Did you know? Long Beach Police Department (CA) South division was made possible by you—the voters and residents. In June of 2016, residents passed #MeasureA, which made it possible to fully reestablish South Patrol Division 🚔 To date, we have restored and maintained 37 public safety positions, and kept 53 police officers and firefighters in service 🙌👮🚒 Since reestablishment earlier this year, there have been 80,394 calls for service that have been coordinated out of South Division. Today, along with the community, we celebrated the reopening of #LBPDSouth. Take a look at some of the activities that took place!

Thanks for joining us!
