Presentation for Digital Inclusion Week.	Don Symms	<a href="mailto:d.symms@verizon.net">d.symms@verizon.net</a>						Parking at the PIKE, not allowing parking validations to be combined from multiple establishments may limit guest stays and reduce revenue, Dining and Movie establishments offer parking validation of 2-3 hours respectively, validations cannot be combined on a single parking ticket, a guest will pay \$9 dollars for 4 to 5 hours of parking. If a guest dines and leaves, immediately re-enters before a movie they can avoid any fees. I believe guests may dine elsewhere because of this policy.	5/7/2018
