CONTRACT  
**35039**

THIS CONTRACT is made and entered, in duplicate, as of June 20, 2018 for reference purposes only, pursuant to a minute order adopted by the City Council of the City of Long Beach at its meeting held on June 19, 2018, by and between SULLY-MILLER CONTRACTING COMPANY, a Delaware corporation ("Contractor"), whose address is 135 S. State College Blvd., Suite 400, Brea, California 92821, and the CITY OF LONG BEACH, a municipal corporation ("City").

WHEREAS, pursuant to a Notice Inviting Bids for Street Improvement of Broadway and 3<sup>rd</sup> Street Between Magnolia Avenue and Alamitos Avenue in the City of Long Beach, California, dated April 5, 2017, and published by City, bids were received, publicly opened and declared on the date specified in said Notice; and

WHEREAS, the City Manager accepted the bid of Contractor; and

WHEREAS, the City Council authorized the City Manager to enter a contract with Contractor for the work described in Project Plans and Specifications No. R-7056;

NOW, THEREFORE, in consideration of the mutual terms and conditions herein, the parties agree as follows:

1. SCOPE OF WORK. Contractor shall furnish all necessary labor, supervision, tools, materials, supplies, appliances, equipment and transportation for the work described in Project Plans and Specifications No. R-7056 for Street Improvement of Broadway and 3<sup>rd</sup> Street Between Magnolia Avenue and Alamitos Avenue in the City of Long Beach, California, said work to be performed according to the Contract Documents identified below. However, this Contract is intended to provide to City complete and finished work and, to that end, Contractor shall do everything necessary to complete the work, whether or not specifically described in the Contract Documents.

2. PRICE AND PAYMENT.

A. City shall pay to Contractor the amount(s) for materials and work identified in Contractor's Bid for Street Improvement of Broadway and 3<sup>rd</sup>

1 Street Between Magnolia Avenue and Alamitos Avenue in the City of Long Beach,  
2 California, attached hereto as Exhibit "A"; provided, however, that the total  
3 compensation to Contractor shall not exceed the maximum cumulative amount of  
4 Four Million One Hundred Fifty-Two Thousand Dollars (\$4,152,000) for the  
5 estimated quantities established in the Bid, subject to additions or deductions as  
6 provided in the Contract Documents.

7 B. Contractor shall submit requests for progress payments and  
8 City will make payments in due course of payments in accordance with Section 9 of  
9 the Standard Specifications for Public Works Construction (latest edition).

10 3. CONTRACT DOCUMENTS.

11 A. The Contract Documents include: The Notice Inviting Bids,  
12 Project Specifications No. R-7056 (which may include by reference the Standard  
13 Specifications for Public Works Construction, latest edition, and any supplements  
14 thereto, collectively the "Standard Specifications"); the City of Long Beach Standard  
15 Plans; Project Drawing No. C-6119 for this work; the California Code of Regulations;  
16 the various Uniform Codes applicable to trades; the prevailing wage rates;  
17 Instructions to Bidders; the Bid; the bid security; the City of Long Beach  
18 Disadvantaged, Minority and Women-Owned Business Enterprise Program; this  
19 Contract and all documents attached hereto or referenced herein including but not  
20 limited to insurance; Bond for Faithful Performance; Payment Bond; Notice to  
21 Proceed; Notice of Completion; any addenda or change orders issued in  
22 accordance with the Standard Specifications; any permits required and issued for  
23 the work; approved final design drawings and documents; and the Information  
24 Sheet. These Contract Documents are incorporated herein by the above reference  
25 and form a part of this Contract.

26 B. Notwithstanding Section 2-5.2 of the Standard Specifications,  
27 if any conflict or inconsistency exists or develops among or between Contract  
28 Documents, the following priority shall govern: 1) Permit(s) from other public

1 agencies; 2) Change Orders; 3) this Contract (including any and all amendments  
2 hereto); 4) Addenda (which shall include written clarifications, corrections and  
3 changes to the bid documents and other types of written notices issued prior to bid  
4 opening; 5) Project Specifications; 6) Project Plans (including drawings); 7) the City  
5 of Long Beach Standard Plans; 8) Standard Specifications (as identified in Section  
6 3.A. hereof, the "Greenbook"); 9) other reference specifications; 10) other  
7 reference plans; 11) the Bid; and 12) the Notice Inviting Bids.

8 4. TIME FOR CONTRACT. Contractor shall commence work on a date  
9 to be specified in a written Notice to Proceed from City and shall complete all work within  
10 one hundred twenty (120) working days thereafter, subject to strikes, lockouts and events  
11 beyond the control of Contractor. Time is of the essence hereunder. City will suffer  
12 damage if the work is not completed within the time stated, but those damages would be  
13 difficult or impractical to determine. So, Contractor shall pay to City, as liquidated  
14 damages, the amount stated in the Contract Documents.

15 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The  
16 acceptance of any work or the payment of any money by City shall not operate as a waiver  
17 of any provision of any Contract Document, of any power reserved to City, or of any right  
18 to damages or indemnity hereunder. The waiver of any breach or any default hereunder  
19 shall not be deemed a waiver of any other or subsequent breach or default.

20 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently  
21 herewith, Contractor shall submit certification of Workers' Compensation coverage in  
22 accordance with California Labor Code Sections 1860 and 3700, a copy of which is  
23 attached hereto as Exhibit "B".

24 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time  
25 upon City by Contractor for and on account of any extra or additional work performed or  
26 materials furnished, unless such extra or additional work or materials shall have been  
27 expressly required by the City Manager and the quantities and price thereof shall have  
28 been first agreed upon, in writing, by the parties hereto.

1           8.     CLAIMS. Contractor shall, upon completion of the work, deliver  
2 possession thereof to City ready for use and free and discharged from all claims for labor  
3 and materials in doing the work and shall assume and be responsible for, and shall protect,  
4 defend, indemnify and hold harmless City from and against any and all claims, demands,  
5 causes of action, liability, loss, costs or expenses for injuries to or death of persons, or  
6 damages to property, including property of City, which arises from or is connected with the  
7 performance of the work.

8           9.     INSURANCE. Prior to commencement of work, and as a condition  
9 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence of  
10 all insurance required in the Contract Documents.

11           In addition, Contractor shall complete and deliver to City the form  
12 (“Information Sheet”) attached as Exhibit “C” and incorporated by reference, to comply with  
13 Labor Code Section 2810.

14           10.    WORK DAY. Contractor shall comply with Sections 1810 through  
15 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a  
16 penalty to City, the sum of Twenty-Five Dollars (\$25) for each worker employed by  
17 Contractor or any subcontractor for each calendar day such worker is required or permitted  
18 to work more than eight (8) hours unless that worker receives compensation in accordance  
19 with Section 1815.

20           11.    PREVAILING WAGE RATES. Contractor is directed to the prevailing  
21 wage rates. Contractor shall forfeit, as a penalty to the City, Two Hundred Dollars (\$200)  
22 for each laborer, worker or mechanic employed for each calendar day, or portion thereof,  
23 that such laborer, worker or mechanic is paid less than the prevailing wage rates for any  
24 work done by Contractor, or any subcontractor, under this Contract.

25           12.    COORDINATION WITH GOVERNMENTAL REGULATIONS.

26           A.     If the work is terminated pursuant to an order of any Federal or  
27 State authority, Contractor shall accept as full and complete compensation under  
28 this Contract such amount of money as will equal the product of multiplying the

1 Contract price stated herein by the percentage of work completed by Contractor as  
2 of the date of such termination, and for which Contractor has not been paid. If the  
3 work is so terminated, the City Engineer, after consultation with Contractor, shall  
4 determine the percentage of work completed and the determination of the City  
5 Engineer shall be final.

6 B. If Contractor is prevented, in any manner, from strict  
7 compliance with the Plans and Specifications due to any Federal or State law, rule  
8 or regulation, in addition to all other rights and remedies reserved to the parties City  
9 may by resolution of the City Council suspend performance hereunder until the  
10 cause of disability is removed, extend the time for performance, make changes in  
11 the character of the work or materials, or terminate this Contract without liability to  
12 either party.

13 13. NOTICES.

14 A. Any notice required hereunder shall be in writing and personally  
15 delivered or deposited in the U.S. Postal Service, first class, postage prepaid, to  
16 Contractor at the address first stated herein, and to the City at 333 West Ocean  
17 Boulevard, Long Beach, California 90802, Attn: City Manager. Notice of change of  
18 address shall be given in the same manner as stated herein for other notices. Notice  
19 shall be deemed given on the date deposited in the mail or on the date personal  
20 delivery is made, whichever first occurs.

21 B. Except for stop notices and claims made under the Labor Code,  
22 City will notify Contractor when City receives any third party claims relating to this  
23 Contract in accordance with Section 9201 of the Public Contract Code.

24 14. BONDS. Contractor shall, simultaneously with the execution of this  
25 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the  
26 form attached hereto and in the amount specified therein, conditioned upon the faithful  
27 performance of this Contract by Contractor, and a good and sufficient corporate surety  
28 bond, in the form attached hereto and in the amount specified therein, conditioned upon

1 the payment of all labor and material claims incurred in connection with this Contract.

2 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor any  
3 of the moneys that may become due Contractor hereunder may be assigned by Contractor  
4 without the written consent of City first had and obtained, nor will City recognize any  
5 subcontractor as such, and all persons engaged in the work of construction will be  
6 considered as independent contractors or agents of Contractor and will be held directly  
7 responsible to Contractor.

8 16. CERTIFIED PAYROLL RECORDS.

9 A. Contractor shall keep and shall cause each subcontractor  
10 performing any portion of the work under this Contract to keep an accurate payroll  
11 record, showing the name, address, social security number, work classification,  
12 straight time and overtime hours worked each day and week, and the actual per  
13 diem wages paid to each journeyman, apprentice, worker, or other employee  
14 employed by Contractor or subcontractor in connection with the work, all in  
15 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such  
16 payroll records for Contractor and all subcontractors shall be certified and shall be  
17 available for inspection at all reasonable hours at the principal office of Contractor  
18 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure  
19 to furnish such records to City in the manner provided herein for notices shall entitle  
20 City to withhold the penalty prescribed by law from progress payments due to  
21 Contractor.

22 B. Upon completion of the work, Contractor shall submit to the City  
23 certified payroll records for Contractor and all subcontractors performing any portion  
24 of the work under this Contract. Certified payroll records for Contractor and all  
25 subcontractors shall be maintained during the course of the work and shall be kept  
26 by Contractor for up to three (3) years after completion of the work.

27 C. The foregoing is in addition to, and not in lieu of, any other  
28 requirements or obligations established and imposed by any department of the City

1 with regard to submission and retention of certified payroll records for Contractor  
2 and subcontractors.

3 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to  
4 the contrary in the Standard Specifications, Contractor shall have the responsibility, care  
5 and custody of the work. If any loss or damage occurs to the work that is not covered by  
6 collectible commercial insurance, excluding loss or damage caused by earthquake or flood  
7 or the negligence or willful misconduct of City, then Contractor shall immediately make the  
8 City whole for any such loss or pay for any damage. If Contractor fails or refuses to make  
9 the City whole or pay, then City may do so and the cost and expense of doing so shall be  
10 deducted from the amount due Contractor from City hereunder.

11 18. CONTINUATION. Termination or expiration of this Contract shall not  
12 terminate the rights or liabilities of either party which rights or liabilities accrued or existed  
13 prior to termination or expiration of this Contract.

14 19. TAXES AND TAX REPORTING.

15 A. As required by federal and state law, City is obligated to and  
16 will report the payment of compensation to Contractor on Form 1099-Misc.  
17 Contractor shall be solely responsible for payment of all federal and state taxes  
18 resulting from payments under this Contract. Contractor shall submit Contractor's  
19 Employer Identification Number (EIN), or Contractor's Social Security Number if  
20 Contractor does not have an EIN, in writing to City's Accounts Payable, Department  
21 of Financial Management. Contractor acknowledges and agrees that City has no  
22 obligation to pay Contractor until Contractor provides one of these numbers.

23 B. Contractor shall cooperate with City in all matters relating to  
24 taxation and the collection of taxes, particularly with respect to the self-accrual of  
25 use tax. Contractor shall cooperate as follows: (i) for all leases and purchases of  
26 materials, equipment, supplies, or other tangible personal property totaling over

3 for the Work site. "Qualified" means that the Contractor purchased at least \$500,000  
4 in tangible personal property that was subject to sales or use tax in the previous  
5 calendar year.

6 C. Contractor shall create and operate a buying company, as  
7 defined in State of California Board of Equalization Regulation 1699, subpart (h), in  
8 City if Contractor will purchase over \$10,000 in tangible personal property subject  
9 to California sales and use tax.

10 D. In completing the form and obtaining the permit(s), Contractor  
11 shall use the address of the Work site as its business address and may use any  
12 address for its mailing address. Copies of the form and permit(s) shall also be  
13 delivered to the City Engineer. The form must be submitted and the permit(s)  
14 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not  
15 order any materials or equipment over \$100,000 from vendors outside California  
16 until the form is submitted and the permit(s) obtained and, if Contractor does so, it  
17 shall be a material breach of this Contract. In addition, Contractor shall make all  
18 purchases from the Long Beach sales office of its vendors if those vendors have a  
19 Long Beach office and all purchases made by Contractor under this Contract which  
20 are subject to use tax of \$500,000 or more shall be allocated to the City of Long  
21 Beach. Contractor shall require the same cooperation with City, with regards to  
22 subsections B, C and D under this section (including forms and permits), from its

1           20.    ADVERTISING. Contractor shall not use the name of City, its officials  
2 or employees in any advertising or solicitation for business, nor as a reference, without the  
3 prior approval of the City Manager, City Engineer or designee.

4           21.    AUDIT. City shall have the right at all reasonable times during  
5 performance of the work under this Contract for a period of five (5) years after final  
6 completion of the work to examine, audit, inspect, review, extract information from and  
7 copy all books, records, accounts and other documents of Contractor relating to this  
8 Contract.

9           22.    NO PECULIAR RISK. Contractor acknowledges and agrees that the  
10 work to be performed hereunder does not constitute a peculiar risk of bodily harm and that  
11 no special precautions are required to perform said work.

12           23.    THIRD PARTY BENEFICIARY. This Contract is intended by the  
13 parties to benefit themselves only and is not in any way intended or designed to or entered  
14 for the purpose of creating any benefit or right of any kind for any person or entity that is  
15 not a party to this Contract.

16           24.    SUBCONTRACTORS. Contractor agrees to and shall bind every  
17 subcontractor to the terms of this Contract; provided, however, that nothing herein shall  
18 create any obligation on the part of City to pay any subcontractor except in accordance  
19 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply  
20 with this Section shall be deemed a material breach of this Contract. A list of  
21 subcontractor(s) submitted by Contractor in compliance with Public Contract Code  
22 Sections 4100 et seq. is attached hereto as Exhibit "D" and incorporated herein by this  
23 reference.

24           25.    NO DUTY TO INSPECT. No language in this Contract shall create  
25 and City shall not have any duty to inspect, correct, warn of or investigate any condition  
26 arising from Contractor's work hereunder, or to insure compliance with laws, rules or  
27 regulations relating to said work. If City does inspect or investigate, the results thereof  
28 shall not be deemed compliance with or a waiver of any requirements of the Contract

1 Documents.

2           26. GOVERNING LAW. This Contract shall be governed by and  
3 construed pursuant to the laws of the State of California (except those provisions of  
4 California law pertaining to conflicts of laws).

5           27. INTEGRATION. This Contract, including the Contract Documents  
6 identified in Section 3 hereof, constitutes the entire understanding between the parties and  
7 supersedes all other agreements, oral or written, with respect to the subject matter herein.

8           28. NONDISCRIMINATION. In connection with performance of this  
9 Contract and subject to federal laws, rules and regulations, Contractor shall not  
10 discriminate in employment or in the performance of this Contract on the basis of race,  
11 religion, national origin, color, age, sex, sexual orientation, gender identity, AIDS, HIV  
12 status, handicap or disability. It is the policy of the City to encourage the participation of  
13 Disadvantaged, Minority and Women-Owned Business Enterprises, and the City  
14 encourages Contractor to use its best efforts to carry out this policy in the award of all  
15 subcontracts.

16           29. EQUAL BENEFITS ORDINANCE. Unless otherwise exempted in  
17 accordance with the provisions of the Ordinance, this Contract is subject to the applicable  
18 provisions of the Equal Benefits Ordinance ("EBO"), section 2.73 et seq. of the Long Beach  
19 Municipal Code, as amended from time to time.

20           A. During the performance of this Contract, the Contractor certifies  
21 and represents that the Contractor will comply with the EBO. The Contractor agrees  
22 to post the following statement in conspicuous places at its place of business  
23 available to employees and applicants for employment:

24           "During the performance of a Contract with the City of Long Beach, the  
25 Contractor will provide equal benefits to employees with spouses and its  
26 employees with domestic partners. Additional information about the City of  
27 Long Beach's Equal Benefits Ordinance may be obtained from the City of  
28 Long Beach Business Services Division at 562-570-6200."

1 B. The failure of the Contractor to comply with the EBO will be  
2 deemed to be a material breach of the Contract by the City.

3 C. If the Contractor fails to comply with the EBO, the City may  
4 cancel, terminate or suspend the Contract, in whole or in part, and monies due or to  
5 become due under the Contract may be retained by the City. The City may also  
6 pursue any and all other remedies at law or in equity for any breach.

7 D. Failure to comply with the EBO may be used as evidence  
8 against the Contractor in actions taken pursuant to the provisions of Long Beach  
9 Municipal Code 2.93 et seq., Contractor Responsibility.

10 E. If the City determines that the Contractor has set up or used its  
11 contracting entity for the purpose of evading the intent of the EBO, the City may  
12 terminate the Contract on behalf of the City. Violation of this provision may be used  
13 as evidence against the Contractor in actions taken pursuant to the provisions of  
14 Long Beach Municipal Code section 2.93 et seq., Contractor Responsibility.

16 failure to perform in accordance with the Plans and Specifications, failure to comply with  
17 any Contract Document, failure to pay any penalties, fines or charges assessed against  
18 Contractor by any public agency, failure to pay any charges or fees for services performed  
19 by the City, and if Contractor has substituted any security in lieu of retention, then default  
20 shall also include City's receipt of a stop notice. If default occurs and Contractor has  
21 substituted any security in lieu of retention, then in addition to City's other legal remedies,  
22 City shall have the right to draw on the security in accordance with Public Contract Code  
23 Section 22300 and without further notice to Contractor. If default occurs and Contractor  
24 has not substituted any security in lieu of retention, then City shall have all legal remedies  
25 available to it.

## USE TAX DIRECT PAYMENT PERMIT (General Information and Filing Instructions)

Revenue and Taxation Code section 7051.3 authorizes the State Board of Equalization to issue a *Use Tax Direct Payment Permit* to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a *Use Tax Direct Payment Exemption Certificate* which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a *Use Tax Direct Payment Permit*, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
  - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
  - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed *Application for Use Tax Direct Payment Permit*, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a *Use Tax Direct Payment Permit* and a *Use Tax Direct Payment Exemption Certificate* will be mailed to the applicant.

If you would like additional information regarding the *Use Tax Direct Payment Permit* or need assistance in completing this application, you can call 916-445-5167, or write to the Board of Equalization, Compliance Policy Unit, P.O. Box 942879, Sacramento, CA 94279-0040.

Performance Bond  
No. 014075692  
Premium: \$13,954.00

**PERFORMANCE BOND**  
**(Bond for Faithful Performance)**

WHEREAS, The CITY OF LONG BEACH, a municipal corporation of the State of California, hereinafter the "City" or "Obligee," have conditionally awarded to SULLY-MILLER CONTRACTING COMPANY, a Delaware corporation designated as the "Contractor" or "Principal" herein, a contract for the work ("Work") described as follows: Street Improvement of Broadway and 3<sup>rd</sup> Street Between Magnolia Avenue and Alamitos Avenue, as described in Specification No.: R-7056 and related drawings.

WHEREAS, the Principal is about to enter into a Contract with Obligee for performance of the Work, which Contract, and all Contract Documents set forth therein are incorporated herein by this reference.

WHEREAS, the Principal is required to furnish a bond guaranteeing the prompt, full and faithful performance of its obligations under the Contract Documents concurrently with delivery to Obligee of the executed Contract.

NOW, THEREFORE, we the undersigned Contractor, as Principal, and Liberty Mutual Insurance Company, an admitted surety insurer in the State of California, as Surety, are held and firmly bound unto THE CITY OF LONG BEACH, a municipal corporation of the State of California (hereinafter the "City" or "Obligee") in the penal sum of Four Million One Hundred Fifty-Two Thousand Dollars (\$4,152,000) lawful money of the United States, for the payment of which sum, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT:

If the Principal shall promptly, fully and faithfully perform each and all of the obligations and things to be done and performed by the Principal in strict accordance with the terms of the Contract Documents as said Contract Documents may be modified or amended from time to time; and if the Principal shall indemnify and save harmless the Obligee and all of its officers, agents and employees from any and all losses, liability and damages, claims, judgments, stop notices, costs, and fees of every description, whether imposed by law or equity, which may be incurred by the Obligee by reason of the failure or default on the part of the Principal in the performance of any or all of the terms or the obligations of the Contract Documents, as they may be amended and supplemented including, but not limited to, its liability for liquidated damages for delay, all warranties or guarantees required thereunder and indemnity obligations; then this obligation shall be void; otherwise, it shall be, and remain, in full force and effect.

Whenever the Principal shall be, and is declared by the Obligee to be in default under the Contract, which shall include without limitation, any breach or default of the Contract Documents, then, after written notice from the Obligee to the Surety, as provided for below, the Surety shall either remedy the default or breach by the Principal or shall promptly and faithfully take charge of the Work of and complete the Work in accordance with the requirements of the Contract Documents with a contractor other than the Principal at its own expense and make available as work progresses sufficient funds to pay the cost of completion less the balance of the Contract price including other costs and damages for which the surety may be liable hereunder; provided, however, that the procedure by which the Surety undertakes to discharge its obligations under this Bond shall be subject to the advance written approval of the Obligee.

Within fifteen (15) days of Obligee's written notice to the Surety of the failure of performance of the Contract by the Principal, it shall be the duty of the Surety to give to the Obligee an unequivocal notice in writing of the Surety's election to remedy the default(s) of the Principal promptly, or to arrange for performance of the Contract promptly by a Contractor other than the Principal, time being of essence to this Bond. In said Notice of Election, the Surety shall state the date of commencement of its cure or remedy of the Principal's default(s) or its performance of the Contract. The Surety's obligations for cure or remedy, include but are not limited to: correction of defective work and completion of the Contract, additional legal, design professional and delay costs arising from Surety's actions or failure to act; and liquidated damages, or if no liquidated damages are specified in the Contract, actual damages caused by delayed performance or non-performance by the Principal. The Surety shall give prompt written notice to the Obligee upon completion of the cure or remedy of the Principal's default(s) of its performance of the Construction Contract.

If the Surety does issue its Notice of Election and does not proceed to cure or remedy the Principal's default(s) of its performance of the Work with reasonable promptness, the Surety shall be deemed to be in default on this bond fifteen (15) days after receipt of a written notice from Obligee to the Surety demanding that the Surety perform its obligations under this Bond, and the Obligee shall be entitled to enforce any remedy available to Obligee.

The Surety and Principal, for value received, hereby stipulate and agree that no change, extension of time, modification, alteration or addition to the terms of the Contract or Contract Documents or to the Work to be performed thereunder shall in any way affect or release the Principal or Surety or their respective heirs, executors, administrators, successors and assigns from their obligations on this bond, and Surety does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract, or Contract Documents, or to the Work. No premature payment by the City to the Principal shall release or exonerate the Surety, unless the Officer or Board of the City ordering the payment shall have actual notice at the time the order is made that the payment is in fact premature, and then only to the extent that such payment shall result in actual loss to the Surety, but in no event more than the amount of such premature payment.

FURTHER, Principal and Surety agree that if Obligee is required to engage the services of attorneys in connection with enforcement of the bond, each shall pay Obligee's reasonable attorneys' fees incurred, with or without suit, in addition to the above penal sum.

The guarantees contained herein shall survive the final completion of the Work called for in the Contract Documents with respect to the obligations and liabilities of the Principal which survive such final completion.

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above-named, on the 28th day of June, 2018.
