Long Beach Race Week (LBRW) is historically one of the largest sailboat racing regattas in Southern California. It is held annually over three days in June in the waters outside Alamitos Bay. This year LBRW is scheduled to be held June 21-23 (Friday-Sunday). On average 140 boats and over 750 sailors compete in 10-12 races over three days. This event is one of the most highly acclaimed sailing events on the west coast.

This Council recommendation requests a funding transfer to the Alamitos Bay Yacht Club to contribute to this event pending all the proper City permits are obtained and using Third District one-time priority funds in the amount of \$2,000,
