1. (15-0674) Recommendation to receive supporting documentation into the record, conclude the public hearing, and adopt resolution amending the Master Fee and Charges Schedule by adopting the Fire First Responder Fee. (Citywide)	Clive Graham	clivejr@aol.com			Long Beach	CA	90804	On behalf of the Apartment Association CA So. Cities, we are concerned about from whom and how the fees will be billed and collected. If a patient can't or won't pay, will the property owner of the responded to location be billed and/or have a tax lien placed on their property? Can we be assured that the owner of the property where the call out occurred will NOT be responsible for payment?	7/21/2015
1. (Citywide)	diana lejins	dianalejins@yahoo.com					90815	I oppose this fee for many reasons. Firstly, we already pay exhorbitant property taxes. Many of the people who already pay taxes are seniors who cannot afford this fee. In a frantic time emergency, the very people who needed the most might hesitate because they are on a limited income. Additionally, there will be people who don't even pay taxes who will continue to call for less than emergency situations because they don't have to pay for it anyway. Stop milking the taxpayers.	7/19/2015

29. (15-0699) Recommendation to authorize City Manager to execute agreements with the Long Beach Unified School District for the operation of the After School Education and Safety Program at Burbank, Edison, Garfield, Grant, King, Lafayette, and Lee Elementary, and Hudson K-8 school sites; authorize the required 15 percent in-kind match of \$207,929 in the form of Community Development Block Grant and General Fund monies; execute any future documents, including amendments, necessary to accept, implement, and administer the agreements; and Increase appropriations in the General Grants Fund (SR 120) in the Parks, Recreation and Marine Department (PR) by \$1,102,544. (Districts 1,2,4,6,7,9)	Carol Clark	hardknox32@yahoo.com			Long Beach	CA	90806	Please consider the impact on neighborhoods with these programs. Lafayette is a very small campus. Children are on the yard until after 6pm. Noise is an issue. I am a teacher myself, so I know children make noise, but that is a long time, and the school is still year round.	7/21/2015

34. (15-0729) Recommendation to receive and file a list of the recommendations compiled from the Medical Cannabis Task Force.	Diana Jones	hrhdiana2000@yahoo.com			Long Beach	CA	90814	It is time for this issue to move forward. It has been almost two years since the prospect of a medical marijuana ordinance was instituted. People are suffering from the lack of access. Because there are so many problems with the presently proposed ordinance, please consider one similar to Prop D in Los Angeles--an "immunity" ordinance. It will serve to greatly reduce lawsuits and will help to smooth out the concerns of the failed previous LB ordinance. Thanks for your consideration.	7/21/2015

This whole process should have been completed in April and here it is almost August. Thousands of citizens have died or are suffering because they cannot obtain this medicine. We must move on.... thank you again.	7/19/2015

35. (15-0730) Recommendation to request City Manager to work with the Long Beach Unified School District (LBUSD) to strengthen partnerships between the City and LBUSD in order to address ongoing parking and traffic issues at Long Beach schools impacting local residents and neighborhoods.	Lisa Cone	lisacone@gmail.com						I am a Resident 1 block South Lafayette School, 2300 Eucalyptus, and have experienced major traffic problems from the school parents including unsafe driving, speeding, running stop signs etc. which has resulted in 2 major accidents both which happened while other children were walking to or from school. In addition illegal food vendors vend at Eucalyptus and Burnett resulting in litter in my yard and on the street - even with a trash can installed on the corner!	7/21/2015

Carol Clark	hardknox32@yahoo.com			Long Beach	CA	90806	I live near Lafayette on Eucalyptus. The street is supposed to be one way for 1 hour in the morning, and 2hours in the afternoon. Seems only residents honor this. Parents double park along the curb, and it's impossible to get around them with traffic coming the wrong way down the street.	7/21/2015

Lisa Wibroe	vkngvixen@gmail.com			Long Beach	CA	90806	Yes, Please! Residents near the ever-expanding Lafayette Elementary School have been struggling with the traffic and parking issues without any results for sometime now. City support to rectify these matters would be greatly appreciated.	7/21/2015
