**-EXTERNAL-**

Hello.

I would like to submit my support for the action recommended in Agenda #26 to be discussed at tomorrow's City Council. I believe that 702 W. Anaheim has potential to improve the lives of residents who are experiencing homelessness.

Everyone needs a safe place to be to meet their basic human needs -- 702 W. Anaheim could provide many people with such a place.

Respectfully submitted,  
Julie Lie
