To: Daisy.Gomez@longbeach.gov,

This restaurant is located in a commercial district of Long Beach. Adjacent to only one side are residential units.

Live music should not be a problem as long as the music is limited to a duo/trio i.e. guitar, sax, vocalist or piano, violin, vocalist.

Rock bands should not be allowed, nor heavy Jazz/Blues. And definitely no drums.

Please take this into consideration when making the determination.
