Subject Fwd: Forbidden City Dancing Permit

We are residents of Marina Pacifica. The noise is often loud enough that it sounds like they are outside our patio doors.

We are opposed to the dancing permit for Forbidden City. It is bad enough when they have music on the week-ends until 11:30 or 12:pm. They must have their music speakers on full blast on the week-ends. Dancing will just make the noise unbearable. In my opinion the music should be Forbidden completely at this location.
