Subject Forbidden City expanded permit ok
with this neighbor

To Whom it May Concern.

We have lived in Marina Pacifica for 13 year and are patrons of the Forbidden City. The owners of this very lovely restaurant have put a great deal of investment into the building to create a destination eatery for the neighborhood as well as something the city can be proud of internationally. Recently I noticed the Forbidden City was host to a delegation of Chinese diplomats.

The owners are and have always been very attentive to the needs of the neighbors - and in fact, I believe at least one of the owners is a resident here.

I believe that they will be responsible and considerate of their neighbors should a permit for dancing be issued. Even when I have been inside the restaurant and have noted the music to be too loud for my preference the managers have immediately responded. Additionally, past restaurants have had dancing in the building and have not created a nuisance or disturbance.

I urge you to approve their application.

Thank you
