PLEDGE OF ALLEGIANCE	diana lejins	dianalejins@yahoo.com				CA	90815	While I respect and love this country and its flag, the phrase "liberty and justice for all" is a downright fallacy. Reciting it by rote is pure hypocrisy.	9/20/2016
8. (16-0879) Recommendation to approve the designation of one-time infrastructure funds for City Council District infrastructure projects and existing programs; and Approve related budget appropriation adjustments in accordance with existing City Council policy. (Citywide)	Susan Miller	mpshogrl@msn.com			Long Beach	CA	90803	Item lacks Transparency/disclosure. Traffic study needs to include: first responders impact, traffic impact from future SEASP & \$100,000,000. Aquatic facility. Study had no historical data when the Belmont Pool was in existence. All Council Districts are affected. The public deserves transparency.	9/19/2016
8. (16-0879) Recommendation to approve the designation of one-time infrastructure funds for City Council District infrastructure projects and existing programs; and Approve related budget appropriation adjustments in accordance with existing City Council policy. (Citywide)	Susan Miller	mpshogrl@aol.com				CA	90803	Item lacks transparency, community involvement/public disclosure. Full traffic study needs to be done inclusive of first responders & impact of building \$100 million dollar Belmont Aquatic facility on East Ocean Blvd. Traffic study has no historical data when Belmont Pool existed. All council Districts are affected. Council & residents need and deserve more Public information/disclosure. Remove from item 8 until this has been properly made transparent.	9/19/2016

15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	Laurie Angel	lcangel@charter.net		North Long Beach	Long Beach	CA	90805	Oversized vehicles are a serious quality-of-life issue that needs to be addressed. The public is using our streets as storage facilities and RV Parks. Not mentioned but equally prevalent and of concern on boats. All of these vehicles make navigating streets, adequate visibility very difficult and often dangerous. This is a serious safety issue. Please get these oversized vehicles off of our streets.	9/20/2016
15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	diana lejins	dianalejins@yahoo.com				CA	90815	Wonder of wonder, miracle of miracles.....here's something I agree with Ms. Price on.....it's about time that we put a stop to the extreme dangers and blight that accompany these behemoths on our city streets. Our city roads were not designed as a storage facility for oversized motor homes, boats, trailers, etc.	9/20/2016
15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	Brad Foster	bvfoster@hotmail.com			Long Beach	CA	90808	Long Beach City Council, Please support 16-0876. There are numerous reasons that RV's in our neighborhoods are unsafe. These safety concerns are not limited to out of town vehicles, but also RV's registered to those in our neighborhoods. With narrow and busy streets RV's are unsafe. Please consider blocking over sized vehicles from parking near intersections and away from the owner's home address. Thank you for supporting this to help keep our neighborhoods safe. Concerned Citizen	9/20/2016

15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	Keri Thompson	kthompson@meadowbrook.com			Long Beach	CA	90815	Please approve. 5th district would also like to have this restriction. Thank you, Keri Thompson	9/20/2016
15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	Sherry Perkins	prof.perkins@gte.net			Long Beach	CA	90808	If a LB resident should need his or her RV near their residence for medical reasons, the LBPD may issue a temporary medical permit upon submittal of a written statement from a licensed MD. The LBPD may also issue a parking permit exemption, valid for no longer than 6 months, to a recreational vehicle when used on a daily basis and on-premises parking is not available.	9/20/2016
15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	Roger Sotelo	rsotelor1@gmail.com			Long Beach	CA	90808	Long Beach has a very diverse population and not everyone that owns an RV abuses the option of parking on the street. I do see a homeless RV situation that could be easily managed by issuing a resident sticker that would be placed on the back of the RV to identify ownership of a resident. This would be a cost effective control measure that would be supported by the community of 90808 & 90815	9/19/2016

15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	Diana Pearl	dbpearl@gmail.com			Long Beach	CA	90808	This problem needs to get under control (through permits and/or restrictions) before we become a haven for these eyesores! Why should they get all the privileges of the benefit without paying any property taxes while we watch our property values decline and our streets become unsanitary and possibly unsafe? We cannot be the 'accommodating, welcoming city'; it will only encourage more of this!	9/19/2016
15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	Angela Kimball	angela.kimball@aol.com			Long Beach	CA	90808	PERMITS for all residents should be REQUIRED TO BE ISSUED AND DISPLAYED on the vehicle to park on any Long Beach street (all RV's, boats, trailers). Without a permit system (similar to Lakewood) the cat/mouse 72 hour ordinance becomes a 48 hour one. PERMITS SOLVE THIS PROBLEM. Public streets should not be utilized as personal RV storage space, nor should the public streets be allowed to turn into homeless campgrounds as seen next to the Skylinks Golf Course adjacent to the airport.	9/19/2016

15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	Shannon Ciezadlo	s_carmack@yahoo.com			Long Beach	CA	90808	I am in absolute support for the development of this ordinance. The number of RVs and oversized vehicles within the streets of District 5 has dramatically increased recently and become an serious problem that has negatively affected the quality of life. Along Wardlow Road between Clark and Lakewood, RVs park back to back, leaving trash behind and block the unprotected crosswalk for golfers, creating a safety issue. Please pass the Ordinance. Shannon Ciezadlo, 3425 Heather Road.	9/19/2016
15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	V. Hook	vhook@verizon.net			Long Beach	CA	90808	Thank you for taking the time to consider this public safety issue. This topic is of great concern to those in our city currently impacted by extended parking of RV's, trailers and non-motorized vehicles in densely populated areas limiting parking to fellow residents. In addition, there are concerns about individuals utilizing said vehicles for some sort of possible illegal activity putting residents in harm's way. An affirmative vote helps Long Beach effectively address this issue.	9/19/2016

15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	John Benedetti	boomer111080@yahoo.com			Long Beach	CA	90815	RE: agenda item 16-0876, would it be possible to allow for 72 hours RV parking for Long Beach resident owners? I keep my RV in a storage facility but there are times when repairs and maintenance are needed and 48 hours makes completing these things difficult. LA County currently allows for 72 hours. Thank you! John Benedetti (35 years as a 5th District Resident)	9/19/2016
15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	Robert Wenzel	robertwenzel3@gmail.com			Long Beach	CA	90815	I look forward to the day that these restrictions are past and go into affect. Our streets are full of RV's and commercial Size vehicles making it difficult to see pass and fit through some streets. Almost impossible on service roads for ambulances, Fire trucks to get through and no cars can pass each other when both sides of those streets are allowed to be parked on. I would like to see district 5 get behind this also.	9/19/2016
15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	John Steele	appsyn@inreach.com			Long Beach	CA	90815	This ordinance is clearly needed due to widespread abuse, creating community eyesores and traffic hazards to drivers and pedestrians alike, especially for the elderly and for schoolchildren.	9/18/2016

15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	Richard Noble	rknable123@verizon.net			Long Beach	CA	90808	Please consider adopting this proposal as it provides a measure of safety and value to our neighborhoods. Thank you, Richard Noble	9/17/2016
15. (16-0876) Recommendation to request City Attorney to draft a citywide ordinance restricting oversized and recreational vehicles in residential and commercial corridors based on elements from the surrounding cities of Lakewood, Costa Mesa and Westminster like:	Kathleen Steube	mike.kat.s@verizon.net			Long Beach	CA	90808	Without requiring permits for ALL residents to park RVs where the permit is displayed on the vehicle for traffic enforcement, the current proposed ordinance will have no more effect than the current 72 hour ordinance. Free permits to residents and required vehicle display of the permit resolves this problem, just as it has in the neighboring City of Lakewood.	9/17/2016
16. (16-0877) Recommendation to authorize City Manager, or designee, to approve an Agreement between the City of Long Beach and The Volunteer Center South Bay-Harbor-Long Beach Volunteer Center for their expertise and guidance in volunteer management and the use of their online volunteer opportunity platform in order to launch and execute the City's upcoming inaugural "Volunteer Campaign." (Citywide)	Cristel Savard	rcth1@verizon.net			Long Beach	CA	90808	We need new parking laws passed for RV parking on city st's. We as residents are sick and tired of having people setting up camps in our neighborhoods. The RV camp in wardlow rd is out of control, these people are living in these rvs,they have total disregard for the signs already posted , they throw trash every where, dump sewage in our gutters, destroy public property, steel our packages and go thru our cars at night! We NEED PERMITS REQUIRED FOR LONG BEACH HOME OWNERS ONLY. Please help us!	9/20/2016
