SUBJECT MIDDLE HARBOR REDEVELOPMENT PROJECT FINAL EIS/EIR

Dear Richard,

As per the request of the City Attorney, I have reviewed the traffic impact analysis and responses to transportation-related comments for the Middle Harbor Redevelopment Project.

It is my opinion that the traffic impact analysis conducted for the project was completed in accordance with applicable methodologies and guidelines employed by the City of Long Beach for the conduct of such studies. Furthermore, I concur with the conclusions reached in the study and mitigation measures proposed.

Sincerely,

David Roseman
City Traffic Engineer
