

Long Beach Towne Center Security Coverage

Virtual Guard Services:

- Scheduled midnight – 6am daily.
- Virtual guard services are a surveillance camera system with Live Monitoring of highly trained guards who remotely monitor the property. Service includes detailed incident reports containing high-res images and weekly summaries of all observed activity. They work hand in hand with on-site guards.

Foot patrol:

- Sun – Sat two (2) guards 6am-Midnight.
- Sun – Sat one (1) guard Midnight – 6am.
