Subject: Item 36 on 4/14/20 Council meeting

-EXTERNAL-

Spending \$250,000 to repair the elevators in Community Hospital

Molina, Wu, et al are legally obligated to pay for all Community Hospital Repairs. Why is this on the Agenda?

Council District 4 just donated \$250,000 from their District account savings to update the Community Hospital elevators(See CD4 Go Forth newsletter 3/27/20)

Why is Council District 4 using \$250,000 of public money when Molina et al are legally obligated to pay for all Community Hospital repairs?

Remove Item 36 immediately. Enforce Molina et al. legal obligations.

Respectfully submitted,
Jill Brennan
