Presentation for Spay and Neuter Awareness Month.	Kate Karp	katekarp@netzero.net		Belmont Shore	Long Beach	CA	90803	With the addition of Mandatory Spay/Neuter to the city's municipal code; with the efforts of FOLBA, Fix Long Beach, and other volunteer organizations to stem the flow of unwanted pets into the shelter, and with the results that Animal Care Services shows us regarding the monthly decline of euthanasia and intake, it naturally follows that Long Beach become a World Spay Day city.	2/21/2017
