Dear Mr.Sund,

As as a long time Long Beach resident and one who enjoys dining at the Forbidden City restaurant, having entertainment with their delicious food would only add to the dining experience. Please give serious consideration to granting an entertainment license to the restaurant.

To: Daisy.Gomez@LongBeach.gov,

Dear Ms. Gomez,

As Long Beach resident and one who has enjoyed dining at Forbidden City, I am in favor of them being granted an entertainment license. This would enhance the dining experience and may bring more business to the restaurant.

Sincerely,
