2. (18-0128) Recommendation to increase appropriations in General Fund (GF) in the City Prosecutor Department (CP) by \$18,000, offset by the Fourth Council District one-time infrastructure funds transferred from the Capital Projects Fund (CP) in the Public Works Department (PW) to support the funding of a Neighborhood Impact Prosecutor for a one-year period of time.	William Sheehan	wps30@aol.com						I support these recommendations.	2/13/2018
17. (18-0134) Recommendation to request City Manager and City Attorney to draft an ordinance to prohibit the assembly, disassembly, sale, offer of sale, distribution, or offer of distribution on public property or public rights-of-way of bicycles and bicycle parts, under certain conditions and with certain exceptions; authorize the Public Works Department to work with the Police Department to remove bicycles and bicycle parts following notice of violations of this prohibition.	William Sheehan	wps30@aol.com						I strongly support the proposed chop shop (18-0134) ordinance. People are not allowed to disassemble automobiles in public in Long Beach, and bicycles should be treated the same way. This ordinance will enhance safety and reduce crime. San Francisco addressed its escalating chop shop problem by approving an ordinance in October 2017.	2/13/2018
