19 This Chapter is designed to regulate video service providers holding

21 As of January 1, 2007, the State of California has sole authority to

27 consistent with state law, against all state video franchise holders operating  
28 within the City for violations of customer service standards. The Act leaves

unchanged the City's authority to regulate the City's current cable franchise in accordance with Chapter 15.74, until such time as the current cable franchisee no longer holds a City franchise or is no longer operating under a current or expired city franchise.

27
