Recap 55 NAMES

43 ADDRESSES

PETITION TO REVOKE/DENY PANAMA JOE'S IT'S ENTERTAINMENT LICENSE:

The neighbors of Granada Ave have had it. We've tried to quiet PJ's by calling management (who do not answer the phone late at night when the problems occur), we've called the police to make noise complaints, we've been contacting Delong's office for OVER a year and he hasn't done anything.

The neighbors of Granada Ave and surrounding areas have banded together to sign this petition to revoke PJ's entertainment license because the ownership and management have had a blatant disregard for the codes associated with their licensing. They have a 100' noise ordinance, but Bass can be heard over 300' away, windows and doors are supposed to be shut but are continually left open and they are attracting a bad clientele.

Some of us are parents with small children. It is unacceptable to wake up Saturday and Sunday morning with beer bottles and vomit on your front grass. The patio crowd is now so rowdy that we cannot walk by on a Saturday or Sunday afternoon with the kids without profanities and cat calls to the wives. It is obvious the management has no control and/or care of it's clientele. It is more obvious they have no respect or regard to the neighbors of the Shore.

They are simply not following the rules and all the neighbors are tired of it. WE ALSO BELIVE THIS VIOLATES PUBLIC NUISANCE CODES.

As evidenced by the signatures below please revoke and/or deny Panama Joe's entertainment license:

PETITION TO REVOKE/DENY PANAMA JOE'S IT'S ENTERTAINMENT LICENSE:

The neighbors of Granada Ave have had it. We've tried to quite PJ's by calling management (who do not answer the phone late at night when the problems occur), we've called the police to make noise complaints, we've been contacting Delong's office for OVER a year and he hasn't done anything.

The neighbors of Granada Ave and surrounding areas have banded together to sign this petition to revoke PJ's entertainment license because the ownership and management have had a blatant disregard for the codes associated with their licensing. They have a 100' noise ordinance, but Bass can be heard over 300' away, windows and doors are supposed to be shut but are continually open and they are attracting a bad clientele.

Some of us are parents with small children. It is unacceptable to wake up Saturday and Sunday morning with beer bottles and vomit on your front grass. The patio crowd is now so rowdy that we cannot walk by on a Saturday or Sunday afternoon with the kids without profanities and cat calls to the wives. It is obvious the management has no control and/or care of it's clientele. It is more obvious they have no respect or regard to the neighbors of the Shore.

They are simply not following the rules and all the neighbors are tired of it. WE ALSO BELIVE THIS VIOLATES PUBLIC NUISANCE CODES.

As evidenced by the signatures below please revoke and/or deny Panama Joe's entertainment license:
