---

There is a great concern by the Redevelopment Community that should the RDA Board be dismantled and the City Council takes over as the RDA Board, that there will be an increase in the present stipend of \$100 per meeting.

Therefore, I request that should the City Council establish itself as the RDA Board, the City Attorney should be directed to prepare an Ordinance to read as follows: "Require that any increase in the stipend received by the RDA Board shall not become effective until after the incumbent member is no longer in office."
