Subject: Fighting for Long Beach

-EXTERNAL-

Hello ! A message for all City Council members

Tonight is your opportunity to not vote for singling out a private industry which provides incredible tax resources

To Long beach.

Now is an opportunity for LB to take advantage of an opportunity.

A competitive advantage!

Now is your change to encourage travelers and businesses to choose Long Beach to visit rather than LA by selling:

- a) Less cost per room
- b) Three times a week room service rather than once a week.

UNITE for Long Beach as a standalone powerful city rather than LA's puppet..

LA benefits from this measure not the LB employees in the long run.

Thank you for standing strong for LB tourism .

Rhiannon Acree –Past Chair of LB Chamber
