22. (11-0718) Recommendation to City Council to concur in recommendation of the Personnel and Civil Service Committee to receive and confirm the following appointments and reappointments: Citizen Police Complaint Commission (3 reappointments); Harbor Commission (2 appointments); and Planning Commission (1 reappointment).	Clara Blandick	cblandick@yahoo.com		5th District, Gerrie Schipske	Long Beach	CA	90808	Doug Drummond is a poor choice for the Harbor Commission. He is very out of touch with the majority of people in Long Beach. While serving on the Long Beach City Council he was censured for homophobic comments, consistently voted against an ordinance which would allow the registration of domestic partners, repeatedly voted to replace the LB Police Department with LA County Sheriffs, voted to support giving the names of undocumented Latinos to the INS, voted against banning cheap, unsafe handguns, commonly referred to as "Saturday Night Specials," repeatedly voted to water down the ban on smoking in the workplace, voted against a needle exchange program to prevent the spread of HIV, voted against funds to test and treat people with HIV, voted against naming the park after Cesar Chavez and voted to oppose the creation of the of Santa Monica Mountains and Rivers Conservancy. Can't we find someone who is a representative of the majority of the people who live in Long Beach rather than someone with such a rigid, out of touch ideology?	8/2/2011
PUBLIC:	Michael Mawn	mmawn4@gmail.com		5th District, Gerrie Schipske	Long Beach	CA	90808	I would like to petition the Long Beach Mayor, City Auditor and Long Beach City Council to review the Los Angeles County Civil Grand Jury on-line report titled FINAL REPORT 2010-2011 CIVIL GRAND JURY, section "A WHISTLEBLOWER'S COMPLAINT". This Los Angeles County Civil Grand Jury report details misconduct and possible violations of the law by high ranking City of Long Beach officials.	8/2/2011
