence or willful misconduct of City, then Contractor shall immediately make the
13 City whole for any such loss or pay for any damage. If Contractor fails or refuses to make
14 the City whole or pay, then City may do so and the cost and expense of doing so shall be
15 deducted from the amount due Contractor from City hereunder.

16 20. CONTINUATION. Termination or expiration of this Contract shall not
17 terminate the rights or liabilities of either party which rights or liabilities accrued or existed
18 prior to termination or expiration of this Contract.

19 21. TAXES AND TAX REPORTING.

20 A. As required by federal and state law, City is obligated to and
21 will report the payment of compensation to Contractor on Form 1099-Misc.
22 Contractor shall be solely responsible for payment of all federal and state taxes
23 resulting from payments under this Contract. Contractor shall submit Contractor's
24 Employer Identification Number (EIN), or Contractor's Social Security Number if
25 Contractor does not have an EIN, in writing to City's Accounts Payable, Department
26 of Financial Management. Contractor acknowledges and agrees that City has no
27 obligation to pay Contractor until Contractor provides one of these numbers.

28 B. Contractor shall cooperate with City in all matters relating to

1 taxation and the collection of taxes, particularly with respect to the self-accrual of
2 use tax. Contractor shall cooperate as follows: (i) for all leases and purchases of
3 materials, equipment, supplies, or other tangible personal property totaling over One
4 Hundred Thousand Dollars (\$100,000.00) shipped from outside California, a

8 shall obtain a sub-permit from the California Department of Tax and Fee
9 Administration ("CFTA") for the Work site. "Qualified" means that the Contractor
10 purchased at least Five Hundred Thousand Dollars (\$500,000.00) in tangible
11 personal property that was subject to sales or use tax in the previous calendar year.

12 C. Contractor shall create and operate a buying company, as
13 defined in CFTA Regulation 1699, subpart (i), in City if Contractor will purchase over
14 Five Million Dollars (\$5,000,000.00) in tangible personal property subject to
15 California sales and use tax.

16 D. In completing the form and obtaining the permit(s), Contractor
17 shall use the address of the Work site as its business address and may use any
18 address for its mailing address. Copies of the form and permit(s) shall also be
19 delivered to the City Engineer. The form must be submitted and the permit(s)
20 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not
21 order any materials or equipment over One Hundred Thousand Dollars
22 (\$100,000.00) from vendors outside California until the form is submitted and the
23 permit(s) obtained and, if Contractor does so, it shall be a material breach of this
24 Contract. In addition, Contractor shall make all purchases from the Long Beach
25 sales office of its vendors if those vendors have a Long Beach office and all
26 purchases made by Contractor under this Contract which are subject to use tax of
27 Five Hundred Thousand Dollars (\$500,000.00) or more shall be allocated to the City
28 of Long Beach. Contractor shall require the same cooperation with City, with

1 regards to subsections B, C and D under this section (including forms and permits),

17 copy all books, records, accounts and other documents of Contractor relating to this
18 Contract.

19 24. NO PECULIAR RISK. Contractor acknowledges and agrees that the
20 work to be performed hereunder does not constitute a peculiar risk of bodily harm and that
21 no special precautions are required to perform said work.

22 25. THIRD PARTY BENEFICIARY. This Contract is intended by the
23 parties to benefit themselves only and is not in any way intended or designed to or entered
24 for the purpose of creating any benefit or right of any kind for any person or entity that is
25 not a party to this Contract.

26 26. SUBCONTRACTORS. Contractor agrees to and shall bind every
27 subcontractor to the terms of this Contract; provided, however, that nothing herein shall
28 create any obligation on the part of City to pay any subcontractor except in accordance

1 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply
2 with this Section shall be deemed a material breach of this Contract. A list of
3 subcontractor(s) submitted by Contractor in compliance with Public Contract Code

11 Documents.

12 28. GOVERNING LAW. This Contract shall be governed by and
13 construed pursuant to the laws of the State of California (except those provisions of
14 California law pertaining to conflicts of laws).

22 status, handicap or disability. It is the policy of the City to encourage the participation of
23 Disadvantaged, Minority and Women-Owned Business Enterprises, and the City
24 encourages Contractor to use its best efforts to carry out this policy in the award of all
25 subcontracts.

27 accordance with the provisions of the Ordinance, this Contract is subject to the applicable
28 provisions of the Equal Benefits Ordinance ("EBO"), section 2.73 et seq. of the Long Beach

REQUESTS FOR INFORMATION (RFI):

The following RFI has been submitted during the Bid Period:

1. **RFI:** Since there is a geotextile requirement for this project it seems the requirement for spec P-152 subgrade compaction to 100% for 12 in depth is not applicable as the method for fabric is to minimally disturb the underlying subgrade as it would create adverse issues.

Response: Refer to Technical Specification Item P-640 for treatment of subgrade in areas of proposed stabilization geotextile.

- 2 **RFI:** Since the removal of subbase item 5 & 29 States that that Excavation/Removal of stabilized layers and remaining excavation (+-26inches) shall be paid under the stabilized base removal item to bottom of proposed subbase item what is the intended item for unclassified excavation? Our interpretation is that we get paid for both items the removal and the unclassified excavation for the haul off separate than removal however the item below says Disposal shall be incidental and part of the item. Please clarify.

Response: The Stabilized Base Removal to Bottom of Proposed Subbase pay item includes removal and disposal of underlying soil strata as stated in Section 101-4.1c.

**AIRPORT PAVING AND OTHER AIRFIELD IMPROVEMENTS
CONTRACTOR'S MINIMUM QUALIFICATIONS
AND EXPERIENCE STATEMENT**

**FOR TAXILANE K RECONSTRUCTION AND CONSTRUCT
TAXILANE U PROJECTS
AT THE LONG BEACH AIRPORT**

The Work is located on a very active airport and the Contractor shall be required to coordinate the Contractor's activities with multiple airport tenants. Typical airport operations include terminal construction, commercial airlines, cargo aircraft, general aviation, military aircraft, student pilots, helicopter traffic, and corporate aircraft. Support activities that routinely occur on the Airport include, but are not limited to, fire protection equipment, safety vehicles, fueling, baggage handling, aircraft towing, maintenance vehicles, and other construction projects.

This Work requires conformance with FAA specifications for construction at airports. The FAA specifications are generally more stringent than typical local agency specifications, especially with regard to paving quality control and acceptance criteria that are contained in Specification Item "P-401, Hot Mix Asphalt (HMA) Pavements". The FAA specifications are also more stringent than typical local agency specifications with regard to electrical improvements.

The City has established minimum airfield paving qualifications and experience requirements for the Contractor. Each bidder shall submit an "Airport Paving and Other Airfield Improvements – Contractor's Minimum Qualifications and Experience Statement". The statement shall be completed on the following form. The statement shall be included with the Bid and failure to include the statement with the Bid shall render the Bid non-responsive. Failure to submit complete and accurate statements of experience shall render the Bid non-responsive. Submission of inaccurate or misleading information on the statements of experience shall render the Bid non-responsive.

All projects listed to meet the minimum qualifications and experience requirements shall have been located on an airport with regularly scheduled airline passenger service (FAR Part 139-Certificated).

The experience of the listed subcontractor may have been obtained while in the role of prime contractor, while subcontracting to the Contractor, or while subcontracting to any other contractor. EQUAL BENEFITS ORDINANCE DISCLOSURE FORM

As a condition of being awarded a contract with the City of Long Beach ("City"), the selected Contractor/Vendor ("Contractor") may be required during the performance of the Contract, to comply with the City's nondiscrimination provisions of the Equal Benefits Ordinance ("EBO") set forth in the Long Beach Municipal Code section 2.73 et seq. The EBO requires that during the performance of the contract, the Contractor shall provide equal benefits to its employees with spouses and employees with domestic partners. Benefits include but are not limited to, health benefits, bereavement leave, family medical leave, membership and membership discounts, moving expenses, retirement benefits and travel benefits. A cash equivalent payment is permitted if an employer has made all reasonable efforts to provide domestic partners with access to benefits but is unable to do so. A situation in which a cash equivalent payment might be used if where the employer has difficulty finding an insurance provider that is willing to provide domestic partner benefits.

The EBO is applicable to the following employers:

- For-profit employers that have a contract with the City for the purchase of goods, services, public works or improvements and other construction projects in the amount of \$100,000 or more
- For-profit entities that generate \$350,000 or more in annual gross receipts leasing City property pursuant to a written agreement for a term exceeding 29 days in any calendar year

Contractors who are subject to the EBO must certify to the City before execution of the contract that they are in compliance with the EBO by completing the EBO Certification Form, attached, or that they have been issued a waiver by the City. Contractors must also allow authorized City representatives access to records so the City can verify compliance with the EBO.

The EBO includes provisions that address difficulties associated with implementing procedures to comply with the EBO. Contractors can delay implementation of procedures to comply with the EBO in the following circumstances:

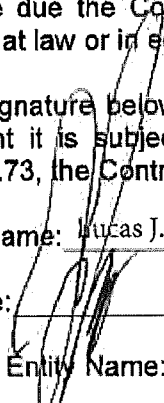

- 1) By the first effective date after the first open enrollment process following the contract start date, not to exceed two years, if the Contractor/Vendor submits evidence of taking reasonable measures to comply with the EBO; or

- 2) At such time that the administrative steps can be taken to incorporate nondiscrimination in benefits in the Contractor/Vendor's infrastructure, not to exceed three months; or
- 3) Upon expiration of the Contractor's current collective bargaining agreement(s).

Compliance with the EBO

If a Contractor has not received a waiver from complying with the EBO and the timeframe within which it can delay implementation has expired but it has failed to comply with the EBO, the Contractor may be deemed to be in material breach of the Contract. In the event of a material breach, the City may cancel, terminate or suspend the City agreement, in whole or in part. The City also may deem the Contractor an irresponsible bidder and disqualify the Contractor from contracting with the City for a period of three years. In addition, the City may assess liquidated damages against the Contractor which may be deducted from money otherwise due the Contractor. The City may also pursue any other remedies available at law or in equity.

By my signature below, I acknowledge that the Contractor understands that to the extent it is subject to the provisions of the Long Beach Municipal Code section 2.73, the Contractor shall comply with this provision.

TRADE RESTRICTION CLAUSE

The contractor or subcontractor, by submission of an offer and/or execution of a contract, certifies that it:

- a. is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);
- b. has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country on said list, or is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list;
- c. has not procured any product nor subcontracted for the supply of any product for use on the project that is produced in a foreign country on said list.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to a contractor or subcontractor who is unable to certify to the above. If the contractor knowingly procures or subcontracts for the supply of any product or service of a foreign country on said list for use on the project, the Federal Aviation Administration may direct through the Sponsor cancellation of the contract at no cost to the Government.

Further, the contractor agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in each contract and in all lower tier subcontracts. The contractor may rely on the certification of a prospective subcontractor unless it has knowledge that the certification is erroneous.

The contractor shall provide immediate written notice to the sponsor if the contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The subcontractor agrees to provide written notice to the contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.

This certification is a material representation of fact upon which reliance was placed when making the award. If it is later determined that the contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration may direct through the Sponsor cancellation of the contract or subcontract for default at no cost to the Government.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 1001.

Certificate of Buy American Compliance for Manufactured Products

As a matter of bid responsiveness, the bidder or offeror must complete, sign, date, and submit this certification statement with their proposal. The bidder or offeror must indicate how they intend to comply with 49 USC § 50101 by selecting one on the following certification statements. These statements are mutually exclusive. Bidder must select one or the other (not both) by inserting a checkmark (✓) or the letter "X".

- Bidder or offeror hereby certifies that it will comply with 49 USC § 50101 by:
- a) Only installing steel and manufactured products produced in the United States;
 - b) Installing manufactured products for which the Federal Aviation Administration (FAA) has issued a waiver as indicated by inclusion on the current FAA Nationwide Buy American Waivers Issued listing; or
 - c) Installing products listed as an Excepted Article, Material or Supply in Federal Acquisition Regulation Subpart 25.108.

By selecting this certification statement, the bidder or offeror agrees:

1. To provide to the Owner evidence that documents the source and origin of the steel and manufactured product.
 2. To faithfully comply with providing U.S. domestic product.
 3. To furnish U.S. domestic product for any waiver request that the FAA rejects
 4. To refrain from seeking a waiver request after establishment of the contract, unless extenuating circumstances emerge that the FAA determines justified.
- The bidder or offeror hereby certifies it cannot comply with the 100 percent Buy American Preferences of 49 USC § 50101(a) but may qualify for either a Type 3 or Type 4 waiver under 49 USC § 50101(b). By selecting this certification statement, the apparent bidder or offeror with the apparent low bid agrees:
1. To submit to the Owner within 15 calendar days of the bid opening, a formal waiver request and required documentation that supports the type of waiver being requested.
 2. That failure to submit the required documentation within the specified timeframe is cause for a non-responsive determination may result in rejection of the proposal.
 3. To faithfully comply with providing U.S. domestic products at or above the approved U.S. domestic content percentage as approved by the FAA.
 4. To refrain from seeking a waiver request after establishment of the contract, unless extenuating circumstances emerge that the FAA determines justified.

Required Documentation

Type 3 Waiver – The cost of the item components and subcomponents produced in the United States is more than 60 percent of the cost of all components and subcomponents of the "item". The required documentation for a Type 3 waiver is:

- a) Listing of all product components and subcomponents that are not comprised of 100 percent U.S. domestic content (Excludes products listed on the FAA Nationwide Buy American Waivers Issued listing and products excluded by Federal Acquisition Regulation Subpart 25.108; products of unknown origin must be considered as non-domestic products in their entirety).
- b) Cost of non-domestic components and subcomponents, excluding labor costs associated with final assembly at place of manufacture.

- c) Percentage of non-domestic component and subcomponent cost as compared to total "Item" component and subcomponent costs, excluding labor costs associated with final assembly at place of manufacture.

Type 4 Waiver – Total cost of project using U.S. domestic source product exceeds the total project cost using non-domestic product by 25 percent. The required documentation for a Type 4 of waiver is:

- a) Detailed cost information for total project using U.S. domestic product
- b) Detailed cost information for total project using non-domestic product

False Statements: Per 49 USC § 47126, this certification concerns a matter within the jurisdiction of the Federal Aviation Administration and the making of a false, fictitious or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code.

IRAN CONTRACTING ACT OF 2010 COMPLIANCE AFFIDAVIT

(California Public Contract Code Sections 2200-2208)

The California Legislature adopted the Iran Contracting Act of 2010 to respond to policies of Iran in a uniform fashion (PCC § 2201(q)). The Iran Contracting Act prohibits bidders engaged in investment activities in Iran from bidding on, submitting proposals for, or entering into or renewing contracts with public entities for goods and services of one million dollars (\$1,000,000) or more (PCC § 2203(a)). A bidder who "engages in investment activities in Iran" is defined as either:

1. A bidder providing goods or services of twenty million dollars (\$20,000,000) or more in the energy sector of Iran, including provision of oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or
2. A bidder that is a financial institution (as that term is defined in 50 U.S.C. § 1701) that extends twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created by the California Department of General Services (DGS) pursuant to PCC § 2203(b) as a person engaging in the investment activities in Iran.

The bidder shall certify that at the time of submitting a bid for new contract or renewal of an existing contract, the bidder is not identified on the DGS list of ineligible businesses or persons and that the bidder is not engaged in investment activities in Iran in violation of the Iran Contracting Act of 2010.

California law establishes penalties for providing false certifications, including civil penalties equal to the greater of \$250,000 or twice the amount of the contract for which the false certification was made; contract termination; and three-year ineligibility to bid on contracts (PCC § 2205).

To comply with the Iran Contracting Act of 2010, the bidder shall provide its vendor or financial institution name, and City Business Tax Registration Certificate (BTRC) if available, in completing ONE of the options shown below.

OPTION #1: CERTIFICATION

I, the official named below, certify that I am duly authorized to execute this certification on behalf of the bidder or financial institution identified below, and that the bidder or financial institution identified below is not on the current DGS list of persons engaged in investment activities in Iran and is not a financial institution extending twenty million dollars (\$20,000,000) or more in credit to another person or vendor, for 45 days or more, if that other person or vendor will use the credit to provide goods or services in the energy sector in Iran and is identified on the current DGS list of persons engaged in investment activities in Iran.

CERTIFICATION OF OFFERER/BIDDER REGARDING TAX DELINQUENCY AND FELONY CONVICTIONS

The applicant must complete the following two certification statements. The applicant must indicate its current status as it relates to tax delinquency and felony conviction by inserting a checkmark (✓) in the space following the applicable response. The applicant agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification in all lower tier subcontracts.

Certifications

- 1) The applicant represents that it is () is not (✓) a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.
- 1) The applicant represents that it is () is not (✓) is not a corporation that was convicted of a criminal violation under any Federal law within the preceding 24 months.

Note

If an applicant responds in the affirmative to either of the above representations, the applicant is ineligible to receive an award unless the sponsor has received notification from the agency suspension and debarment official (SDO) that the SDO has considered suspension or debarment and determined that further action is not required to protect the Government's interests. The applicant therefore must provide information to the owner about its tax liability or conviction to the Owner, who will then notify the FAA Airports District Office, which will then notify the agency's SDO to facilitate completion of the required considerations before award decisions are made.

Term Definitions

Felony conviction: Felony conviction means a conviction within the preceding twentyfour (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 U.S.C. § 3559.

Tax Delinquency: A tax delinquency is any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

**USE TAX DIRECT PAYMENT PERMIT
(General Information and Filing Instructions)**

Revenue and Taxation Code section 7051.3 authorizes the State Board of Equalization to issue a *Use Tax Direct Payment Permit* to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a *Use Tax Direct Payment Exemption Certificate* which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a *Use Tax Direct Payment Permit*, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
 - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
 - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed *Application for Use Tax Direct Payment Permit*, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a *Use Tax Direct Payment Permit* and a *Use Tax Direct Payment Exemption Certificate* will be mailed to the applicant.

If you would like additional information regarding the *Use Tax Direct Payment Permit* or need assistance in completing this application, you can call 916-445-5167, or write to the Board of Equalization, Compliance Policy Unit, P.O. Box 942879, Sacramento, CA 94279-0040.

**PAYMENT BOND
(Labor and Material Bond)**

WHEREAS, The CITY OF LONG BEACH, a municipal corporation, hereinafter the "City" or "Obligee," have conditionally awarded to GRIFFITH COMPANY, a California corporation designated as the "Contractor" or "Principal" herein, a contract for the work ("Work") described as follows: Taxilane K Reconstruction and Construct Taxilane U Projects at the Long Beach Airport, as described in Specification Nos.: R-7211 and R-7212, Addenda/Addendum, and related drawings.

WHEREAS, the Principal is about to enter into a Contract with the Obligee for the performance of the Work, which Contract and all Contract Documents set forth therein are incorporated herein by this reference.

WHEREAS, by the terms of said Contract Documents, as well as Civil Code Sections 9550 and 9554, Principal is required to furnish a bond for the prompt, full and faithful payment to any Claimant, as hereinafter defined, for all labor, materials or services used or reasonably required for use in the performance of the Work of the Project;

NOW THEREFORE, we the undersigned Contractor, as Principal, and Liberty Mutual Insurance Company admitted as a surety insurer in the State of California ("Surety"), are held and firmly bound to the City for payment of the penal sum of Seven Million Two Hundred Seventy-Two Thousand Three Hundred Seventeen Dollars (\$7,272,317) lawful money of the United States, for which payment we bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally.

THE CONDITION OF THIS OBLIGATION IS SUCH that if said Principal, shall fail to pay any of the persons named in Civil Code Section 9100 ("Claimants"), for all labor, materials or services used or reasonably required for use in performance of the Work of the Project, or for any amounts due under the Unemployment Insurance Code with respect to work or labor performed by any such Claimant on the Project, or for any amounts required to be deducted, withheld, and paid over to the Employment Development Department from the wages of employees of the Contractor and subcontractors pursuant to Section 13020 of the Unemployment Insurance Code with respect to such work and labor, that the surety or sureties herein will pay for the same in an amount not exceeding the sum specified in this bond, otherwise the above obligation shall be void.

If suit is brought upon this bond, the said Surety will pay reasonable attorney's fees to be fixed by the court.

This bond shall inure to the benefit of any of the persons named in Civil Code Section 9100 so as to give a right of action to such persons or the assigns in any suit brought upon this bond.

The Surety and Principal, for value received, hereby stipulate and agree that no change, extension of time, modification, alteration or addition to the terms of the Contract or Contract Documents or to the Work to be performed thereunder shall in any way affect or release the Principal or Surety or their respective heirs, executors, administrators, successors and assigns from their obligations on this bond, and Surety does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract, or Contract Documents, or to the Work. No premature payment by the City to the Principal shall release or exonerate the Surety, unless the Officer or Board of the City ordering the payment shall have actual notice at the time the order is made that the payment is in fact premature, and then only to the extent that such payment shall result in actual loss to the Surety, but in no event more than the amount of such premature payment.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above-named, on the 15th day of August, 2023.

Performance Bond
No. 024267800

**PERFORMANCE BOND
(Bond for Faithful Performance)**

WHEREAS, The CITY OF LONG BEACH, a municipal corporation of the State of California, hereinafter the "City" or "Obligee," have conditionally awarded to GRIFFITH COMPANY, a California corporation designated as the "Contractor" or "Principal" herein, a contract for the work ("Work") described as follows: Taxilane K Reconstruction and Construct Taxilane U Projects at the Long Beach Airport, as described in Specification Nos.: R-7211 and R-7212, Addenda/Addendum, and related drawings.

WHEREAS, the Principal is about to enter into a Contract with Obligee for performance of the Work, which Contract, and all Contract Documents set forth therein are incorporated herein by this reference.

WHEREAS, the Principal is required to furnish a bond guaranteeing the prompt, full and faithful performance of its obligations under the Contract Documents concurrently with delivery to Obligee of the executed Contract.

NOW, THEREFORE, we the undersigned Contractor, as Principal, and Liberty Mutual Insurance Company, an admitted surety insurer in the State of California, as Surety, are held and firmly bound unto THE CITY OF LONG BEACH, a municipal corporation of the State of California (hereinafter the "City" or "Obligee") in the penal sum of Seven Million Two Hundred Seventy-Two Thousand Three Hundred Seventeen Dollars (\$7,272,317) lawful money of the United States, for the payment of which sum, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT:

If the Principal shall promptly, fully and faithfully perform each and all of the obligations and things to be done and performed by the Principal in strict accordance with the terms of the Contract Documents as said Contract Documents may be modified or amended from time to time; and if the Principal shall indemnify and save harmless the Obligee and all of its officers, agents and employees from any and all losses, liability and damages, claims, judgments, stop notices, costs, and fees of every description, whether imposed by law or equity, which may be incurred by the Obligee by reason of the failure or default on the part of the Principal in the performance of any or all of the terms or the obligations of the Contract Documents, as they may be amended and supplemented including, but not limited to, its liability for liquidated damages for delay, all warranties or guarantees required thereunder and indemnity obligations; then this obligation shall be void; otherwise, it shall be, and remain, in full force and effect.

Whenever the Principal shall be, and is declared by the Obligee to be in default under the Contract, which shall include without limitation, any breach or default of the Contract Documents, then, after written notice from the Obligee to the Surety, as provided for below, the Surety shall either remedy the default or breach by the Principal or shall promptly and faithfully take charge of the Work of and complete the Work in accordance with the requirements of the Contract Documents with a contractor other than the Principal at its own expense and make available as work progresses sufficient funds to pay the cost of completion less the balance of the Contract price including other costs and damages for which the surety may be liable hereunder; provided, however, that the procedure by which the Surety undertakes to discharge its obligations under this Bond shall be subject to the advance written approval of the Obligee.

Within fifteen (15) days of Obligee's written notice to the Surety of the failure of performance of the Contract by the Principal, it shall be the duty of the Surety to give to the Obligee an unequivocal notice in writing of the Surety's election to remedy the default(s) of the Principal promptly, or to arrange for performance of the Contract promptly by a Contractor other than the Principal, time being of essence to this Bond. In said Notice of Election, the Surety shall state the date of commencement of its cure or remedy of the Principal's default(s) or its performance of the Contract. The Surety's obligations for cure or remedy, include but are not limited to: correction of defective work and completion of the Contract, additional legal, design professional and delay costs arising from Surety's actions or failure to act; and liquidated damages, or if no liquidated damages are specified in the Contract, actual damages caused by delayed performance or non-performance by the Principal. The Surety shall give prompt written notice to the Obligee upon completion of the cure or remedy of the Principal's default(s) of its performance of the Construction Contract.

If the Surety does issue its Notice of Election and does not proceed to cure or remedy the Principal's default(s) of its performance of the Work with reasonable promptness, the Surety shall be deemed to be in default on this bond fifteen (15) days after receipt of a written notice from Obligee to the Surety demanding that the Surety perform its obligations under this Bond, and the Obligee shall be entitled to enforce any remedy available to Obligee.

The Surety and Principal, for value received, hereby stipulate and agree that no change, extension of time, modification, alteration or addition to the terms of the Contract or Contract Documents or to the Work to be performed thereunder shall in any way affect or release the Principal or Surety or their respective heirs, executors, administrators, successors and assigns from their obligations on this bond, and Surety does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract, or Contract Documents, or to the Work. No premature payment by the City to the Principal shall release or exonerate the Surety, unless the Officer or Board of the City ordering the payment shall have actual notice at the time the order is made that the payment is in fact premature, and then only to the extent that such payment shall result in actual loss to the Surety, but in no event more than the amount of such premature payment.

FURTHER, Principal and Surety agree that if Obligee is required to engage the services of attorneys in connection with enforcement of the bond, each shall pay Obligee's reasonable attorneys' fees incurred, with or without suit, in addition to the above penal sum.

The guarantees contained herein shall survive the final completion of the Work called for in the Contract Documents with respect to the obligations and liabilities of the Principal which survive such final completion.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above-named, on the 15th day of August, 2023.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division

U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
