23. (12-0261) Recommendation to adopt resolution authorizing City Manager to submit a grant application to the California Department of Housing and Community Development, through the Housing Related Parks Program, for the rehabilitation of 14th Street Park and Seaside Park, at an estimated total cost of \$321,500. (District 1)	Jack Smith	jackc.smith@verizon.net		2nd District, Suja Lowenthal	Long Beach	CA	90802	Better Balance for Long Beach (I'm a founding member) watches carefully what happens at Seaside Park & 14th Street Park. We questioned the purpose of this grant and were assured by the 1st District office and City staff it would be used for the following reasons: Improve the turf on the Seaside Park soccer field; replace the irrigation system and repair the turf in 14th St. Park. We take this as confirmation that the parks will not be reconfigured or their use changed in any way via this grant.	4/3/2012
