3 Regulations; the various Uniform Codes applicable to trades; the prevailing wage rates;
4 Instructions to Bidders; the Bid; the bid security; the City of Long Beach Disadvantaged,
5 Minority and Women-Owned Business Enterprise Program; this Contract and all
6 documents attached hereto or referenced herein; JOC General Provisions; the

8 Specifications); Bond for Faithful Performance; Payment Bond; Notice to Proceed; Notice
9 of Completion; any addenda; any permits required and issued for the work; and approved
10 drawings for a Work Order, if any. These Contract Documents are incorporated herein
11 by the above reference.

12 Notwithstanding Section 2-5.2 of the Standard Specifications, if any
13 conflict or inconsistency exists or develops among or between Contract Documents, the
14 following priority shall govern: 1) this Contract; 2) permit(s) from other public agencies; 3)
15 the Bid; 4) Addenda; 5) JOC General Provisions; 6) the Construction Task Catalog; 7)
16 Technical Specifications; 8) other reference specifications; 9) other reference plans; 10)
17 approved drawings, if any; and 11) the Notice Inviting Bids.

18 4. TIME FOR CONTRACT.

19 A. The term of this Contract shall begin on January 31, 2015 and
20 shall end on January 31, 2018 or on City's payment of the not-to exceed dollar
21 amount hereunder to Contractor as specified in Section 2, whichever occurs first.

22 B. Contractor shall commence work on a date to be specified in
23 a written "Notice to Proceed" from City for each Work Order and shall complete all
24 work within the number of working days identified in each Work Order, subject to
25 events beyond the control of Contractor. Time is of the essence for performance
26 of this Contract and each Work Order. City will suffer damage if the work in each
27 Work Order is not completed within the time stated, but those damages would be
28 difficult or impractical to determine. So, Contractor shall pay to City, as liquidated

1 damages, the amount stated in the Contract Documents.

2 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
3 acceptance of any work or the payment of any money by City shall not operate as a
4 waiver of any provision of any Contract Document, of any power reserved to City, or of
5 any right to damages or indemnity hereunder. The waiver of any breach or any default
6 hereunder shall not be deemed a waiver of any other or subsequent breach or default.

7 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently
8 herewith, Contractor shall submit certification of Workers' Compensation coverage in
9 accordance with California Labor Code Sections 1860 and 3700, a copy of which is
10 attached hereto as Exhibit "B".

11 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time
12 upon City by Contractor for and on account of any extra or additional work performed or
13 materials furnished, unless such extra or additional work or materials shall have been
14 expressly required by the City Manager and the quantities and price thereof shall have
15 been first agreed upon, in writing, by the parties hereto.

16 8. CLAIMS. Contractor shall, upon completion of the work, deliver
17 possession thereof to City ready for use and free and discharged from all claims for labor
18 and materials in doing the work and shall assume and be responsible for, and shall
19 protect, defend, indemnify and hold harmless City from and against any and all claims,
20 demands, causes of action, liability, loss, costs or expenses for injuries to or death of
21 persons, or damages to property, including property of City, which arises from or is
22 connected with the performance of the work.

23 9. INSURANCE. Prior to commencement of work, and as a condition
24 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence
25 of all insurance required in the Contract Documents.

26 In addition, Contractor shall complete and deliver to City the form
27 ("Information Sheet") attached as Exhibit "C" and incorporated by reference, to comply
28 with Labor Code Section 2810.

1 10. TERMINATION. Either party shall have the right to terminate this
2 Agreement for any reason or no reason at any time by giving fifteen (15) calendar days
3 prior notice to the other party. In the event of termination under this Section, City shall
4 pay Consultant for services satisfactorily performed and costs incurred up to the effective
5 date of termination for which Consultant has not been previously paid. The procedures
6 for payment in Section 1.B. with regard to invoices shall apply. On the effective date of
7 termination, Consultant shall deliver to City all Data developed or accumulated in the
8 performance of this Agreement, whether in draft or final form, or in process. And,
9 Consultant acknowledges and agrees that City's obligation to make final payment is
10 conditioned on Consultant's delivery of the Data to City.

11 11. WORK DAY. Contractor shall comply with Sections 1810 through
12 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a
13 penalty to City, the sum of Twenty-Five Dollars (\$25) for each worker employed by
14 Contractor or any subcontractor for each calendar day such worker is required or
15 permitted to work more than eight (8) hours unless that worker receives compensation in
16 accordance with Section 1815.

17 12. PREVAILING WAGE RATES. Contractor is directed to the
18 prevailing wage rates. Contractor shall forfeit, as a penalty to City, Fifty Dollars (\$50) for
19 each laborer, worker or mechanic employed for each calendar day, or portion thereof,
20 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any
21 work done by Contractor, or any subcontractor, under this Contract.

22 13. COORDINATION WITH GOVERNMENTAL REGULATIONS. If the
23 work is terminated pursuant to an order of any Federal or State authority, Contractor shall
24 accept as full and complete compensation under this Contract such amount of money as
25 will equal the product of multiplying the Contract Price stated in the Work Order(s) so
26 terminated by the percentage of work completed by Contractor as of the date of such
27 termination, and for which Contractor has not been paid. If the work is so terminated, the
28 City Engineer, after consultation with Contractor, shall determine the percentage of said

1 work so completed and the determination of the City Engineer shall be final.

2 If Contractor is prevented, in any manner, from strict compliance with
3 the Contract Documents due to any Federal or State law, rule, or regulation, in addition to
4 all other rights and remedies reserved to the parties City may suspend performance
5 hereunder until the cause of disability is removed, extend the time for performance, make
6 changes in the character of the work or materials, or terminate this Contract without
7 liability to either party.

8 14. NOTICES.

9 A. Any notice required hereunder shall be in writing and
10 personally delivered or deposited in the U.S. Postal Service, first class, postage
11 prepaid, to Contractor at the address first stated herein, and to City at 333 West
12 Ocean Boulevard, Long Beach, California 90802, Attn: City Manager. Notice of
13 change of address shall be given in the same manner as stated herein for other
14 notices. Notice shall be deemed given on the date deposited in the mail or on the
15 date personal delivery is made, whichever first occurs.

16 B. Except for stop notices and claims made under the Labor
17 Code, City will notify Contractor when City receives any third party claims relating
18 to this Contract in accordance with Section 9201 of the Public Contract Code.

19 15. BONDS REQUIRED. Contractor shall, coincidentally with the
20 execution of this Contract, execute and deliver to City the bonds required in the Contract
21 Documents, on the forms provided by City.

22 16. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor
23 any of the moneys that may become due Contractor hereunder may be assigned by
24 Contractor without the written consent of City first had and obtained, nor will City
25 recognize any subcontractor as such, and all persons engaged in the work of
26 construction will be considered as independent contractors or agents of the Contractor
27 and will be held directly responsible to Contractor.

28 17. CERTIFIED PAYROLL RECORDS.

1 A. Contractor shall keep and shall cause each subcontractor
2 performing any portion of the work under this Contract to keep an accurate payroll
3 record, showing the name, address, social security number, work classification,
4 straight time and overtime hours worked each day and week, and the actual per
5 diem wages paid to each journeyman, apprentice, worker, or other employee
6 employed by Contractor or subcontractor in connection with the work, all in
7 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such
8 payroll records for Contractor and all subcontractors shall be certified and shall be
9 available for inspection at all reasonable hours at the principal office of Contractor
10 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure
11 to furnish such records to City in the manner provided herein for notices shall
12 entitle City to withhold the penalty prescribed by law from progress payments due
13 to Contractor.

14 B. Upon completion of the work, Contractor shall submit to the
15 City certified payroll records for Contractor and all subcontractors performing any
16 portion of the work under this Contract. Certified payroll records for Contractor
17 and all subcontractors shall be maintained during the course of the work and shall
18 be kept by Contractor for up to three (3) years after completion of the work.

19 C. The foregoing is in addition to, and not in lieu of, any other
20 requirements or obligations established and imposed by any department of the
21 City with regard to submission and retention of certified payroll records for
22 Contractor and subcontractors.

23 18. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to
24 the contrary in the Standard Specifications, Contractor shall have the responsibility, care
25 and custody of the work. If any loss or damage occurs to the work that is not covered by
26 collectible commercial insurance, excluding loss or damage caused by earthquake or
27 flood, or the negligence or willful misconduct of City, then Contractor shall immediately
28 make City whole for any such loss or pay for any damage. If Contractor fails or refuses

1 to make City whole or pay, then City may do so and the cost and expense of doing so
2 shall be deducted from the amount due Contractor from City hereunder.

3 19. CONTINUATION. Termination or expiration of this Contract shall not
4 terminate the rights or liabilities of either party which rights or liabilities accrued or existed
5 prior to termination or expiration of this Contract.

6 20. TAXES AND TAX REPORTING.

7 A. As required by federal and state law, City is obligated to report
8 the payment of compensation to Contractor on Form 1099-Misc. and Contractor

11 responsible for payment of all federal and state taxes resulting from payments
12 under this Contract.

14 taxation and the collection of taxes, particularly with respect to the self-accrual of

19 attached hereto; and (ii) for construction contracts and subcontracts totaling
20 \$5,000,000 or more, Contractor shall obtain a sub-permit from the California Board
21 of Equalization for the Work site. "Qualified" means that the Contractor purchased

23 in the previous calendar year.

24 C. Contractor shall create and operate a buying company, as
25 defined in State of California Board of Equalization Regulation 1699, subpart (h),
26 in City if Contractor will purchase over \$10,000 in tangible personal property
27 subject to California sales and use tax.

28 D. In completing the form and obtaining the permit(s), Contractor

1 shall use the address of the Work site as its business address and may use any
2 address for its mailing address. Copies of the form and permit(s) shall also be
3 delivered to the City Engineer. The form must be submitted and the permit(s)
4 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not
5 order any materials or equipment over \$100,000 from vendors outside California
6 until the form is submitted and the permit(s) obtained and, if Contractor does so, it
7 shall be a material breach of this Contract. In addition, Contractor shall make all
8 purchases from the Long Beach sales office of its vendors if those vendors have a
9 Long Beach office and all purchases made by Contractor under this Contract
10 which are subject to use tax of \$500,000 or more shall be allocated to the City of
11 Long Beach. Contractor shall require the same cooperation with City, with regards
12 to subsections B, C and D under this section (including forms and permits), from
13 its subcontractors and any other subcontractors who work directly or indirectly
14 under the overall authority of this Contract.

20 officials or employees in any advertising or solicitation for business, nor as a reference,

22 22. AUDIT. If payment of any part of the consideration for this Contract
23 is made with federal, state or county funds and a condition to the use of those funds by
24 City is a requirement that City render an accounting or otherwise account for said funds,
25 then City shall have the right at all reasonable times to examine, audit, inspect, review,
26 extract information from, and copy all books, records, accounts and other information
27 relating to this Contract.

1 work to be performed hereunder does not constitute a peculiar risk of bodily harm and
2 that no special precautions are required to perform said work.

3 24. THIRD PARTY BENEFICIARY. This Contract is intended by the
4 parties to benefit themselves only and is not in any way intended or designed to or
5 entered for the purpose of creating any benefit or right of any kind for any person or entity
6 that is not a party to this Contract.

7 25. SUBCONTRACTORS. Contractor agrees to and shall bind every
8 subcontractor to the terms of this Contract; provided, however, that nothing herein shall
9 create any obligation on the part of City to pay any subcontractor except in accordance
10 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply
11 with this Section shall be deemed a material breach of this Contract. Contractor shall
12 submit a list of subcontractor(s) in compliance with Public Contract Code Sections 4100
13 et seq. on the form attached hereto as Exhibit "D" and incorporated herein by this
14 reference, for each Work Order.

15 26. NO DUTY TO INSPECT. No language in this Contract shall create
16 and City shall not have any duty to inspect, correct, warn of or investigate any condition
17 arising from Contractor's work hereunder, or to insure compliance with laws, rules or
18 regulations relating to said work. If City does inspect or investigate, the results thereof
19 shall not be deemed compliance with or a waiver of any requirements of the Contract
20 Documents.

21 27. GOVERNING LAW. This Contract shall be governed by and
22 construed pursuant to the laws of the State of California (except those provisions of
23 California law pertaining to conflicts of laws).

24 28. INTEGRATION. This Contract, including the Contract Documents

1 enforce or interpret this Contract or to protect or establish any rights or remedies
2 hereunder, the prevailing party shall be entitled to its costs and expenses, including

6 against any employee or applicant for employment on the basis of race, religion, national
7 origin, color, age, sex, sexual orientation, gender identity, AIDS, AIDS related condition,

14 this policy in the award of all subcontracts.

15 31. EQUAL BENEFITS ORDINANCE. Unless otherwise exempted in
16 accordance with the provisions of the Ordinance, this Contract is subject to the applicable
17 provisions of the Equal Benefits Ordinance ("EBO"), section 2.73 et seq. of the Long
18 Beach Municipal Code, as amended from time to time.

19 A. During the performance of this Contract, the
20 Contractor/Consultant certifies and represents that the Contractor/Consultant will

26 spouses and its employees with domestic partners. Additional information
27 about the City of Long Beach's Equal Benefits Ordinance may be obtained
28 from the City of Long Beach Business Services Division at 562-570-6200."

1 B. The failure of the Contractor/Consultant to comply with the
2 EBO will be deemed to be a material breach of the Contract by the City.

3 C. If the Contractor/Consultant fails to comply with the EBO the
4 City may cancel, terminate or suspend the Contract, in whole or in part, and
5 monies due or to become due under the Contract may be retained by the City.
6 The City may also pursue any and all other remedies at law or in equity for any
7 breach.

8 D. Failure to comply with the EBO may be used as evidence

12 up or used its Contracting entity for the purpose of evading the intent of the EBO,

Contractor’s Bid

BIDDER'S NAME: BITECH CONSTRUCTION CO., INC.

**JOC 20 through JOC 23 BID
(GENERAL FACILITY CONSTRUCTION)**

INSTRUCTIONS TO BIDDERS

READ CAREFULLY BEFORE MAKING OUT YOUR BID

Submit only one bid. Contracts will be awarded to the four lowest responsive, responsible bids. Failure to submit all documents contained in this Division C may invalidate your Bid. Do not make alterations of any kind in the bid form. Completely fill out ALL blank spaces on each bid form you submit. If not applicable, write N/A.

The undersigned offers to furnish all materials, labor and equipment required for the Job Order Contract for the City of Long Beach in accordance with the City's Invitation for Bids, including addenda thereto, if any, as follows:

- I. Adjustment Factor. The Contractor bids one Adjustment Factor (AF) , which will be applied against the prices set forth in the Construction Task Catalog (CTC). The Adjustment Factor will be used to price Work Orders by multiplying the Adjustment Factor by the unit prices and quantities for the specific Work Order. **Pay attention to your decimal points. Write clearly and legibly.**
 - A. The Bid shall be expressed as an adjustment "decrease from" (e.g. .9500) or "increase to" (e.g. 1.0500) the unit prices listed in the CTC or exactly equal to the CTC unit prices (1.000). Items 1 – 3 in the Award Formula shall be calculated out to five decimal places and then rounded to four (4) decimal places. Rounding of numbers shall be accomplished by increasing the fourth decimal place if the fifth decimal is equal to five or greater. If the fifth decimal place is equal to four or less, the fourth decimal shall remain the same. Bids missing factors for any of the components in the Award Formula or bids containing components of the Award Formula that are not calculated and expressed out to four decimal places will be rejected as non-responsive.
 - B. Note that the CTC unit prices do not include provisions for items such as overhead, profit, bond premiums, insurance, mobilization, proposal development, shop drawings and submittals and all contingencies in connection therewith. Bidders shall therefore take this into account when bidding the Adjustment Factor. Once bid and, if awarded, the Contractor will be strictly held to the bid factor throughout the duration of the Contract.
 - C. In the event of tying bids, another round of bids will be invited from the tying bidders to be submitted within one (1) working day following bid opening. If tying bids are received again, the same procedure will be repeated until an apparent low bidder is available for selection.
 - D. Any change in the applicable minimum hourly rates of wages during the Contract period shall not affect the unit price to be paid by the City for work performed under the Contract.
