911 Note to Long Beach City Attorney re the Building @ Long Beach Blvd & PCH---to long a PUBLIC HEALTH HAZARD ..in spite of the good efforts of our very good VICE Mayor & City's Clean Team.

By copy of this to the Governor is my request he take the owners of the diseased property to Court-,confining said owners to Prison

LBT should be directed to eliminate their stop @ the diseased location.---there are stops- North and South of the diseased property.
