HONORABLE MAYOR AND CITY COUNCIL

California

## RECOMMENDATION:

Receive the supporting documentation into the record, conclude the hearing and approve one of the following actions: 1) grant the Permit, with or without conditions; or 2) grant a One-Year Short-Term Permit, with or without conditions; or 3) deny the Permit on the application of Springbok Bar & Grill Long Beach, Inc., DBA Springbok Bar & Grill, 423 Shoreline Village Drive #A, for Entertainment Without Dancing by Patrons at an existing Restaurant. (District 2)

## DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit is granted or denied.

The LBMC also requires that the City Council make a determination that the application is complete and truthful; the applicant, the person interested in the ownership and operation of the entity, and the officers and trustees of the entity are law-abiding persons who will operate and conduct the business activity in a lawful manner; and, that the public peace, welfare, and safety will not be impaired. If this is so, the application shall be approved, a short-term permit shall be approved, or the application shall be denied.

Attached for your review is the application from Springbok Bar & Grill Long Beach, Inc., DBA Springbok Bar & Grill. Also attached are reports from various departments and a summary of those reports, as well as the license history of the establishment.

City departments have conducted their investigation in accordance with the LBMC. The following summarizes their findings:

- The Police Department recommends that the permit for entertainment without dancing by patrons be approved subject to conditions.
- The Fire Department recommends that the permit for entertainment without dancing by patrons be approved with conditions.

- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Development Services Department recommends that the permit for entertainment without dancing by patrons be approved.

In the event that any of the recommended conditions attached to any permit or licenses are in conflict, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a restaurant with alcohol since January 2002.

This item was reviewed by Deputy City Attorney Cristyl Meyers on January 27, 2009.

**Subject:** **APPLICATION FOR ENTERTAINMENT WITHOUT DANCING AT SPRINGBOK BAR AND GRILL – 423 SHORELINE VILLAGE DRIVE #A**

---

In response to your request for a recommendation regarding the above named permit application for Entertainment without Dancing, the Police Department recommends **approval**, subject to the following seventeen (17) standard conditions of the Downtown Dining and Entertainment District:

Springbok Bar & Grill is located at the south end of Shoreline Village. The establishment is open for lunch and dinner and will offer entertainment in the evening hours.

#### **CONDITIONS OF OPERATION**

- 1) Indoor entertainment and outdoor non-amplified entertainment that otherwise conforms with the requirements of state and local laws and regulations may be offered pursuant to permit until 2 a.m., seven days a week.

Outdoor amplified entertainment is prohibited during the period of the pilot program, except for rooftop entertainment that was permitted at the time of the creation of this pilot program, or except in conjunction with a special events permit.

- 2) Each holder of an existing entertainment permit within the entertainment district and each new applicant for a downtown area entertainment permit, including an applicant who acquires an existing business through a change of ownership, shall, within ninety (90) days of application, attend a permit orientation session conducted by or at the direction of the City. Each new applicant for a downtown area entertainment permit, including an applicant who acquires an existing business through a change of ownership, shall, within ninety (90) days of application, submit proof of attending the LEAD program offered by the Department of Alcoholic Beverage Control.
- 3) The permittee shall comply with all applicable laws, regulations, ordinances and stated conditions. It is the intent of the City that each permittee make his or her own business decisions as to how to implement compliance; however, if the permittee fails to comply with the conditions of this permit, or if his or her operations result in excessive police service as defined below, the permittee will be required to operate under the more restrictive conditions described in Attachment "B" and made a permanent part of this permit without further hearing.

- 4) The permittee shall be responsible for all entertainment activities at the location, including those conducted by promoters. Each permittee and promoter conducting business within the City of Long Beach must have or obtain a City of Long Beach Business License prior to conducting entertainment activities governed by this permit. The permittee shall provide all promoters and agents hired to conduct entertainment activities with a copy of the approved permit, which shall include a copy of the approved conditions of operation
- 5) The operation of the establishment shall be limited to those activities expressly indicated on the entertainment permit application and approved by the City Council. Any change in the operation that exceeds the conditions of the approved permit will require approval by City Council.
- 6) The permittee shall comply with the requirements of LBMC Sec. 8.80 (Noise) at all times. In addition, in response to a complaint, the Police Department will enforce Penal Code Section 415 (disturbing the peace) and all other state and local provisions related to the "public peace." Permittee shall conduct all aspects of his or her operation, including before and after hours deliveries and maintenance, in consideration of residences located nearby. Permittee agrees that the following standard is reasonable: Noise emanating from Permittee's premises shall not be audible from the middle of the street adjoining the premises.
- 7) No adult entertainment, as defined by section 5.72.115(B) LBMC shall be conducted on the permitted premises. The permittee shall not allow, permit, procure, or encourage, anyone to expose male or female genitals, cleft of the buttocks, the areola or any portion of the female breast below the areola, while at or inside the business.
- 8) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request. (LBMC section 18.48.320)
- 9) Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public. In the event of a conflict on this issue between the requirements of this permit and any permit issued by the Alcoholic Beverage Commission, the more stringent regulation shall control.

- 10) The permittee shall be responsible for maintaining an adequate security staff to supervise patrons and those waiting to enter. Potential patrons awaiting entry in a defined "queue" shall be counted toward the calculation of required security staffing levels. For up to fifty (50) people inside (or in a defined queue waiting to enter) an establishment, the permittee shall provide a minimum of one (1) uniformed licensed security guard per floor. There shall be one additional guard for each subsequent increment or each partial increment of 50, plus one guard per each additional floor. (Example: a one-story establishment with 75 patrons present must have two guards. A two-story establishment with 75 patrons present must have three guards.) Potential patrons awaiting entry in a defined "queue" shall be counted toward the calculation of required security staffing levels. The Chief of Police may relax these staffing levels during daylight hours, or during hours in which the primary activity in the establishment is dining, if he determines that a lower level of security staffing is consistent with the protection of public health and safety.

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other clearly-visible form of identification.

- 11) If an establishment is licensed as a restaurant, all entertainment activities shall be conducted in conjunction with regular dining or pre-planned banquet activities. A banquet is defined as a private function held at a bona fide eating-place wherein complete and substantial meals are provided to the persons in attendance by the management of the restaurant where the function is being held. Fast food, snacks and hors d'oeuvres shall not constitute a complete and substantial meal. Taverns are not subject to this requirement.
- 12) Persons under eighteen (18) years of age shall not be permitted to enter nor permitted to remain on the premises after 10 p.m., unless accompanied by a parent or legal guardian.
- 13) The permittee shall establish a program to discourage loitering and littering outside any of the entrance/exit doors at all times open for business. This should be done by use of security guards and/or signs near all exits that encourage patrons to "respect our neighbors" and the provision of trash receptacles.
- 14) At the conclusion of each event and at closing time, the permittee's staff shall remind patrons to refrain from loitering in the immediate area, littering or making excessive noise. Patrons should be reminded to use trash receptacles and to walk directly and quietly to their cars or other transportation.

- 15) The permittee shall not distribute, post or attach, and shall be responsible for ensuring that its promoters and or agents do not distribute, post or attach, advertising matter on public property or on any vehicle on public property.
- 16) Any graffiti painted or marked upon the premises or on any adjacent area under the control of the permittee shall be removed or painted over within 24 hours after being applied.
- 17) When the Chief of Police determines that excessive police services are required as the result of any incident or nuisance arising out of or in connection with the permittee's operations, the cost of such services shall be billed to the permittee as an expense of an emergency response. "Expense of an emergency response" means those costs incurred by the City of Long Beach in making any appropriate emergency response to the incident, and shall be comprised of all costs directly arising because of the response to the particular incident, including, but not limited to, the costs of providing police, firefighting, rescue, and emergency medical services at the scene of the incident, as well as the salaries of the personnel responding to the incident."

### Tiered Conditions

**This page contains progressively more stringent regulations on entertainment and related activities in the Dining and Entertainment District. By applying for a permit, the applicant agrees to the conditions contained here and understands that he or she is not entitled to a public hearing if these conditions are applied. The City Council may add further conditions not listed here, or revoke the permit, if the permittee does not comply with the conditions imposed in this permit.**

**The conditions on this attachment do not modify or limit in any way the authority of the Chief of Police to enforce Penal Code Section 415 (disturbing the peace) against any person, or of the Chief of Police or the Fire Marshal to immediately take action in the event of an imminent threat to public health or safety.**

#### Tier 1 Conditions:

Permittee may have entertainment on the premises during the maximum hours permitted in the district, consistent with ABC requirements and conditions imposed under a Conditional Use Permit. As long as the primary requirements for safety and noise are met (Conditions 1-17), Permittee may choose the methods of meeting those requirements.

Noncompliance with Tier 1 conditions: when the Chief of Police determines that Permittee has violated the terms of the permit, including the Permittee's obligation to comply with all other laws and regulations, but believes those violations can be remedied through education and/or minor modifications to Permittee's operation, Permittee will be asked to attend a meeting with the involved departments, pilot program area residents and businesses, and other interested persons to address community concerns and discuss how the implementation of Tier 2 Conditions can be avoided.

#### Tier 2 Conditions:

##### Noise:

Following the receipt of 3 or more noise complaints that require a response by the Police Department within a 30-day period and which are found to violate the "middle of the street" standard for noise, Permittee will be notified that his or her premises must comply with those Tier 2 Noise Conditions which the Chief of Police determines are necessary to protect the public peace and to comply with the City's noise ordinance, from among the following list:

---Permittee must keep all doors and windows closed except while patrons are entering or exiting.

---Meet with Health Department staff to discuss best practices to be implemented to mitigate noise.

- No outdoor entertainment of any kind will be permitted after 10 p.m.
- No queue after midnight. Any persons gathering outside the establishment shall be considered to be loitering.

#### Security/Public Safety:

For the purposes of this section, an "incident" means a complaint or occurrence that requires a police or Fire Marshal response to Permittee's premises due to Permittee's noncompliance with the terms and conditions of the Entertainment Permit. Following 3 or more incidents within a 30-day period, the Chief of Police or Fire Marshal will notify Permittee of additional measures and conditions to be implemented. These additional measures will be some or all of the following:

- Additional security personnel at hours determined necessary by the Chief of Police to prevent Permittee's operations from creating a public nuisance.
- Additional security checks on incoming patrons.
- No queue after midnight. Any persons gathering outside the establishment shall be considered to be loitering.
- Any additional measures deemed necessary by the Chief of Police or the Fire Marshal to protect health and safety.

NOTE: upon the request of a permittee who has been required to implement Tier 2 conditions, the Chief of Police, in consultation with the Fire Marshal and the Health Department, shall review the permittee's recent compliance history and determine whether some or all conditions can be returned to Tier 1 levels consistent with the protection of public health and safety.

#### Tier 3 Conditions:

The failure of a permittee to resolve noise and/or security/public safety issues as directed by the Chief of Police or the Fire Marshal within a reasonable period, not to exceed 30 days in any case, shall result in the implementation of Tier 3 conditions:

#### Noise:

- No outdoor entertainment of any kind will be permitted at any time.
- Only non-amplified entertainment will be permitted at any time OR amplified entertainment will only be permitted until 10 p.m. any night.
- Contain all noise within the premises. No noise audible outside the establishment.
- Implement Health Department recommendations to mitigate noise. Provide pre- and post-implementation monitoring data collected by a certified noise expert approved by the Health Department.

#### Security/Public Safety:

- The establishment must cease entertainment not later than 10 p.m. on Sunday through Wednesday nights and no later than midnight on Thursday through Saturday nights. The Chief of Police is authorized to make adjustments of up to one hour in these times to protect the public peace.

---Permittee shall limit the queue outside the establishment to no more than 20 people. There shall be no queue within 2 hours of the lawful closing time. Any persons gathering outside the establishment shall be considered to be loitering.

---Any additional measures determined necessary by the Chief of Police or the Fire Marshal to protect health and safety.

If the City determines that Permittee has not modified his or her operations in compliance with Tier 3 conditions and Permittee continues to fail to comply with the terms and conditions of the Entertainment Permit, the City shall begin revocation or suspension proceedings. Permittee is entitled to a hearing to contest such revocation or suspension.

The Community Design and Development Division of the Department of Planning and Building has the following comments:

No CUPs or AUPs were found for the subject site; however, a CUP Exemption (Case No. 04-04) was approved for alcohol sales at an existing restaurant.

The subject site has previously been approved for an entertainment without dancing under a previous business name. The applicant is now seeking to obtain a permit for entertainment without dancing for "Springbok Bar & Grill". An entertainment permit without dancing is allowed as an accessory use to a restaurant. No extra parking is required.

Planning Bureau recommends that the entertainment permit with dancing by performers for "Springbok Bar & Grill" be approved.

If you have any questions regarding this response, please call Angie Zetterquist, Planner, at (562) 570-6553.
