21. (17-0399) Recommendation to request City Council to consider renaming the El Dorado Neighborhood Library the "Ernie and Jackie Kell Neighborhood Library" in honor of the late Ernest Eugene Kell, Jr., City of Long Beach's first elected mayor; approve a deviation from existing policy and procedures for naming of City-owned land, buildings and facilities; refer this item to the Housing and Neighborhoods Committee for consideration; request the Library Services Department and the Department of Parks, Recreation and Marine to conduct further outreach around the renaming of the library; and authorize City Manager, or designee, to execute any necessary agreements and dedication ceremony if approved.	Lucy Johnson	lucyjohnson1@gmail.com						I have resided in District 5 since 1995. 1) Not in favor of changing the name. 2) Not a fan of either Kell. 3) Ernie Kell has been dead for less than 2 year - what is the compelling reason to waive the usual policy now? 4) Jackie Kell is still alive - what is the compelling reason to rename the El Dorado Neighborhood Library for a living person?	5/23/2017

(17-0399) Recommendation to request City Council to consider renaming the El Dorado Neighborhood Library the "Ernie and Jackie Kell Neighborhood Library" in honor of the late Ernest Eugene Kell, Jr., City of Long Beach's first elected mayor; approve a deviation from existing policy and procedures for naming of City-owned land, buildings and facilities; refer this item to the Housing and Neighborhoods Committee for consideration; request the Library Services Department and the Department of Parks, Recreation and Marine to conduct further outreach around the renaming of the library; and authorize City Manager, or designee, to execute any necessary agreements and dedication ceremony if approved.	Diana Jones	hrhdiana2000@yahoo.com			Long Beach	CA	90814	Seriously? This is just plain wrong on so many counts....unnecessary cost to taxpayers, politically motivated, location name easier to find, Jackie Kell's anti-gay agenda in her last election run, Ernie Kell's marriage to the cracker-box developers....nothing deserved here. And have we also forgotten that there are rules to follow??	5/22/2017

22. (17-0400) Recommendation to request City Manager to work with the Department of Public Works to conduct a study exploring options to improve the private commercial waste hauling system in Long Beach, placing an emphasis on limiting inefficient overlapping truck routes, environmental, health, and safety impacts, unnecessary wear and tear on local streets and alleys, and establishing a pipeline for local jobs and training. Secondly, request City Manager to issue a 5-year notification to City-permitted private waste haulers pursuant to California Public Resources Code Section 49520, and report back to the City Council on the progress semi-annually.	Diana Jones	hrhdiana2000@yahoo.com			Long Beach	CA	90814	Our trash haulers are doing just fine. If it ain't broke then don't try to fix it. In the end run, this type of legislation is bound to cost taxpayers a great deal of money \$\$\$\$. Stop over burdening the taxpayers before they decide to run you out of town.	5/23/2017
23. (17-0401) Recommendation to request City Manager to work with the Health Department; Police Department; Fire Department; City Prosecutor's Office; Public Works/Parks, Recreation and Marine; Economic Development, BIDs, Workforce Development, and other Community Resources; and I-Team/Technology Services to prepare a report on the specified areas relating to homelessness and residential quality of life in the City of Long Beach. The report should summarize the data and identify a multi-departmental strategic approach to address the listed topics. This report should include the expected funding required to effectuate a citywide strategy to address homelessness and residential quality of life issues associated with homeless and transient activity. The report should be returned to the City Council no later than 120 days from today's date.	Alma Casey Allen	acaseyallen@hotmail.com		Belmont Shore	Long Beach	CA	90803	The Quality of Life Unit of the LBPD which is the best thing the city does for our homeless, should be moved to the Field Division where there could be 4 officers and 4 mental health clinicians to work closely with the LBF Department HEART team in all 4 LBPD divisions of the city. Then Long Beach would have the best model for helping the homeless in all of the Southland. Our homeless are city wide and our Quality of Life Unit needs to be City Wide!	5/21/2017
