3 THIS CONTRACT is made and entered, in duplicate, as of August 13, 2014
4 for reference purposes only, pursuant to a minute order adopted by the City Council of

6 CONSTRUCTION & DEVELOPMENT INC., a California corporation ("Contractor"),
7 whose address is 5211 E. Washington Blvd., #2-122, Commerce, California 90040, and
8 the CITY OF LONG BEACH, a municipal corporation ("City").

9 WHEREAS, pursuant to a "Invitation to Bid for Commercial Rehabilitation
10 Program-Anaheim Street & Long Beach Boulevard in the City of Long Beach, California,"
11 dated June 19, 2014, and published by City, bids were received, publicly opened and
12 declared on the date specified in said Notice; and

13 WHEREAS, the City Manager accepted the bid of Contractor; and

14 WHEREAS, the City Council authorized the City Manager to enter a
15 contract with Contractor for the work described in Bid Number ITB DV-14-078;

16 NOW, THEREFORE, in consideration of the mutual terms and conditions
17 herein, the parties agree as follows:

18 1. SCOPE OF WORK. Contractor shall furnish all necessary labor,
19 supervision, tools, materials, supplies, appliances, equipment and transportation for the
20 work described in "Bid Number ITB DV-14-078 for Commercial Rehabilitation Program-
21 Anaheim Street & Long Beach Boulevard in the City of Long Beach, California," said work
22 to be performed according to the Contract Documents identified below. However, this
23 Contract is intended to provide to City complete and finished work and, to that end,
24 Contractor shall do everything necessary to complete the work, whether or not
25 specifically described in the Contract Documents.

26 2. PRICE AND PAYMENT.

27 A. City shall pay to Contractor the amount(s) for materials and
28 work identified in Contractor's "Bid for Commercial Rehabilitation Program-

1 Anaheim Street & Long Beach Boulevard in the City of Long Beach, California,"
2 attached hereto as Exhibit "A".

3 B. Contractor shall submit requests for progress payments and
4 City will make payments in due course of payments in accordance with Section 9
5 of the Standard Specifications for Public Works Construction (latest edition).

6 3. CONTRACT DOCUMENTS.

7 A. The Contract Documents include: The Notice Inviting Bids,
8 Bid Number ITB DV-14-078 (which may include by reference the Standard
9 Specifications for Public Works Construction, latest edition, and any supplements
10 thereto, collectively the "Standard Specifications"); the City of Long Beach
11 Standard Plans; the California Code of Regulations; the various Uniform Codes
12 applicable to trades; the prevailing wage rates; Instructions to Bidders; the Bid; the
13 bid security; the City of Long Beach Disadvantaged, Minority and Women-Owned
14 Business Enterprise Program; this Contract and all documents attached hereto or
15 referenced herein including but not limited to insurance; Bond for Faithful
16 Performance; Payment Bond; Notice to Proceed; Notice of Completion; any
17 addenda or change orders issued in accordance with the Standard Specifications;
18 any permits required and issued for the work; approved final design drawings and
19 documents; and the Information Sheet. These Contract Documents are

21 B. Notwithstanding Section 2-5.2 of the Standard Specifications,

23 Documents, the following priority shall govern: 1) Permit(s) from other public
24 agencies; 2) Change Orders; 3) this Contract (including any and all amendments
25 hereto); 4) Addenda (which shall include written clarifications, corrections and
26 changes to the bid documents and other types of written notices issued prior to bid

4 to be specified in a written "Notice to Proceed" from City and shall complete all work
5 within three (3) months thereafter, subject to strikes, lockouts and events beyond the
6 control of Contractor. Time is of the essence hereunder. City will suffer damage if the
7 work is not completed within the time stated, but those damages would be difficult or
8 impractical to determine. So, Contractor shall pay to City, as liquidated damages, the
9 amount stated in the Contract Documents.

10 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
11 acceptance of any work or the payment of any money by City shall not operate as a
12 waiver of any provision of any Contract Document, of any power reserved to City, or of
13 any right to damages or indemnity hereunder. The waiver of any breach or any default
14 hereunder shall not be deemed a waiver of any other or subsequent breach or default.

15 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently
16 herewith, Contractor shall submit certification of Workers' Compensation coverage in
17 accordance with California Labor Code Sections 1860 and 3700, a copy of which is
18 attached hereto as Exhibit "B".

19 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time
20 upon City by Contractor for and on account of any extra or additional work performed or
21 materials furnished, unless such extra or additional work or materials shall have been
22 expressly required by the City Manager and the quantities and price thereof shall have
23 been first agreed upon, in writing, by the parties hereto.

24 8. CLAIMS. Contractor shall, upon completion of the work, deliver
25 possession thereof to City ready for use and free and discharged from all claims for labor
26 and materials in doing the work and shall assume and be responsible for, and shall
27 protect, defend, indemnify and hold harmless City from and against any and all claims,
28 demands, causes of action, liability, loss, costs or expenses for injuries to or death of

1 persons, or damages to property, including property of City, which arises from or is
2 connected with the performance of the work.

3 9. INSURANCE. Prior to commencement of work, and as a condition
4 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence
5 of all insurance required in the Contract Documents.

6 In addition, Contractor shall complete and deliver to City the form
7 ("Information Sheet") attached as Exhibit "C" and incorporated by reference, to comply
8 with Labor Code Section 2810.

9 10. WORK DAY. Contractor shall comply with Sections 1810 through
10 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a
11 penalty to City, the sum of Twenty-Five Dollars (\$25) for each worker employed by
12 Contractor or any subcontractor for each calendar day such worker is required or
13 permitted to work more than eight (8) hours unless that worker receives compensation in
14 accordance with Section 1815.

15 11. PREVAILING WAGE RATES. Contractor is directed to the
16 prevailing wage rates. Contractor shall forfeit, as a penalty to the City, Two Hundred
17 Dollars (\$200) for each laborer, worker or mechanic employed for each calendar day, or
18 portion thereof, that such laborer, worker or mechanic is paid less than the prevailing
19 wage rates for any work done by Contractor, or any subcontractor, under this Contract.

20 12. COORDINATION WITH GOVERNMENTAL REGULATIONS.

21 A. If the work is terminated pursuant to an order of any Federal
22 or State authority, Contractor shall accept as full and complete compensation
23 under this Contract such amount of money as will equal the product of multiplying
24 the Contract price stated herein by the percentage of work completed by
25 Contractor as of the date of such termination, and for which Contractor has not
26 been paid. If the work is so terminated, the City Engineer, after consultation with
27 Contractor, shall determine the percentage of work completed and the
28 determination of the City Engineer shall be final.

1 B. If Contractor is prevented, in any manner, from strict
2 compliance with the Plans and Specifications due to any Federal or State law, rule
3 or regulation, in addition to all other rights and remedies reserved to the parties
4 City may by resolution of the City Council suspend performance hereunder until
5 the cause of disability is removed, extend the time for performance, make changes
6 in the character of the work or materials, or terminate this Contract without liability
7 to either party.

8 13. NOTICES.

9 A. Any notice required hereunder shall be in writing and
10 personally delivered or deposited in the U.S. Postal Service, first class, postage
11 prepaid, to Contractor at the address first stated herein, and to the City at 333
12 West Ocean Boulevard, Long Beach, California 90802, Attn: City Manager. Notice
13 of change of address shall be given in the same manner as stated herein for other
14 notices. Notice shall be deemed given on the date deposited in the mail or on the
15 date personal delivery is made, whichever first occurs.

16 B. Except for stop notices and claims made under the Labor
17 Code, City will notify Contractor when City receives any third party claims relating
18 to this Contract in accordance with Section 9201 of the Public Contract Code.

19 14. BONDS. Contractor shall, simultaneously with the execution of this
20 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the
21 form attached hereto and in the amount specified therein, conditioned upon the faithful
22 performance of this Contract by Contractor, and a good and sufficient corporate surety
23 bond, in the form attached hereto and in the amount specified therein, conditioned upon
24 the payment of all labor and material claims incurred in connection with this Contract.

25 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor
26 any of the moneys that may become due Contractor hereunder may be assigned by
27 Contractor without the written consent of City first had and obtained, nor will City
28 recognize any subcontractor as such, and all persons engaged in the work of

1 construction will be considered as independent contractors or agents of Contractor and
2 will be held directly responsible to Contractor.

3 16. CERTIFIED PAYROLL RECORDS.

4 A. Contractor shall keep and shall cause each subcontractor
5 performing any portion of the work under this Contract to keep an accurate payroll

7 straight time and overtime hours worked each day and week, and the actual per
8 diem wages paid to each journeyman, apprentice, worker, or other employee
9 employed by Contractor or subcontractor in connection with the work, all in
10 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such
11 payroll records for Contractor and all subcontractors shall be certified and shall be
12 available for inspection at all reasonable hours at the principal office of Contractor
13 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure
14 to furnish such records to City in the manner provided herein for notices shall
15 entitle City to withhold the penalty prescribed by law from progress payments due
16 to Contractor.

17 B. Upon completion of the work, Contractor shall submit to the
18 City certified payroll records for Contractor and all subcontractors performing any
19 portion of the work under this Contract. Certified payroll records for Contractor
20 and all subcontractors shall be maintained during the course of the work and shall
21 be kept by Contractor for up to three (3) years after completion of the work.

22 C. The foregoing is in addition to, and not in lieu of, any other
23 requirements or obligations established and imposed by any department of the
24 City with regard to submission and retention of certified payroll records for
25 Contractor and subcontractors.

26 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to

27 the contrary in the Standard Specifications, Contractor shall have the responsibility, care
28 and custody of the work. If any loss or damage occurs to the work that is not covered by

1 collectible commercial insurance, excluding loss or damage caused by earthquake or
2 flood or the negligence or willful misconduct of City, then Contractor shall immediately
3 make the City whole for any such loss or pay for any damage. If Contractor fails or
4 refuses to make the City whole or pay, then City may do so and the cost and expense of
5 doing so shall be deducted from the amount due Contractor from City hereunder.

6 18. CONTINUATION. Termination or expiration of this Contract shall not

15 Long Beach office and all purchases made by Contractor under this Contract

The City is obligated under this contract/purchase order to purchase and pay for only those goods and services that the City needs and requires, and that the City actually orders and receives. Any dollar amount identified as a "not to exceed" amount in any City document is not a guaranteed payment amount to any contractor or service provider. An award is not a promise or guarantee of exclusivity.

Bidders are cautioned that comments and statements, whether oral or written, made by City employees regarding the validity of Bids, the waiver of deviations from Specifications, the possibility or probability of an award being made to a particular Bidder, and other similar matters are NOT binding on the City. Bidders should not order materials, obtain financing or take other actions based on such comments and statements. Only authorization of a Contract by the City Council or issuance of a Purchase Order is conclusive and binding on the City with respect to this Bid and its resulting Contract or Purchase Order. However, prior to authorization by the City Council or issuance of the Purchase Order, Bidders may rely on: (1) approval of an "equal" or "substitute" item which will be issued in writing, and (2) written notice of intent to award by the City Council, which is often issued prior to the authorization by the City Council so that a Bidder can order materials that have a long lead time.

SMALL BUSINESS ENTERPRISE (SBE) GOAL EXEMPT

There will be a combined SBE/VSBE/LSBE goal of 0% on this contract.

**SMALL BUSINESS ENTERPRISES (SBE)/VERY SMALL BUSINESS ENTERPRISES (VSBE),
LOCAL SMALL BUSINESS ENTERPRISES (LSBE)**

PROGRAM PROCEDURES AND GOALS

The City has established a Small Business Enterprises (SBE), Very Small Business Enterprises (VSBE), Local Small Business Enterprise (LSBE) Program to encourage small business participation on City-wide contracts and procurements. The goal of the Program is to award a portion of the City's annual contracting and procurement dollars to SBEs and VSBEs. The City meets this goal by establishing SBE/VSBE/LSBE subcontracting goals on applicable contracts, and by encouraging SBEs, VSBEs, LSBEs to bid and submit quotes as primes. **Although SBE/VSBE/LSBE subcontracting goals were not assigned to this procurement, the City strongly encourages SBE and VSBE firms to submit bids/quotes on this procurement opportunity.**

The City's online bidding database, facilitates the City's effort to meet the annual SBE/VSBE/LSBE goal. All bidders/vendors (large and small) are strongly encouraged to register in the City's online bidder's database. Small businesses must apply for SBE certification via the database in order to receive SBE, VSBE or LSBE status for this or any future procurement. To register, log on to www.longbeach.gov/purchasing and click on "Bidder Registration." To apply for SBE certification, answer "Yes" to the following question on the online vendor registration site: "Would you like to be SBE certified by the City of Long Beach as a Small Business Enterprise?"

SBE eligibility is determined utilizing federal U.S. Small Business Administration (SBA) size standards based on North American Industrial Classification System (NAICS) codes. VSBE eligibility is determined utilizing criteria consistent with the State of California's Department of General Services' "micro-business" designation: contractors, consultants, and vendors with gross annual receipts, averaged over the past three tax years, of \$3.50 million or less, or small business manufacturers with 25 or fewer employees. LSBE eligibility is determined by having a current, valid business license from the City and a seller's permit showing a place of business within City limits and meet the SBE requirements.

Registration and certification are free to all businesses. As a registrant, you will receive e-notifications of contracting and procurement opportunities that match the product and service codes you selected at the time of registration. As a certified SBE, you will also be included in the online SBE/VSBE/LSBE directory.

For real estate transactions, item 2 does not apply. General Instructions

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

EQUAL BENEFITS ORDINANCE (EBO) COMPLIANCE CERTIFICATION FORM

EQUAL BENEFITS ORDINANCE DISCLOSURE FORM

As a condition of being awarded a contract with the City of Long Beach ("City"), the selected Contractor/Vendor ("Contractor") may be required during the performance of the Contract, to comply with the City's nondiscrimination provisions of the Equal Benefits Ordinance ("EBO") set forth in the Long Beach Municipal Code section 2.73 et seq. The EBO requires that during the performance of the contract, the Contractor shall provide equal benefits to its employees with spouses and employees with domestic partners. Benefits include but are not limited to, health benefits, bereavement leave, family medical leave, membership and membership discounts, moving expenses, retirement benefits and travel benefits. A cash equivalent payment is permitted if an employer has made all reasonable efforts to provide domestic partners with access to benefits but is unable to do so. A situation in which a cash equivalent payment might be used if where the employer has difficulty finding an insurance provider that is willing to provide domestic partner benefits.

The EBO is applicable to the following employers:

- For-profit employers that have a contract with the City for the purchase of goods, services, public works or improvements and other construction projects in the amount of \$100,000 or more
- For-profit entities that generate \$350,000 or more in annual gross receipts leasing City property pursuant to a written agreement for a term exceeding 29 days in any calendar year

Contractors who are subject to the EBO must certify to the City before execution of the contract that they are in compliance with the EBO by completing the EBO Certification Form, attached, or that they have been issued a waiver by the City. Contractors must also allow authorized City representatives access to records so the City can verify compliance with the EBO.

The EBO includes provisions that address difficulties associated with implementing procedures to comply with the EBO. Contractors can delay implementation of procedures to comply with the EBO in the following circumstances:

- 1) By the first effective date after the first open enrollment process following the contract start date, not to exceed two years, if the Contractor/vendor submits evidence of taking reasonable measures to comply with the EBO; or
- 2) At such time that the administrative steps can be taken to incorporate nondiscrimination in benefits in the Contractor/vendor's infrastructure, not to exceed three months; or
- 3) Upon expiration of the contractor's current collective bargaining agreement(s).

Compliance with the EBO

If a contractor has not received a waiver from complying with the EBO and the timeframe within which it can delay implementation has expired but it has failed to comply with the EBO,

the Contractor may be deemed to be in material breach of the Contract. In the event of a material breach, the City may cancel, terminate or suspend the City agreement, in whole or in part. The City also may deem the Contractor an irresponsible bidder and disqualify the Contractor from contracting with the City for a period of three years. In addition, the City may assess liquidated damages against the Contractor which may be deducted from money otherwise due the Contractor. The City may also pursue any other remedies available at law or in equity.

By my signature below, I acknowledge that the Contractor understands that to the extent it is subject to the provisions of the Long Beach Municipal Code section 2.73, the Contractor shall comply with this provision.
