Subject: Oversized vehicles

Take a drive around Prisk Elementary School and Stanford Middle School. On any given day you will see the fearful sight us parents encounter on a daily bases. That is trailers, rv and may other oversized vehicles parked around our school. I fear everyday and constantly warn my children to never leave the gated areas and never stand by the exits. Many children walk to school, I hope that the result is never a Amber Alert. My mind can only think of the disgusting pedophiles and perverts that maybe occupying these vehicles surrounding our schools with no consequences.
