12 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The

15 to work more than eight (8) hours unless that worker receives compensation in accordance
16 with Section 1815.

17 11. PREVAILING WAGE RATES. Contractor is directed to the prevailing
18 wage rates. Contractor shall forfeit, as a penalty to the City, Two Hundred Dollars (\$200)
19 for each laborer, worker or mechanic employed for each calendar day, or portion thereof,
20 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any

23 A. If the work is terminated pursuant to an order of any Federal or
24 State authority, Contractor shall accept as full and complete compensation under
25 this Contract such amount of money as will equal the product of multiplying the
26 Contract price stated herein by the percentage of work completed by Contractor as
27 of the date of such termination, and for which Contractor has not been paid. If the
28 work is so terminated, the City Engineer, after consultation with Contractor, shall

1 determine the percentage of work completed and the determination of the City
2 Engineer shall be final.

3 B. If Contractor is prevented, in any manner, from strict
4 compliance with the Plans and Specifications due to any Federal or State law, rule
5 or regulation, in addition to all other rights and remedies reserved to the parties City
6 may by resolution of the City Council suspend performance hereunder until the

18 B. Except for stop notices and claims made under the Labor Code,
19 City will notify Contractor when City receives any third party claims relating to this
20 Contract in accordance with Section 9201 of the Public Contract Code.

21 14. BONDS. Contractor shall, simultaneously with the execution of this
22 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the
23 form attached hereto and in the amount specified therein, conditioned upon the faithful
24 performance of this Contract by Contractor, and a good and sufficient corporate surety
25 bond, in the form attached hereto and in the amount specified therein, conditioned upon
26 the payment of all labor and material claims incurred in connection with this Contract.

27 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor any
28 of the moneys that may become due Contractor hereunder may be assigned by Contractor

1 without the written consent of City first had and obtained, nor will City recognize any
2 subcontractor as such, and all persons engaged in the work of construction will be
3 considered as independent contractors or agents of Contractor and will be held directly
4 responsible to Contractor.

5 16. CERTIFIED PAYROLL RECORDS.

6 A. Contractor shall keep and shall cause each subcontractor

10 diem wages paid to each journeyman, apprentice, worker, or other employee
11 employed by Contractor or subcontractor in connection with the work, all in
12 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such
13 payroll records for Contractor and all subcontractors shall be certified and shall be
14 available for inspection at all reasonable hours at the principal office of Contractor
15 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure
16 to furnish such records to City in the manner provided herein for notices shall entitle
17 City to withhold the penalty prescribed by law from progress payments due to
18 Contractor.

19 B. Upon completion of the work, Contractor shall submit to the City
20 certified payroll records for Contractor and all subcontractors performing any portion
21 of the work under this Contract. Certified payroll records for Contractor and all
22 subcontractors shall be maintained during the course of the work and shall be kept
23 by Contractor for up to three (3) years after completion of the work.

24 C. The foregoing is in addition to, and not in lieu of, any other

2 and custody of the work. If any loss or damage occurs to the work that is not covered by
3 collectible commercial insurance, excluding loss or damage caused by earthquake or flood
4 or the negligence or willful misconduct of City, then Contractor shall immediately make the
5 City whole for any such loss or pay for any damage. If Contractor fails or refuses to make
6 the City whole or pay, then City may do so and the cost and expense of doing so shall be
7 deducted from the amount due Contractor from City hereunder.

8 18. CONTINUATION. Termination or expiration of this Contract shall not
9 terminate the rights or liabilities of either party which rights or liabilities accrued or existed
10 prior to termination or expiration of this Contract.

11 19. TAXES AND TAX REPORTING.

13 until the form is submitted and the permit(s) obtained and, if Contractor does so, it
14 shall be a material breach of this Contract. In addition, Contractor shall make all

16 Long Beach office and all purchases made by Contractor under this Contract which
17 are subject to use tax of \$500,000 or more shall be allocated to the City of Long
18 Beach. Contractor shall require the same cooperation with City, with regards to
19 subsections B, C and D under this section (including forms and permits), from its

7 work to be performed hereunder does not constitute a peculiar risk of bodily harm and that
8 no special precautions are required to perform said work.

9 23. THIRD PARTY BENEFICIARY. This Contract is intended by the
10 parties to benefit themselves only and is not in any way intended or designed to or entered
11 for the purpose of creating any benefit or right of any kind for any person or entity that is
12 not a party to this Contract.

13 24. SUBCONTRACTORS. Contractor agrees to and shall bind every
14 subcontractor to the terms of this Contract; provided, however, that nothing herein shall
15 create any obligation on the part of City to pay any subcontractor except in accordance

USE TAX DIRECT PAYMENT PERMIT (General Information and Filing Instructions)

Revenue and Taxation Code section 7051.3 authorizes the State Board of Equalization to issue a *Use Tax Direct Payment Permit* to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a *Use Tax Direct Payment Exemption Certificate* which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a *Use Tax Direct Payment Permit*, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
 - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
 - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed *Application for Use Tax Direct Payment Permit*, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a *Use Tax Direct Payment Permit* and a *Use Tax Direct Payment Exemption Certificate* will be mailed to the applicant.

If you would like additional information regarding the *Use Tax Direct Payment Permit* or need assistance in completing this application, you can call 916-445-5167, or write to the Board of Equalization, Compliance Policy Unit, P.O. Box 942879, Sacramento, CA 94279-0040.

PERFORMANCE BOND
(Bond for Faithful Performance)

WHEREAS, The CITY OF LONG BEACH, a municipal corporation of the State of California, hereinafter the "City" or "Obligee," have conditionally awarded to P.T.M. GENERAL ENGINEERING SERVICES, INC., a California corporation designated as the "Contractor" or "Principal" herein, a contract for the work ("Work") described as follows: Traffic Signal Work at 4 Locations Project, as described in Specification No.: R-7066, Addenda/Addendum No. _____ and related drawings.

WHEREAS, the Principal is about to enter into a Contract with Obligee for performance of the Work, which Contract, and all Contract Documents set forth therein are incorporated herein by this reference.

WHEREAS, the Principal is required to furnish a bond guaranteeing the prompt, full and faithful performance of its obligations under the Contract Documents concurrently with delivery to Obligee of the executed Contract.

NOW, THEREFORE, we the undersigned Contractor, as Principal, and INTERNATIONAL FIDELITY INSURANCE COMPANY, an admitted surety insurer in the State of California, as Surety, are held and firmly bound unto THE CITY OF LONG BEACH, a municipal corporation of the State of California (hereinafter the "City" or "Obligee") in the penal sum of Seven Hundred Eleven Thousand Eleven Dollars (\$711,011) lawful money of the United States, for the payment of which sum, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT:

If the Principal shall promptly, fully and faithfully perform each and all of the obligations and things to be done and performed by the Principal in strict accordance with the terms of the Contract Documents as said Contract Documents may be modified or amended from time to time; and if the Principal shall indemnify and save harmless the Obligee and all of its officers, agents and employees from any and all losses, liability and damages, claims, judgments, stop notices, costs, and fees of every description, whether imposed by law or equity, which may be incurred by the Obligee by reason of the failure or default on the part of the Principal in the performance of any or all of the terms or the obligations of the Contract Documents, as they may be amended and supplemented including, but not limited to, its liability for liquidated damages for delay, all warranties or guarantees required thereunder and indemnity obligations; then this obligation shall be void; otherwise, it shall be, and remain, in full force and effect.

Whenever the Principal shall be, and is declared by the Obligee to be in default under the Contract, which shall include without limitation, any breach or default of the Contract Documents, then, after written notice from the Obligee to the Surety, as provided for below, the Surety shall either remedy the default or breach by the Principal or shall promptly and faithfully take charge of the Work of and complete the Work in accordance with the requirements of the Contract Documents with a contractor other than the Principal at its own expense and make available as work progresses sufficient funds to pay the cost of completion less the balance of the Contract price including other costs and damages for which the surety may be liable hereunder; provided, however, that the procedure by which the Surety undertakes to discharge its obligations under this Bond shall be subject to the advance written approval of the Obligee.

Within fifteen (15) days of Obligee's written notice to the Surety of the failure of performance of the Contract by the Principal, it shall be the duty of the Surety to give to the Obligee an unequivocal notice in writing of the Surety's election to remedy the default(s) of the Principal promptly, or to arrange for performance of the Contract promptly by a Contractor other than the Principal, time being of essence to this Bond. In said Notice of Election, the Surety shall state the date of commencement of its cure or remedy of the Principal's default(s) or its performance of the Contract. The Surety's obligations for cure or remedy, include but are not limited to: correction of defective work and completion of the Contract, additional legal, design professional and delay costs arising from Surety's actions or failure to act; and liquidated damages, or if no liquidated damages are specified in the Contract, actual damages caused by delayed performance or non-performance by the Principal. The Surety shall give prompt written notice to the Obligee upon completion of the cure or remedy of the Principal's default(s) of its performance of the Construction Contract.

If the Surety does issue its Notice of Election and does not proceed to cure or remedy the Principal's default(s) of its performance of the Work with reasonable promptness, the Surety shall be deemed to be in default on this bond fifteen (15) days after receipt of a written notice from Obligee to the Surety demanding that the Surety perform its obligations under this Bond, and the Obligee shall be entitled to enforce any remedy available to Obligee.

The Surety and Principal, for value received, hereby stipulate and agree that no change, extension of time, modification, alteration or addition to the terms of the Contract or Contract Documents or to the Work to be performed thereunder shall in any way affect or release the Principal or Surety or their respective heirs, executors, administrators, successors and assigns from their obligations on this bond, and Surety does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract, or Contract Documents, or to the Work. No premature payment by the City to the Principal shall release or exonerate the Surety, unless the Officer or Board of the City ordering the payment shall have actual notice at the time the order is made that the payment is in fact premature, and then only to the extent that such payment shall result in actual loss to the Surety, but in no event more than the amount of such premature payment.

FURTHER, Principal and Surety agree that if Obligee is required to engage the services of attorneys in connection with enforcement of the bond, each shall pay Obligee's reasonable attorneys' fees incurred, with or without suit, in addition to the above penal sum.

The guarantees contained herein shall survive the final completion of the Work called for in the Contract Documents with respect to the obligations and liabilities of the Principal which survive such final completion.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above-named, on the 22ND day of MARCH, 2018.
