About Christmas Cantata

The Gracias Christmas Cantata is a show-stopping musical event that has been performed in venues like the Sydney Opera House and Madison Square Garden, as well as many other stages around the world.

With 3 beautiful music-filled stages, and 1 eternal message of hope, Gracias Christmas Cantata teaches its audiences the true meaning of Christmas: the birth of hope, love, and God's forgiveness and every one of our hearts.

Performance Reviews

"The performance left me speechless. The voices of the choir were amazing and the overall structure of the performance was incredible too. Every stage delivered the message of Jesus' birth. This is the best I've ever cried during the Nativity scene!"

- Anitere Flores
 State Senator, Florida

"I've seen the Gracias Choir perform first in Beijing, China; then in Busan, South Korea; and finally in Chicago, Illinois. Every time I hear their music, I am newly amazed at the sound of their music. I've seen many choirs perform, but I think the Gracias Choir is the best. I've had the pleasure of coming to their performance."

- Michael J. Anderson
 President of the International
 Federation of Choral Music
