To: <daisy.gomez@longbeach.gov>,

This is to show support for Forbidden City to have music. It is a lively fun place that attracts a diverse group of people and the music entertainment is part of its charm. I don't think the noise level is that excessive. We need successful businesses in Long Beach and am sure that Forbidden City is a good provider of jobs as well. Please consider these facts. Thank you, Dorothy Kistler, Belmont Shore
