Preferably resolutions should authorize a designated position rather than a named individual.

8. Funding

It is mutually understood between the parties that this subgrant agreement may have been written before ascertaining the availability of congressional and legislative appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays which would occur if the subgrant agreement was executed after that determination was made.

This subgrant agreement is valid and enforceable only if (1) sufficient funds are made available by the State Budget Act of the appropriate state fiscal years covered by this subgrant agreement for the purposes of this program and; (2) sufficient funds available to the state by the United States Government for the fiscal years covered by this subgrant agreement for the purposes of this program. In addition, this subgrant agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress and Legislature or any statute enacted by the Congress and Legislature which may affect the provisions, terms, or funding of this subgrant agreement in any manner.

- a). At the expiration of the terms of this subgrant agreement or upon termination prior to the expiration of this subgrant agreement, funds not obligated for the purpose of this subgrant agreement will be immediately remitted to the Subgrantor, and no longer available to the Subgrantee.
- b). The Subgrantor retains the right to suspend financial assistance, in whole or in part, to protect the integrity of the funds or to ensure proper operation of the program, providing the Subgrantee is given prompt notice and the opportunity for an informal review of the Subgrantor's decision. The Chief Deputy Director or his designee will perform this informal review and will issue the final administrative decision within 60 days of receiving the written request for review. Failure on the part of the Subgrantee or a Subcontractor of the Subgrantee to comply with the provisions of this subgrant agreement, or with the WIA or regulations, when such failure involves fraud or misappropriation of funds, may result in immediate withholding of funds.
- c). The local Chief Elected Official (CEO) of a unit of general local government designated as a Local Workforce Investment Area (LWIA) shall be liable to the EDD for all funds not expended in accordance with WIA, and shall return to the EDD all of those funds. If there is more than one unit of general local government in a LWIA, the CEO(s) will be the individual(s) designated under an agreement executed by the CEO(s) of the local units of government. The CEO(s) designated under the agreement shall be liable to the EDD for all funds not expended in accordance with the WIA, and shall return to the EDD all of those funds.

9. Accounting and Cash Management

- a). Subgrantee will comply with controls, record keeping and fund accounting procedure requirements of WIA, federal and state regulations and directives to ensure the proper disbursement of, and accounting for, program funds paid to the Subgrantee and disbursed by the

Subgrantee, under this subgrant agreement.

- b). Subgrantee will submit requests for cash to coincide with immediate cash needs and assure that no excess cash is on deposit in their accounts or the accounts of any sub-contracting service provider in accordance with procedures established by the Subgrantor. Failure to adhere to these provisions may result in suspending cash draw down privileges and providing funds through a reimbursement process.
- c). The Subgrantor retains the authority to adjust specific amounts of cash requested if the Subgrantor's records and subsequent verification with the Subgrantee indicate that the Subgrantee has an excessive amount of cash in its account.
- d). Income (including interest income) generated as a result of the receipt of WIA activities, will be utilized in accordance with policy and procedures established by the Subgrantor. Subgrantee will account for any such generated income separately.
- e). Subgrantee shall not be required to maintain a separate bank account but shall separately account for WIA funds on deposit. All funding under this subgrant agreement, will be made by check or wire transfer payable to the Subgrantee for deposit in Subgrantee's bank account or city and county governmental bank accounts. To provide for the necessary and proper internal controls, funds should be withdrawn and disbursed by no less than two representatives of the Subgrantee. The Subgrantor will have a lien upon any balance of WIA funds in these accounts, which will take priority over all other liens or claims.

10. Amendments

This subgrant agreement may be unilaterally modified by the Subgrantor under the following circumstances:

- a). There is an increase or decrease in federal or state funding levels.
- b). A modification to the Subgrant is required in order to implement an adjustment to a Subgrantee's plan.
- c). Funds awarded to the Subgrantee have not been expended in accordance with the schedule included in the approved Subgrantee's plan. After consultation with the Subgrantee, the Subgrantor has determined that funds will not be spent in a timely manner, and such funds are for that reason to the extent permitted by and in a manner consistent with state and federal law, regulations and policies, reverting to the Subgrantor.
- d). There is a change in state and federal law or regulation requiring a change in the provisions of this subgrant agreement.
- e). An amendment is required to change the Subgrantees' name as listed on this subgrant agreement. Upon receipt of legal documentation of the name change the state will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

- (2). Nothing in this provision shall restrict, limit, or otherwise prevent Subgrantee from using any ideas, concepts, know-how, methodology or techniques related to its performance under this subgrant agreement, provided that Subgrantee's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of Subgrantor or third party, or result in a breach or default of any provisions of paragraph nineteen a) through nineteen i) or result in a breach of any provisions of law relating to confidentiality.

d). Copyright

- (1) Subgrantee agrees that for purposes of copyright law, all works (as defined in Ownership, paragraph nineteen (b) (2) (a) of authorship made by or on behalf of Subgrantee in connection with Subgrantee's performance of this subgrant agreement shall be deemed "works made for hire." Subgrantee further agrees that the work of each person utilized by Subgrantee in connection with the performance of this subgrant agreement will be a "work made for hire," whether that person is an employee of Subgrantee or that person has entered into an agreement with Subgrantee to perform the work. Subgrantee shall enter into a written agreement with any such person that:  
(i) all work performed for Subgrantee shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to Subgrantor to any work product made, conceived, derived from or reduced to practice by Subgrantee or Subgrantor and which result directly or indirectly from this subgrant agreement.

If such a license upon these terms is unattainable, and Subgrantor determines that the Intellectual Property should be included in or is required for Subgrantee's performance of this subgrant agreement, Subgrantee shall obtain a license under terms acceptable to Subgrantor.

g). Warranties

(1). Subgrantee represents and warrants that:

- (a). It has secured and will secure all rights and licenses necessary for its performance of this subgrant agreement.
  - (b). Neither Subgrantee's performance of this subgrant agreement, nor the exercise by either Party of the rights granted in this subgrant agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Subgrantee or Subgrantor and which result directly or indirectly from this subgrant agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There are currently no actual or threatened claims by any such third party based on an alleged violation of any such right by Subgrantee.
  - (c). Neither Subgrantee's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
  - (d). It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors.
  - (e). Of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites locations, property or props that may be used or shown.
  - (f). It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to Subgrantor in this subgrant agreement.
  - (g). It has appropriate systems and controls in place to ensure that state and federal funds will not be used in the performance of this subgrant agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
  - (h). It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Subgrantee's performance of this subgrant agreement.
- (2). SUBGRANTOR MAKES NO WARRANTY, THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS SUBGRANT AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

h). Intellectual Property Indemnity

- (1). Subgrantee shall indemnify, defend and hold harmless Subgrantor and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnities") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim action, or proceeding, commenced or threatened) to which any of the Indemnities may be subject, whether or not Subgrantee is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Subgrantee pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of Subgrantor's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Subgrantee or Subgrantor and

which result directly or indirectly from this subgrant agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that was issued after the effective date of this subgrant agreement. Subgrantor reserves the right to participate in and/or control, at Subgrantee's expense, any such infringement action brought against Subgrantor.

- (2). Should any Intellectual Property licensed by the Subgrantee to Subgrantor under this subgrant agreement become the subject of an Intellectual Property infringement claim, Subgrantee will exercise its authority reasonably and in good faith to preserve Subgrantor's right to use the licensed Intellectual Property in accordance with this subgrant agreement at no expense to Subgrantor. Subgrantor shall have the right to monitor and appear through its own counsel (at Subgrantee's expense) in any such claim or action. In the defense or settlement of the claim, Subgrantee may obtain the right for Subgrantor to continue using the licensed Intellectual Property or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, Subgrantor may be entitled to a refund of all monies paid under this subgrant agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
- (3). Subgrantee agrees that damages alone would be inadequate to compensate Subgrantor for breach of any term of these Intellectual Property provisions of paragraph nineteen a) through nineteen i) by Subgrantee. Subgrantee acknowledges Subgrantor would suffer irreparable harm in the event of such breach and agrees Subgrantor shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

i). Survival

The provisions set forth herein shall survive any termination or expiration of this subgrant agreement or any project schedule.

That information will include data, applications, program files, and information about specific clients receiving services. In no event shall said information be disclosed to any individual outside of that third party's authorized staff, subcontractor(s), service providers, or employees.
- l). The Subgrantee may, in its operation of the One-Stops, permit a One-Stop Operator to enter into a subcontract to manage confidential information. This subcontract may allow an individual to register for resume-distribution services at the same time the individual enrolls in CalJOBS. Subgrantee shall ensure that all such subcontracts comply with the intellectual property requirements of paragraph 19 of this Subgrant, the confidentiality requirements of paragraph 20 of this Subgrant and any other terms of this Subgrant that may be applicable. In addition, the following requirements must be included in the subcontracts:

In accordance with 29 Code of Federal Regulations 97.42, social security numbers and other client specific information shall not be retained for more than three years after a client completes services. The subgrantee should extend this period, only if any litigation, claim, negotiation, audit, or other action
