<p>(21-0321) a. Existing Litigation - closed session conference with legal counsel relating to existing litigation pursuant to Paragraph (1) of subdivision (d) of Section 54956.9 of the California Government Code.</p> <p>1. Restauration LB, Inc. v. City of Long Beach, Los Angeles Superior Court, Case No. 21STCP00296.</p>	<p>Padric Gleason Gonzales</p>	<p>padric.gleason@gmail.com</p>		<p>This woman openly ignored the public health orders that all the rest of us complied with. Even worse, she organized a New Year's Eve party to gather people even as we stayed home in response to the holiday surge of infections. Then, when she was told to stop violating the rules, she rallied support to open again! Then she jerry-rigged a dangerous gas line hack that could have exploded the whole block. And finally, she tried to claim double jeopardy. Close the whole thing down- this woman is not responsible enough to run a business in Long Beach. Pull the license, sell the assets. She's unwelcome in this community.</p>	<p>4/9/2021</p>
