Discussion

Success In Challenges (SIC) is a non-profit grass-roots social service agency largely serving the greater Long Beach Community. SIC provides community youth and adults with safe, interactive programs that promote good citizenship, character development, creativity, and discipline, designed to inspire them to face life's challenges with enthusiasm and dignity. SIC is hosting their annual spring gala on June 8, 2023. The event will include dinner, a silent auction, sponsor-a-scholar opportunity, and entertainment. All proceeds raised from this event will mainly benefit the 2023 SIC Freedom School which is part of the National Children's Defense Fund Freedom School Program.
