# Terminal Roadway Project – Overview

- Focuses on terminal area vehicular and pedestrian improvements
- Enhances the passenger experience from curb to gate
- Funded by a \$10.6M federal grant; FAA Bipartisan Infrastructure Law – Airport Terminals Program
- Awarded to only four airports in CA for Fiscal Year (FY) 2022
- Originally designed as part of Phase II; placed on hold in FY 2020 due to budget constraints

# Terminal Roadway Project – Scope

Donald Douglas Drive & Barbara London Drive pavement rehabilitation
