Subject Forbidden City

To Whom it May Concern,

In regards to the public hearing being held on Tuesday June 4, 2013 regarding the issuance of an Entertainment with Dancing permit to Forbidden City restaurant, I would like to offer my opinion.

I am in the process of buying a home in the Marina Pacifica Condominiums across from Forbidden City, and see no reason to deny the permit.

Forbidden City is a relaxing and fun place to go on the weekends, and for nice dinners during the week.

The music is always played at a reasonable volume at a level at which you can still hear your friends clearly sitting beside you in the restaurant, and the outside doors closed in polite observance of the serenity of their neighbors.

I won't be able to attend the public hearing, as I will be out of town. Please consider allowing Forbidden City to let their patrons enjoy good music, good fellowship, and an occasional dance with your neighbor.

Thank you,

Matt Moorefield
