Permission is granted to Permittee to occupy the public right-of-way, including a temporary sidewalk extension ("Parklet"), and the following obstruction: **low barrier, sixteen (16) tables, sixty (60) chairs, one (1) sixteen-foot (16') umbrella, two (2) eight-foot (8') heaters, one (1) planter to define the edge of the dining area and parklet, one (1) bar counter, one (1) railing and planter to define the edge of the dining area** at (Address of Restaurant), Long Beach, California. Dimensions and location of the area to be occupied are as shown on Exhibit "A", incorporated by reference and made a part of this Permit; provided that all obstructions are placed only within the permit area shown on Exhibit "A".

This Permit is granted with reference to the following facts:

1. Permittee proposes to occupy the public right-of-way as shown on Exhibit "A"; and
2. The proposed occupancy will not now or at any time interfere with continued public use of the public street right-of-way; and
3. That there is no present or foreseeable conflicting public need for the proposed use of the public street right-of-way area and its temporary withdrawal from public use will not be injurious or detrimental to the public; and
4. That this use of a portion of the public street right-of-way is consistent with proper and lawful street uses and the use is approved; and

1           5.     The City Engineer has determined that this use is in compliance with  
2 Chapter 14.14 of the Long Beach Municipal Code, all related to temporary use of the  
3 public rights-of-way; and

4           6.     The Permittee shall obtain a public works street improvement permit  
5 required under Chapter 14.14 of the Long Beach Municipal Code, prior to construction  
6 and installation of the proposed Parklet.

7           The use of the public street right-of-way is granted upon and subject to the  
8 following terms and conditions:

9           1.     The minimum width of the public walkway shall be ten (10) feet, or as  
10 otherwise approved by the City Council pursuant to Chapter 14.14 of the Long Beach  
11 Municipal Code, and any obstruction must permit at least five (5) feet of unobstructed  
12 area of public walkway.

13           2.     The obstruction shall not be located in a manner which interferes  
14 with the flow of pedestrian or other traffic.

15           3.     The maximum height of any such obstruction shall be six (6) feet and  
16 all such obstructions shall be entirely portable, except as specifically authorized by the  
17 City Engineer.

18           4.     This Permit may be immediately suspended for a designated time  
19 period at any time in the event that, in the discretion of the City Council or City Manager,  
20 such obstruction would interfere with street improvement activities, construction activities,  
21 cleaning efforts or other similar activities.

22           5.     The obstruction shall be kept in a good state of repair and in a safe,  
23 sanitary, and attractive condition.

24           6.     The public street right-of-way shall be used by Permittee only for the  
25 obstructions described above and in the area shown on Exhibit "A".

26           7.     The area in front of the entrance to the business shall not be  
27 obstructed by barricades, chairs, tables or other furniture.

28           8.     The Permittee shall place all obstructions, and any accessories or

1 equipment located within a dining or entertainment area, in strict accordance with all  
2 standards established by the Fire Department and Health and Human Services  
3 Department and contained within Chapter 14.14 of the City of Long Beach Municipal  
4 Code.

5           9. No surface improvements, included but not limited to special paving  
6 surfaces, may be removed or altered by the Permittee unless approved in advance in  
7 writing by the City Engineer.

8           10. The Permittee shall not allow cleaning chemicals, or other foreign  
9 matter to flow into street tree wells, and shall otherwise protect the health of adjacent  
10 trees, and shall likewise prevent the discharge of litter, cleaning chemicals and all other  
11 foreign matter into the storm drain system.

12           11. The Permittee shall protect any trees in the immediate vicinity of the  
13 permit area from damage due to the Permittee's cleaning or other activities on the public  
14 walkway. The Permittee shall not interfere with City's access to street trees for  
15 maintenance purposes. Any special maintenance of street trees is the responsibility of  
16 the Permittee and must be performed by a qualified landscape contractor acting under a  
17 permit from City's Street Landscaping Division. City shall not be held financially  
18 responsible for damage to Permittee's sidewalk furniture or awnings occurring in the  
19 course of regular street tree maintenance.

20           12. Upon any termination of this Permit, whether by revocation or  
21 otherwise, Permittee shall remove the obstructions authorized by this Permit at the sole  
22 discretion of the City Engineer and shall otherwise restore the public street right-of-way to  
23 a condition substantially the same as existed immediately prior to the occupancy  
24 provided for by this Permit. Should Permittee fail or refuse to remove the obstructions,  
25 City may do so and, in such event, the security deposit paid by Permittee shall be applied  
26 to City's costs. Permittee shall reimburse City for any costs in excess of the security  
27 deposit. In the event of removal by City of all or any portion of the obstructions, City shall  
28 not be liable for any damage to or loss of any property of Permittee.

1           13. Additional guidelines and conditions set forth in Exhibit "D", attached  
2 hereto and incorporated by reference, shall apply to public walkways occupancy permits  
3 that include areas provided by a Parklet.

4           14. The following additional conditions shall apply to public walkways  
5 occupancy permits for dining or entertainment areas:

6           A. Any dining or entertainment area shall be defined by  
7 placement of sturdy fencing or other suitable barriers, as approved by the City Engineer.  
8 Such barriers may only be affixed to public property with the prior approval of the City  
9 Engineer.

10           B. All tables and chairs and any other accessories to dining or  
11 entertainment uses may not exceed those enumerated on Exhibit "A", and must be  
12 located inside the permitted area, as shown on Exhibit "A".

13           C. All dining and entertainment which takes place on the public  
14 right-of-way shall conform to the requirements of Chapter 8.80 of the Long Beach  
15 Municipal Code regarding noise. Complaints regarding noise shall be logged by city staff  
16 and may be the basis for suspension, cancellation, or non-renewal of a permit.

17           D. The Permittee shall be responsible for cleaning the public  
18 walkway occupied by a dining or entertainment area.

19           15. Any permit issued within the downtown area as defined on Exhibit  
20 "B" and made a part of this Permit shall comply with all of the foregoing requirements and  
21 the following additional requirements:

22           A. No tents or windbreaks may be used in, over, or around dining  
23 or entertainment areas.

24           B. Temporary banners, not exceeding the height of the barrier  
25 and attached to the barrier are permitted for a two (2) week period no more than four (4)  
26 times per year.

27           C. Menu boards must be portable, located within the dining area,  
28 and must not exceed five (5) feet, six (6) inches tall. Menu boards may be either a single

1 pole pedestal of painted metal or a board attached to the inside of the barrier, parallel to  
2 the barrier.

3 D. The following are prohibited on the public walkway in the  
4 downtown area: television monitors, canopies and A-frame signs.

5 16. Upon expiration, a new permit must be obtained on the basis of a  
6 new application and payment of a new fee and any security deposit amount due.  
7 Renewal of the permit is not automatic and there is no right or entitlement to any use of  
8 the public right-of-way. Security deposits may be adjusted from year to year based on  
9 permit compliance and enforcement cost history. This Permit shall never be construed  
10 as the grant by City of any right to permanently use or occupy all or any portion of the  
11 public right-of-way; nor shall it ever be construed as a waiver on the part of City, or as an  
12 estoppel against it, which would in any manner whatsoever bar or limit, or otherwise  
13 prejudice, its right to at any time whatsoever require a discontinuance of the use or  
14 occupancy of all or any part of the public street right-of-way, the removal therefrom of all  
15 or any obstructions erected or maintained under this Permit and the restoration of such  
16 public street right-of-way to a clean condition, all at the sole cost and expense of  
17 Permittee.

18 17. Notices of violation of any of the terms and conditions of this permit  
19 may be issued by the City of Long Beach. Within the downtown area as defined on  
20 Exhibit "B", preliminary informal notices may be issued by Downtown Long Beach  
21 Associates. The enforcement process is set forth on Exhibit "C", attached hereto, and  
22 made a part of this permit. Notwithstanding the above, City may revoke this Permit at  
23 any time by giving thirty (30) days written notice to Permittee or cancel the permit for  
24 noncompliance with its terms. Such notice shall be signed by the City Manager, postage  
25 pre-paid, and addressed to Permittee at its address provided above.

26 18. Permittee accepts this public right-of-way in its present condition and  
27 agrees to maintain the same in a safe, clean, and orderly condition. Any and all uses  
28 made of the public right-of-way shall be at the sole risk, cost, and expense of Permittee.

1 Permittee, by its acceptance of this Permit, agrees to indemnify, defend, save and keep  
2 City, its officers, agents, and employees free and harmless from and against any and all  
3 liability as well as from and against any and all loss, claims, demands, damages,  
4 expenses and costs of whatsoever nature arising out of or in any manner resulting,  
5 directly or indirectly, from Permittee's operations on or the condition, use or misuse of the  
6 public street right-of-way, including liability, claims or damages to or as a result of any  
7 structures or fixtures on the public street right-of-way or appurtenances to it.

8           19. In partial performance of this obligation, Permittee shall obtain and  
9 keep in full force and effect such public liability insurance and property damage insurance  
10 as required by the Long Beach Municipal Code.

11           20. Nothing in this Permit shall be construed to excuse compliance by  
12 Permittee with any and all of the laws and ordinances of City and State; neither shall this  
13 Permit be deemed to obviate the necessity of Permittee's obtaining such other permits or  
14 licenses as are required to conduct specific activities within the area, including but not  
15 limited to entertainment or the sale, service or consumption of alcoholic beverages.

16           21. The terms of this permit shall be enforced by the procedure set forth  
17 on Exhibit "C", attached and made a part of this permit.

18           22. In case suit shall be brought for the recovery of possession of all or  
19 any portion of the public right-of-way or because of the breach of any covenant contained  
20 in this Permit to be kept and performed on the part of Permittee, Permittee shall pay to  
21 City reasonable attorneys' fees which shall be fixed by the court.

22           23. Permittee shall not assign this Permit, or any interest in it, nor shall  
23 this Permit, or any interest in it, be subject to transfer or assignment by order of any  
24 court. Any such transfer or assignment shall not create any right whatsoever in the  
25 transferee or assignees and shall entitle the City Manager, at his discretion, to terminate  
26 this Permit.
