CALL TO ORDER

At 2:40 P.M., Vice Mayor B. Lowenthal called the meeting to order.

ROLL CALL

Councilmembers B. Lowenthal, Gabelich and Lerch
Present:

1. 07-0284 Recommendation to discuss and review demolition permits of potentially significant historic buildings greater than 45 years in age.

A motion was made by Vice Chair Gabelich, seconded by Chair B. Lowenthal, to recommend to the City Council to:

1) Implement short term measures to provide immediate relief to the communities identified as experiencing major development out of character with the neighborhood, including the Belmont Heights community. Short term measures may include, additional review or prohibition of demolition permits for single family homes 45 years or older, reducing current development rights and standards, increasing required setbacks and stepbacks, reducing Floor Area Ratios (FAR), and the increasing of lot coverage requirements. Meet with community associations in the other impacted neighborhoods of Belmont Shore, Los Cerritos and Rancho Estates to determine interest in the implementation of the short term relief measures in their communities.

2) Direct the Planning Commission to undertake a study and submit recommendations to the City Council regarding the development of long term zoning standards related to the prevention of mansionization and preservation of historically significant buildings, including additional review of demolition permits for single family homes 45 years and older, design guidelines and revised development standards . The long-term study should include community input and involvement from all neighborhoods experiencing demolitions and major remodels. The long-term recommendations should also include neighborhood design guidelines prepared collaboratively with the community.

(3) Include in the interim ordinance, standards for use of sight poles and increase the radius notice requirements to 500 feet or 2 blocks, whichever is greater. Direct the Planning Commission to study these additional requirements for citywide implementation and amend the Zoning Ordinance accordingly. The motion carried by the following vote:

Yes: 3 - B. Lowenthal, Gabelich and Lerch

2. 07-0613
