

Community Livability Plan for I-710 Neighborhoods

I-710 Council Oversight Committee

March 27, 2007

I-710 Long Beach Community Livability Plan

- **Environmental Justice Planning Contract
(\$200K)**
- **Consultants: Melendrez Design Partners
and Diversified Strategies for Organizing**

I-710 Long Beach Community Livability Plan

Purpose:

- **To work with the corridor neighborhoods to identify and develop plans to address the impacts they are experiencing from the operation of the I-710 freeway, and**
- **To develop a series of action strategies and design solutions to improve the physical environment for residents in those neighborhoods.**
